Thank you for purchasing this book. There are a few concepts in this book that may need a little getting used to. For example, the scriptures are backed up with mathematical cycle analysis. This has been done to provide truth because – numbers do not lie.

Another is Biblical Astrology is part of the Holy Bible and there are many scriptures, which have been included here where necessary.

Further information on this subject may be found on the author's Christian website:  
<http://revampyourmind.com/http://revampyourmind.com/>

It is hoped that you enjoy this book. It has come to you with thousands of hours of study of God's Musical Clock of Musical Clocks, His Solar System and Universe.

This is the last version Woman in Heaven gives Birth of the series 09/24/2017 and Virgo gives Birth.

If you have purchased the electronic edition please click on the links, you will find an enormous amount of information that backs up this research. Thank you once again for purchasing this book, and see you in Heaven not many days hence.

## What this book is endeavouring to show you

What you will find in this book that takes a scripture and endeavours, using simple mathematics of the universe, to prove that they are very accurate and coming true.

This book does not beat around the bush and end with questions, such as “could it be?” or “is it that?” “Could it have been?”, and similar statements that you hear on TV and YouTube from some very “credible people” as well as the statements that can be read in their books.

Many more Scriptures could have been included; however the author has tried to take a more “scientific approach” as stated further in the book. Albert Einstein said: "Science without religion is lame. Religion without science is blind."

We prove the Bible is true even down to the second and fourth decimal point in time.

To our knowledge no other book about the Bible has been able to achieve that when taking time into account, and this we do - even into the future

## About the Author

Barry Gumm became a Born Again Christian on the 19th December 1981. He decided to follow the Lord, and as he did he received the HOLY SPIRIT and instantly began to speak in other tongues/languages as the Spirit gave **utterance**.

His career spanned from 3<sup>rd</sup> of March 1990 to 2012; **firstly** as an insurance agent, then Financial **Planner** and from 2009 to 2012, a Market **Services** Adviser (**Stockbroker** ).

Stars always **fascinated** the author.

The author sold his business in Whyalla in 2004 and moved to **Sydney**; still working in the financial **services** industry.

Eventually he had had enough of **Brokers**, Market **Services Analyst's (specialists)** , Fund Managers **Economists** and such like, losing money for his **clients**.

He decided in mid-2008 that he would invest the clients' money for them instead of passing it on to the fund **managers**. At this time he **realised** that the financial markets move according to God's Law and that it was written in the Bible, in the Stars, in the Great Pyramid of **Giza**, in Astronomy, **Astrology** (not the **soothsayers**)

Woman In Heaven gives Birth – Second Addition

Bible Numerics/Numerology.

In fact, he discovered the secret of the markets and has written about it in a set of books subtitled “Increase your targeting accuracy to over 95%” .

The average broker is usually 65% accurate. Johnson report<sup>1</sup> states that day Traders, even with a small sample size, showed that 75% of traders lose money while the professional traders, better than others, still lost 2/3rds over the same time.

The cycle analysis in this book is of a very high level. Most people, including the vast majority of Brokers (who are looking after a lot of Christians’ Money), do not know why and how cycles change you will find out in the pages within.

You will see that it is all in the stars and movement of the planets that God created. The author encourages Stockbrokers, Economists, Accountants, Financial Planners and Advisers, Lawyers, Fund Managers and Market Analysts (Christian or not), to read this book as it will help you to also understand cycles and why they change.

God set it all in motion and he made the Angels,

the Stars, including the Law of **Vibration** and Harmony to control it all as well as the law of, you **reap** is what you **sow** . After all God is interested in people.

Jesus did not die for the **planets** or the universe, "for God so loved the world he gave his only **begotten** Son for us so that if we only believe we might have Eternal life"<sup>2</sup>. God made the laws and the **Angels** to control it all while he **focused** on his most precious creation - Human **Beings**.

*In Genesis 1 v14– 18 KJV And God said, Let there be lights in the **firmament** of the heaven to divide the day from the night; and let them be for signs, and for **seasons**, and for days, and years:*

*15 And let them be for lights in the **firmament** of the heaven to give light upon the earth: and it was so.*

*16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.*

*17 And God set them in the **firmament** of the heaven to give light upon the earth,*

*18 And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good.*

---

### Woman In Heaven gives Birth – Second Addition

We see that God said they will rule over the earth and they “stars and planets” can be used for signs and seasons.

In other words Astronomy and Astrology and the cycles of such for timing and calculations .

Jesus said in Luke 21 v 11 KJV  
And great earthquakes shall be in diverse places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven.

Let's just look at this scripture, situations inserted for clarity in relation to today's world.

And great earthquakes (including sinkholes) shall be in diverse places, and famines (3,400,000 people die each year due to lack of clean water), and pestilences ( Modified Ebola, Bubonic Plague & Aids - man made diseases); and fearful sights (Wars) Aliens, bottomless pit (Energy Prison) opened and great signs shall there be from heaven.

Like this one Woman in Heaven giving birth as a warning to people on earth things are going to get a lot worse. He gave us so many tools to help us if we only do the research.

He made it extremely complex for those who have unbelief and extremely simple if one just has faith as a grain of mustard seed to believe!

## Dedicated

To all who love the Lord, may God's love speed unto you!

Thank you to John Hardy for encouragement to write this book and the **foresight** to see the circumstances and **indications** that God was making to me that He, God Himself, wanted me to write this book.

Thankfully, He has been **gracious** and **trusting** to allow my personal thoughts and include what many **Christians** would previously not accepted as God using. For example, non-**soothsaying Astrology**.

As **Andre Crouch** sings “I don’t know why he loved **me**” I **don’t** know why He **cared**”; I, too, do not know why He loved me and why He **cared** , and why He wanted me to write this book.

Surely there are and were plenty of others who could have, and who had good education in writing, but instead He chose the author; he doesn’t know why, but he does hope you enjoy it, and that it helps you draw closer to Him.

## Foreword

I met [Barry](#) through his [website revampyourmind.com](#). I was [financially paralysed](#) from the stock market crash of 2008 and 2009. After several [emails](#) and investigation, it was clear that [Barry](#) was a strong Christian man and I felt I could trust him.

Since his retirement, I have [stayed](#) in contact and still anticipate everything he puts to print. I have farmed for 30 years and never even thought about Astronomy or the [planets](#) and stars [controlling](#) the markets. I knew that the position of the earth [controlled](#) the seasons ; however that is where my knowledge stopped. I learned that in grade school.

After reading about the Law of [Vibration](#) and Harmony, the way [Barry explained](#) it, it all started to make sense.

[Matthew 7:7 KJV](#) says Ask and it will be given to you, seek and you will find, knock and the door will be opened to you. I do a lot of asking, [knocking](#) and [seeking](#) .

The amount of knowledge that I have gained since finding [Barry](#) is amazing. Sometimes I have trouble [figuring](#) out how to use it. So I ask again and I receive again.

Woman In Heaven gives Birth – Second Addition

For the love of money is the root of all kinds of evil. Some people eager for money have **wandered** away from the faith and have **pierced** themselves with many **griefs** .

That was me from time to time in my life.

I would think I knew best and had things figured out, just to have it blow up in my face. I was only working with the **earthly** material things and **paying** no attention to the spiritual.

I **realized** a few years ago, after seeing my life savings **wiped** out by the crash of 2008-09. That I was maybe going in the wrong direction. Now my question is, 'What is this? **Satan** taking my wealth because he could just to make me miserable or was this Lord saying, WAKE UP and follow **me**' .

So I started my search for the knowledge I needed to gain. Lesson one for me was that the Lord does not keep bad things from **happening** to good people, but he **stays** awake and with you through the tough times.

Life on this earth is finite. And my time here is short. I would like to learn all I can to teach my children the law of **Vibration** and Harmony (**Matthew** 7 v 12) so they don't spend their lives **wondering** as I did.

## Woman In Heaven gives Birth – Second Addition

**Barry** is a businessman with the heart of a teacher. He has been a great encouragement to me to move forward with trading and **investments** and Bible **Prophecy** .

I now consider him a good friend. I just wish I had found him and the knowledge in this book a bit sooner. You have now you have found him in this book. You will come to know that God created Biblical Astrology and Satan merged the two (non-Biblical Astrology), talking to the dead, the diviners on the net and in the newspaper and woman's weekly magazine, that you would not understand God as well as you could.

This became very evident as you read; Barry opens up and expounds a side of God that most have never thought was there, but sort of knew because the bible says "5The Heavens declare his Glory" This glory is shown in this book and Barry is only touching on the subject due to focusing on the revelation of the book of revelation chapter 12 v 1-2 and then the rest of the chapter.

You will be astounded of the lengths God has gone to; to make this chapter be fulfilled let alone every other verse in the bible.

## Bible Background Information Does God Allow Biblical Astrology?

To answer this question it's best to turn to the Bible.

Genesis 1 v 14 And God said, "Let there be lights in the expanse of the heavens to separate the day from the night. And let them be for signs and for seasons, and for days and years,

15 and let them be lights in the expanse of the heavens to give light upon the earth. " And it was so.

At the very beginning God said the lights or stars in the heaven will be for Signs (Astronomy and Astrology).

But God does not like the "starry predictions" in the paper each day or the magazines or the ones on the end of your phone speaking to the dead.

<sup>6</sup>Do not turn to mediums or necromancers; do not seek them out, and so make yourselves unclean by them: I am the LORD your God.

## Woman In Heaven gives Birth – Second Addition

Necromancer's means 'A method of divination through alleged communication with the dead'; black Art, magic in general, especially that practiced by a witch or sorcerer; sorcery; witchcraft.

### **God's Astrology**

Therefore, Astrology is only to be used in the way it has been used in this book – the numbers in Astrology must match up with what the scriptures are saying and for example the woman in Revelation 12 v 1 and 2 is Virgo; and in Arabic The undefended One.

There are many scriptures in the Bible where Astronomy and Astrology is used. Here are a few for your reference.

1. The Sun and Moon Stood Still – Joshua 10:13.
2. Make the Sun go backwards – Isaiah 38:8.
3. There will be signs in the sun, moon and stars – Luke 21.25.
4. The sun will become dark, and the moon will turn blood red before that great and terrible day of the LORD arrives. Joel 2 v31 and Acts 2 v20.
5. Jesus' birth was a star of Bethlehem. This led the wise men to where Jesus was laid in a manger. God used Astronomy and Astrology to lead people to Christ. Matthew 2.2.
6. Which maketh Arcturus, Orion, and Pleiades, and the chambers of the south. Job 9:9.
7. And great earthquakes shall be in diverse

Woman In Heaven gives Birth – Second Addition

sights and great signs shall there be from heaven.  
Luke 21 v 11.

8. I will judge thee in the place where thou wast created, in the land of thy nativity. Ezekiel 21:30 KJV.

In Hebrew and Chinese astrology there are 27, and sometimes 28 houses. When you are born your precise time of Birth is in one of these houses.

When the 'thing' that is born at 7:36 am on the 23/09/2017 its precise time is noted and taken to God.

Revelation 6 v 1 and 2 which came true on the 16/11/2014.<sup>7</sup>

The seal was broken and out came a rider on a horse with a bow.

The 16/11/2014 was a Blood Moon with Mars, Blood Moons happen with other planets, not just Earth. Mars the <sup>8</sup>Roman god of war is in the rider's Jugular on the 16/11/2014.

Moon is under Leo and Jupiter is at Leo's Throat. Moon's number is 18 or 6+6+6 and Jupiter rotates round the (360 degrees or 12 constellations) Sun + one constellation being 12+1 is 13.

13 is the change number of cycles, this takes

---

Woman In Heaven gives Birth – Second Addition

Jupiter 671 weeks to do, 5 for Grace or grace over death and 666 the warning number.

So God, Jesus and Holy Spirit on this day were being attacked in 3 ways. By Mars, in the Jugular, The Moon under Leo, and Jupiter the Major 666 clock is at Leo's throat.

## Background 1.0

Woman In Heaven gives Birth – Second Addition

You can see now that <sup>9</sup>Astrology and Astronomy are in the Bible, and God uses them to provide signs for us, as warnings of what is happening.

The Sun and Moon are also there for seasons, in order for farmers to know when to plant crops and fishermen to go fishing, all still used today by the learned person.

Woman In Heaven gives Birth – Second Addition

## Prelude

In this book, “Woman in Heaven”, of the 09/23-24/2017 books, the author is including who it is that is the Antichrist, the Beast that the Woman in Scarlet is sat on.

Some of it will be via charts and a little cycle analysis. The author suggests that you may want to revisit this prelude after you have read the book due to some cycle analysis, and reasoning will be explained further in this book.

Expanded and continued watch on this subject can be found here <http://revampyourmind.com/index.php/23-24092017/> and in the blog of the same website.

The scriptures used in this book and on the revampyourmind website will vary in versions; this is done simply for the ease of reading and no other reason.

The author is used to reading the King James Version of the Bible but realises this is not always the best expounded version and some may find it very hard to read; therefore, the various versions of the Holy Bible have been resourced.

He is a firm believer that God, Jesus and the Holy Spirit, bring to you, and to him, the items and

## Woman In Heaven gives Birth – Second Addition

exactly what they need to hear, when they are ready to hear what the Spirit says to them, via other human beings, or the Church or any other medium that is fit for the purpose in the particular circumstance(s) the person is in.

Let us begin with a dream.....and Daniel providing the interpretation of the Dream. In this book the author has referenced a lot of information, the author has included these references at the bottom of each page and at the back of the book.

However a vast majority of them are electronic links for those that have brought a digital copy, it has been made very easy for you to follow and read by just clicking on the link.

Daniel 2 v 31-36 “What you saw (in his dream), O king, (King Nebuchadnezzar) was a huge statue standing before you, striking in appearance. And terrifying.

The head of the statue was pure gold, the chest and arms were silver, the belly and hips were bronze, the legs were iron, and the feet were an iron-ceramic mixture.

While you were looking at this statue, a stone cut out of a mountain by an invisible hand hit the statue, smashing its iron-ceramic feet.

Then the whole thing fell to pieces—iron, bronze, silver, and gold, smashed to bits. It was like

Woman In Heaven gives Birth – Second Addition

dry summer, blown every which way by the wind, scattered to oblivion. But the stone that hit the statue became a huge mountain, dominating the horizon. This was your dream.

## Picture Prelude 1.0 Statue

37-40 “And now we’ll interpret it for the king. You, O king, are the most powerful king on earth. The God of heaven has given you the works: rule, power, strength, and glory.

He has put you in charge of men and women.

### Woman In Heaven gives Birth – Second Addition

the head ruler, you are the head of gold. But your rule will be taken over by another kingdom, inferior to yours, and that one by a third, a bronze kingdom, but still ruling the whole land, and after that by a fourth kingdom, iron like in strength.

Just as iron smashes things to bits, breaking and pulverizing, it will decimate the previous kingdoms. “The great God has let the king know what will happen in the years to come.

This is an accurate telling of the dream, and the interpretation is also accurate.” 41-43 “But then the feet and toes that ended up as a mixture of ceramic and iron will deteriorate into a mongrel kingdom with some remains of iron in it.

Just as the toes of the feet were part ceramic and part iron, it will end up a mixed bag of the breakable and unbreakable. That kingdom won’t bond, won’t hold together any more than iron and clay hold together. 44-45 “But throughout the history of these kingdoms, the God of heaven will be building a kingdom that will never be destroyed, nor will this kingdom ever fall under the domination of another.

In the end it will crush the other kingdoms and finish them off and come through it all standing strong and eternal. It will be like the stone cut from the mountain by the invisible hand that crushed the iron, the bronze, the ceramic, the silver, and the gold.

Woman In Heaven gives Birth – Second Addition

The picture prelude 1.0 Stature above are self-explanatory really.

1. The First Kingdom was Babylonian or modern Iraq.
2. The Second Kingdom was in modern terms Iran.
3. The third Kingdom was Greek.
4. The fourth Kingdom was Rome.

The Kingdom which still is, is Roman. Except now it has many parts to it, some of the strength of Rome and other parts of clay and therefore will not bond, the clay being Mystery Babylon (London),

The Bank of England being the Harlot and Mother of Harlots and the EU, the European Union. Also the 1<sup>st</sup> and 2<sup>nd</sup> Beast and False Prophet.

An example of this is USA. The United States of America, is not part of the Euro. Although it answers to the EU in law, and during the Economic Crisis of 2007-2009 the USA gave EU Banks hundreds of Billions of US Dollars via AIG. AIG disclosed payments of \$105.3 billion between September and December 2008, and some of the biggest recipients were European banks.

## Woman In Heaven gives Birth – Second Addition

Societe Generale, based in France, was the top foreign recipient at \$11.9 billion, Deutsche Bank of Germany got \$11.8 billion and Barclays, based in England, was paid \$8.5 billion.

As in past times nations did pay rates and taxes to the Kingdoms that ruled over them, the USA gives/pays to European banks and nations.

However the USA does not have the Euro and therefore the scripture is fulfilled in that the Iron “Rome” and clay “Great Britain, EU and USA” are not bonding. The Stone that will smash them all is God’s Kingdom, the Stone is Jesus’ kingdom which is growing all the time. This Jesus is the stone that was rejected by you, the builders, which has become the cornerstone.

## Lion & Head of Gold.

In the first year of the reign of King Belshazzar of Babylon, Daniel had a dream. What he saw as he slept in his bed terrified him—a real nightmare.

Then he wrote out his dream: 2-3 “In my dream that night I saw the four winds of heaven whipping up a great storm on the sea. Four huge animals, each different from the others, ascended out of the sea.

4 “The first animal looked like a lion, but it had the wings of an eagle. While I watched, its wings were pulled off. It was then pulled erect so that it was standing on two feet like a man. Then a human heart was placed in it.

## Picture Prelude 1.0.1 England coat of Arms

Notice above it is not a lion it is a beast made to stand up but was designed or be on all four legs or feet.

King Nebuchadnezzar, elevated himself with pride, so God made him dumb and he ate grass for seven years, i.e. his wings (elevation) were torn off him. After seven years he acknowledged the God of Heaven and humbled himself, and a human heart was placed in him again as it were.

Syria, Pergamum, and Egypt and the general's names were Cassander, Lysimachus, Ptolemy and Seleucus

## Legs of Iron & Ten horns

7 “After that, a fourth animal appeared in my dream. This one was a grisly horror—hideous. It had huge iron teeth. It crunched <sup>14</sup> and swallowed its victims <sup>15</sup>. Anything left over, it trampled into the ground. It was different from the other animals—this one was a real monster. It had ten horns.

## Woman In Heaven gives Birth – Second Addition

When MF Global went bankrupt, 31st October 2011, Mr. Jon Corzine president of MF Global, ex Goldman and Sachs and Governor had brought Greek Bonds and raided clients' money to do it (swallowed its victims whole).

Soon after the collapse he started working for the Obama Administration. Then in March or April 2014 his son was found dead. So far (since....) April 2014 in the last six months many bankers, mostly male, but yesterday on the 24th April 2014, the first female banker apparently committed suicide, this is now around 20 odd people, mostly J P Morgan Associates or directly working for them.

And this just on little part that may have started in 1974 with Rockefeller's private Secretary over the Gold mission in Fort Knox about 60 Billion in 1974 dollars.

Woman In Heaven gives Birth – Second Addition

What the author has previously discussed is just the individuals. He has not gone into corporations and countries! Since he penned that in April 2014 and it is now August 2014 we have had MH 370 which happened within 15 minutes of a prophecy he made to a couple of friends in which he said for the author to be correct a marker must be left, to show he is correct.  
<sup>10</sup>MH370 took off at 11:45 pm on the 8<sup>th</sup> March 2014.

## Woman In Heaven gives Birth – Second Addition

Therefore he know the last seven years before the end of the reign of the beast ends has begun. MH 17 was on the Avengers Movie Captain America “The Winter Soldier” at the end of it, she hands a file to CA and says I have pulled in a few favours from Kiev!

Another planned event. If we take 370 and divide 360 degrees into it we come up with a 0.027272727 number drop the 0.0 standard practice in Astronomy and Astrology and we are left with 27. 27 or 28 houses in the heavens.

8 “As I was staring at the horns and trying to figure out what they meant, another horn sprouted up, a little horn. Three of the original horns were pulled out to make room for it. There were human eyes in this little horn, and a big mouth speaking arrogantly.

## Woman In Heaven gives Birth – Second Addition

This book “Woman in Heaven gives Birth” Second Edition is proving, with mathematical proof, that the Little Horn is the Antichrist. It is little because it will last for a short time and matches with the beast in Book of Revelation.

42 months or 3 and a half years only. The seventh head of the 1<sup>st</sup> beast will be the young Prince William or Harry. The Antichrist will speak arrogantly, you will obey or you will not eat. Incredibly it is already starting to happen in 2013.

See January 2014 News page<sup>11</sup>. Children in the UK - 1 million of them already are not allowed to have School provided lunches if they are not fingerprinted, that is speaking and acting arrogantly “you shall not eat unless we have your fingerprint”. To add to that insult a lot of the fingerprinting was done without parents’ consent!

The people behind the Governments do not care about people or their children. You will obey or you will starve to death seems to be a common theme, i.e. the State of Global Equilibrium. However, those that believe in Jesus will be cared for both naturally and spiritually, even if they are killed in the natural.

21 The human eyes in the little horn the author believes may well be the EU along with United Kingdom (Great Britain) SOCA now called the <sup>12</sup>National Crime Agency because from these two places laws are specifically made for the world made and enforced by the International Court of Justice,<sup>23</sup> including in USA, although USA will deal with each decision that the International Court of Justice rules on a case by case basis. If it is not modern EU and Britain then it dates back to the Jay Treaty.

The modern history of international arbitration is, however, generally recognized as dating from the so called <sup>13</sup>Jay Treaty of On the 19<sup>th</sup> November 1794<sup>24</sup>, between the United States of America and Great Britain.

## Woman In Heaven gives Birth – Second Addition

This Treaty of Amity, Commerce and Navigation provided for the creation of three mixed commissions, composed of American and British nationals in equal numbers, whose task it would be to settle a number of outstanding questions between the two countries which it had not been possible to resolve by negotiation.

Whilst it is true that these mixed commissions were not strictly speaking organs of third-party adjudication, they were intended to function, to some extent, as tribunals.

They reawakened interest in the process of arbitration. Throughout the nineteenth century, the United States and the United Kingdom had recourse to them, as did other States in Europe and the Americas.

The <sup>14</sup>Alabama Claims arbitration in 1872 between the United Kingdom and the United States marked the start of a second, and still more decisive, phase. Under the Treaty of Washington of 1871, the United States and the United Kingdom agreed to submit to arbitration claims by the former for alleged breaches of neutrality by the latter during the American Civil War.

## Woman In Heaven gives Birth – Second Addition

The two countries stated certain rules governing the duties of neutral governments that were to be applied by the tribunal, which they agreed should consist of five members, *(this number 5 is quite important as will be shown later in this book)* to be appointed respectively by the Heads of State of the United States, the United Kingdom, Brazil, Italy (Rome) and Switzerland, the last three States not being parties to the case.

The arbitral tribunal's award ordered the United Kingdom to pay compensation and it was duly complied with; it seems likely to, that a host of computers linked to EU and National Crime Agency and the USA will be able to keep watch - Cloud Computing and Satellites.

If the second eye is not EU then this agreement the Jay's Treaty certainly fits and was prior to the EU, back to where our personal identification information is stored. I think it is more likely that your biometric data will be stored in cloud computing due to its speed. Instead of some large computer in Brussels nicknamed 'The Beast', due to its size.

A little about cloud computing. Why cloud? The banking industry is dependent on ICT (information and communications technology) for its operations and delivering quality customer service. High technology costs for secure systems and underutilised hardware are additional obstacles that banks commonly face

## Woman In Heaven gives Birth – Second Addition

Pay-for-use cloud services can provide banks and other financial institutions opportunities to reduce costs by utilising hardware more efficiently and can give them the ability to scale operations as needed. Over the past few years the Australian Bank, the Commonwealth Bank, has progressively moved to identify and utilise public, hybrid and private cloud solutions.

The <sup>15</sup>Commonwealth Bank has taken a selective approach: it has gone through the process of matching the right cloud service to different information security environments across its business. For example, the Commonwealth Bank stores sensitive information in a private cloud to retain maximum control, but uses public cloud services to access, store and protect non-sensitive information efficiently.

### **Benefits so far**

The use of cloud services by the Commonwealth Bank has:

- Resulted in a halving of data storage costs
- Produced 40 per cent savings in software services that have been migrated to the cloud
- Reduced testing and development costs by 50 per cent. The use of cloud services by the Commonwealth Bank has demonstrated that there are opportunities to realise substantial

benefits in very complex business environments by matching the right service to each need.

On the next page is a table that shows that God is against this organization. What we do is enter the birthdate of the organization, and measure against the backdrop of the “fixed stars” in this case 180 degrees, on a Synodic (Synodic period, the time required for a body within the solar system, such as a Planet, the Moon, or an artificial Earth satellite, to return to the same or approximately the same position relative to the Sun as seen by an observer on the Earth/Sun) and used in this calculation are the planets Mercury and Jupiter.

The reason we will be using Mercury and Jupiter for the most part is that in Roman days the planets Mercury and Jupiter were being worshipped in London. London is where the Antichrist lives. Unless advised we will be using the heliocentric view (as viewed from the Sun).

## Prelude Picture 1.5 Club of Rome

In the book titled “The limits to growth”, a report for the Club of Rome’s project on the predicament of mankind shows a graph of what would potentially happen to the population of the Earth if no limits were introduced to curb the population growth and exhaust resources until the year 2000.

The author quotes, “The most probable result of that decision, as we have tried to show here, will be an uncontrollable decrease in population and capital” end quote.

he will when Jesus returns. Just a few years later China introduced birth control on the 25<sup>th</sup> September 1980.

The policy was created after Chairman <sup>18</sup>Mao launched a campaign to encourage families to have more children, leading to birth rates of over 4 children per family. At the same time, there was a food shortage that resulted in part from Mao's failed economic-planning of the Great Leap Forward, during which 30 million Chinese died of man-made famine.

Prelude Picture 1.5a - A report book cover to The Club of Rome

*Take note of the Logo a modified version will be referenced later in this book.*

Up until that date, the government had

## Woman In Heaven gives Birth – Second Addition

campaigned locally and nationally for voluntary birth control and discouraged excess reproduction. Even though the birth rate had dropped below 3 children per family by 1980, a new regime of Chinese leaders believed that forcibly restricting population growth would lead to greater economic prosperity.

As a result, a coercive policy was born that would impact the most intimate aspect of every Chinese citizen's life - their family. The One-Child Policy restricts the majority of Chinese families to one child each.

The consequences of having a child without a birth permit vary by province; with fines reaching as high as several times the average annual income (7 Years average pay, i.e. if you are poor that is a fortune that may never be paid).

The policy was originally introduced as a temporary measure that would only be in place for 20 to 30 years, but it continues to this day. To enforce the One-Child Policy, the Chinese government uses a quota reward system for Planning Officials who carry out the birth control policies.

If they do not meet these quotas, they are either punished or lose the opportunity to earn promotions. (Plenty incentive to enforce it.) In 1984 the policy was slightly relaxed, with rural families and other demographic groups able to receive permits for a second child. But these new

## Woman In Heaven gives Birth – Second Addition

province, and no longer applied if rural families migrated to urban centres.

The policy continues to be a major concern for parents who are at the mercy of local officials to approve their eligibility for exemptions. The Chinese government boasts that the <sup>19</sup>One-Child Policy has prevented over 400 million births, and announced in March 2013 that over the last four decades, they have aborted 336 million children. They have also performed 196 million surgical sterilizations, and inserted 403 million IUD's (intrauterine devices).

The loss of life and imposition on the rights of mothers is staggering. A growing demographic crisis is emerging in China as the population ages, leaving a smaller workforce to care for a massive number of elderly citizens.

Some call this the "4-2-1" problem because multiple generations have grown up as only-children: now, 1 child is often tasked with caring for 2 parents and 4 grandparents.

Chinese scholars have pointed to the demographic situation as a major concern in calling for the government to change the One-Child Policy.

The policy also draws criticism because of its brutal enforcement — officials meet quotas by compelling pregnant women to undergo abortions,

### Woman In Heaven gives Birth – Second Addition

often under threat of job loss, colossal fines, and even personal harm. Women who still refuse such coerced abortions have been arrested and restrained for forced abortions. End quote.

China's problems are more or less exactly what the report to the Club of Rome showed and explained. The humans have a problem limited resources and an expedient growth in population.

The Club of Rome and other heads of organizations revealed in this book "Woman in Heaven gives Birth", need to, in their minds and ways of thinking, reduce the population on the earth and only have enough humans alive in an equal balance of birth and death rates to maintain the state of Global Equilibrium.

As the example above in China for the last 34 years a lot of hurt and pain is caused physically, mentally and socially and on the descendants financially.

The interesting thing to a Christian is that "mankind" is trying to fix a problem that God already had worked out before He created the Earth and all its population of every part and living thing of His creation including humans.

As the quote above states loss of life and imposition on the rights of mothers is staggering and that is just the mothers!

You will now be shown that 44 years and six days is almost 180 degrees using the sidereal cycle of Saturn.

180 degrees is a strong point in Time and Space - "SPACETIME", and 180 degrees shows it is in opposition. In Roman mythology, the Planet Saturn is the god of agriculture. "Resources" (Club of Rome). The associated Greek god, Cronus, was the son of Uranus and Gaia and the father of Zeus (Jupiter).

Woman In Heaven gives Birth – Second Addition

The sum of the divisors is 360. (360 Degrees)  
Number 267 is a deficient number and therefore is not a perfect number.

God is really saying that this “thing” being born on the weekend of the 23-24th September 2017 at 267 Longitude from the birth of the Club of Rome is deficient.

The mythology and cycle of 180 degrees in opposition in Time and Space shows that the adaptive model of the Global World system/ Order (New World Order) is against what God would want. It is not only what God does not want; it is also moving in the opposite direction.

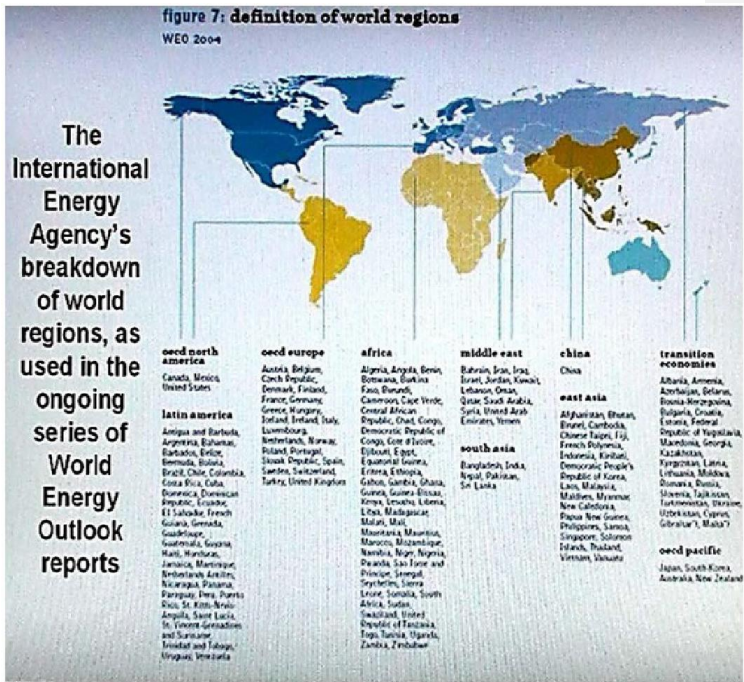

This will be proven as we proceed in the study of Revelation 12 and other scriptures that relate in some way to the Birth mentioned in Revelation 12.

**A Depiction of the Tower of Babel by Pieter Brueghel 1563**

God mixed the Tongues (languages) of the people up when they went to build a tower, to reach unto God. They exalted themselves, and they were full of pride so God gave the people of earth many languages to speak instead of one common language.

Genesis 35 v 1 Now, the whole world had one language and a common speech.

2 As people moved eastward, they found a plain in Shinar and settled there.

3 They said to each other, "Come, let's make bricks and bake them thoroughly." They used brick instead of stone, and tar for mortar.

Woman In Heaven gives Birth – Second Addition

4 Then they said, “Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves; otherwise we will be scattered over the face of the whole earth.”

5 But the Lord came down to see the city and the tower the people were building.

6 The Lord said, “If as one people speaking the same language they have begun to do this, then nothing they plan to do will be impossible for them.

7 Come, let us go down and confuse their language so they will not understand each other.”

8 So the Lord scattered them from there over all the earth, and they stopped building the city.

9 That is why it was called Babel — because there the Lord confused the language of the whole world. From there the Lord scattered them over the face of the whole earth.

Now bring that to the 20<sup>th</sup> and the 21<sup>st</sup> Century.

Christians who think the hexagram is a Star of David are or maybe unfortunately mistaken because as you will see it is also used by the Freemason's witches and Satanists.

Having said that we see that the pentagram, a 5 pointed star, is quite often used in relation to the Devil, Freemasonry and the Illuminati. It, however, is very useful in the timing and calculations of history and the future. The author is not concerned with the pentagram in using it this way; he is only interested in the numbers and mechanical use of the pentagram.

Yes, they are on President Lincoln's Greenback!  
He had to borrow money from the Europeans to win the Civil War.

In doing so the Greenback gained in value and the Confederates Greenback become worthless.

It was also the true reason for the Civil War. Lincoln had these printed and used as exchange for services. When the Europeans at the time (before the civil war) asked him why the USA was doing so well, i.e. prospering, he told them about the greenback. The French were placed on the Canadian border and the Red Coats, or English, on the southern border; whoever borrowed first won the war.

Lincoln realising he needed more arms and canon's to win the war had to borrow more money;

he won the war. However, he was going to stop the establishment of the new Federal Reserve and so was terminated for it.

There are many other aspects to the American Civil war; this, however, I believe was the true reason - who had control of the currency.

## **<sup>20</sup>Civil War**

Confederate Currency: Financing the Confederacy Between 1861 and 1865, the Confederacy issued currency to millions of Southerners, gambling that a Confederate victory would ensure the currency was redeemable.

To devalue the Confederate Currency, some Northerners printed Confederate money and circulated it in the South.

These factors led to one of the greatest inflationary periods in America, particularly in the South. By the war's end, Confederate notes were worthless, and many people bartered or used black market Union issues as a medium of exchange.

Every text, every email, every phone call can now be recorded via the computer in Brussels; but more probable is cloud storage, numbering the whole of mankind with a 6 by 6 by 6 numeric number brings the identification all together.

How? Put simply because you pay your phone and internet bills, and those that don't have them will soon be marked with the mark of the beast 666 assuming it is a printed mark on the skin or a microchip.

Of course, the mark of the beast maybe a spiritual mark; the author has heard a lot of discussion on this. However YouTube videos show whole companies (as at February 2015) of their employees having the microchip in their hand and it leaves a mark.

Arrogant don't you think? A little bit of history re school dinners (lunches) in the UK.

Around the year 1900 there was a lot of concern about the physical state of the people of Britain. Even though there had been tremendous efforts in the late 19th century to provide better public health, housing and education, many children were still no healthier than they had been back in the 1840s.

Woman In Heaven gives Birth – Second Addition

The new Liberal government elected in 1906 passed various measures to try to deal with this problem. They were particularly concerned to try to improve the health of children.

## Woman In Heaven gives Birth – Second Addition

They passed laws to ensure midwives were notified of each new-born baby, they introduced School Medical Examinations and, in 1906, they gave permission for schools to offer meals to their pupils.

Just to be sure we get this right, in 1906 laws were passed so that meals could be provide to pupils to help them have better health. In 2013 in this better educated and advance world, compared to 1906, if you or your child do not wish to provide their biometric data your child goes hungry!

On top of that they are not allowed to borrow books from the school libraries and thereby forcibly limiting their education; a contradiction to one of the reasons schools were created.

In some people's thinking this is a fair example of speaking arrogantly.

Also of note is the Triangle, it is using the hypotenuse of the triangle that the author is able to target turning points on the financial markets with an accuracy of 99.++++ to 100% correct; yes, the author measures it to the fourth decimal point; something he has not seen any broker or advisor do.

He discovered that and put it into his book titled "No:1 Market Top Secret" and compact version and the third version of the series titled

## Introduction

Woman in Heaven gives Birth at 7:36 am on #09/23-24/2017 or #23-24/09/2017 is an in depth study of the Book of Revelation - Chapter 12. In this study, we use History, High-level Cycle Analysis, Numerology, Biblical Astrology, Astronomy and Bible Numerics, a little bit of mythology as well, as you have seen in the Prelude.

The reason we use some Astrology and Numerology is that Astrology and Numerology is Numbers and God said everything is Numbers. We DO NOT, however, use Soothsayers; Astrology; this type of Astrology and seeking advice from the dead is completely against what God wants.

We look into the future, which is less than 3 years away. In verse one it says a sign will be in the heavens; looking up at the stars in the heavens and matching the verses with the cycles we discover that they align and become fulfilled on the 23<sup>rd</sup> of September 2017 & at 7:36 am Israel time

It is a weekend so it does not matter from a legal point of view, generally speaking, as the banks do not open until the Monday anyway.

Therefore legal changes will financially take effect at 12:00:01 am on Monday the 25<sup>th</sup> September 2017. This weekend will, the writer believes, commence the second half of Daniel's Week in prophecy. However the totality of that prophecy is outside of the scope of this book.

At 7:36 am on the 23rd of September 2017 Jerusalem time which is 7 for Finality and 36 is  $(6+6+6) + (6+6+6) = 18 + 18 = 36$  minutes.

Time is up or very fast approaching! The Moon being under Virgo's feet and it is moving at 13 degrees and 20 minutes per day. It is a fast mover and due to such all the planets have to be in place.

As v1 says in the Amplified Bible there will be the sign of ominous events that are about to take place thereafter. Therefore this day is both a warning to be prepared and realisation because time is so much closer to the Lord's return.

It will certainly be celebration in Heaven as Satan is cast out with all his angels they are thrown down to Earth.....

We start with various translations of Chapter 12 of Revelation and move on into the analysis of cycles, bible numerics or more correctly Bible

control whatever takes place. Life is funny is it not? 32 years ago when the author first read verses one and two of Chapter 12, he never thought to look up!

Perhaps he could have worked it out back then if he had wanted to, and so too could anyone else with the patience to do the work and study.

Now with less than 3 years to go and able to work it out in minutes thanks to the technology of today, one wonders what to do. Would he have lived his life differently if he had known it was only 35 plus years to the ominous signs in the Heavens?

Now he wonders what is the point, which we also look at, because at or near the end of 1260 days, after the 23 September 2017, the war in the Middle East will, or may, climax being Armageddon - possibly around February / March 2021, this is easy part to work out but to be precise it must be calculated by degrees in Time and Space and not on or in a calendar that man can change.

The Cycle Analysis in this book is of a high level, if one works in the Financial or Business markets the cycle analysis in this book will show you how and why cycles change.

Helping you to make profits and minimize losses if you trade on the financial markets. The best part of this book, in the author's opinion, is the confirmation that God is in control and this

We can rest assured that in him we are safe no matter what may come because he has seen the end and planned it all before he spoke all this into being.

## Chapter One - Bible Translations.

Various Translations of Chapter 12. It is necessary to go through a few translations of the Holy Bible, to obtain more insight to what God is saying and forewarning.

The author has put comments in Italics and brackets to match points of discussions, either in the prelude or further on in this book. This has been done for any readers not familiar with the prophecies.

### Message English Bible

A great Sign appeared in Heaven: a Woman dressed all in sunlight, standing on the moon, and crowned with Twelve Stars. She was giving birth to a Child and cried out in the pain of childbirth.

3-4 And then another Sign alongside the first: a huge and fiery Dragon! It had seven heads and ten horns, a crown on each of the seven heads. With one flick of its tail it knocked a third of the Stars from the sky and dumped them on earth. The Dragon crouched before the Woman in childbirth, poised to eat up the Child when it came.

5-6 The Woman gave birth to a Son who will shepherd all nations with an iron rod (*kingdom of iron and clay*). Her Son was seized and placed

The Woman herself escaped to the desert to a place of safety prepared by God, all comforts provided her for 1,260 days.

7-12 War broke out in Heaven. Michael and his Angels fought the Dragon. The Dragon and his Angels fought back, but were no match for Michael. They were cleared out of Heaven, not a sign of them left.

The great Dragon-ancient Serpent, the one called Devil and Satan, the one who led the whole earth astray - thrown out, and all his Angels thrown out with him, thrown down to earth.

Then I heard a strong voice out of Heaven saying, Salvation and power are established! Kingdom of our God, authority of his Messiah!

The Accuser of our brothers and sisters thrown out, who accused them day and night before God.

They defeated him through the blood of the Lamb and the bold word of their witness. They weren't in love with themselves; they were willing to die for Christ.

So rejoice, O Heavens, and all who live there, but doom to earth and sea, For the Devil's come down on you with both feet; he's had a great fall.

He's wild and raging with anger; he hasn't much time, and he knows it.

### Woman In Heaven gives Birth – Second Addition

13-17 When the Dragon saw he'd been thrown to earth, he went after the Woman who had given birth to the Man-Child. The Woman was given wings of a great eagle to fly to a place in the desert to be kept in safety and comfort for a time and times and half a time, safe and sound from the Serpent.

The Serpent vomited a river of water to swamp and drown her, but earth came to her help, swallowing the water the Dragon spewed from its mouth.

Helpless with rage, the Dragon raged at the Woman, then went off to make war with the rest of her children, the children who keep God's commands and hold firm to the witness of Jesus.

2 was in labour, crying out in pain and labour.

3 large crocodile suddenly appeared fiery red colour, having seven heads, ten horns and seven heads crowns.

4 alligator tail dragged a third of the stars of heaven and threw them to the ground. He stood before the woman giving birth, ready to devour the baby immediately after birth.

5 woman girl boy with a strong hand designed to control all nations. Immediately taken to the son of God and the throne (Judged, this scripture is also incredibly important and will be shown later and shown with Astronomy [Time and Space]).

6 and the woman fled into the wilderness, where God had prepared a place of safety and economics for 1260 days.

7 Then war broke out in heaven, Michael and his angels fought against the dragon and his angels bad.

8 dragon and his angels were defeated in battle and expelled from the sky.

9 crocodile terrible - old serpent, called the Devil and Satan, and misleading the whole world - was thrown down with his angels.

4 And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.

5 And she brought forth a man child (*Antichrist will be a male and backed up by laws and armed forces*) who was to rule all nations with a rod of iron: (no mercy) and her child was caught up unto God, and to his throne. (Judged).

6 And the woman fled into the wilderness, (*God will provide for the saints*) where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days.

(Amount of time that the Antichrist will have Authority)

7 And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,

8 And prevailed not; neither was their place found any more in heaven.

9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

12 Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! For the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time (*“that’s why he is angry – no more access to God and people of the Earth now know that the Bible is True – How the 1/3 stars are no longer in the night sky”*).

13 And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child (666). (Woman here being people on Earth)

14 And to the woman were given two wings of a great eagle that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.

15 And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood. *(When He lands it's going to be a big splash!)*

16 And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth.

17 And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.  
*(Christians will be under a lot of pressure and stress indeed.)*

## Amplified Bible

And a great sign (wonder) - [warning of future events of ominous significance] appeared in heaven: a woman clothed with the sun, with the moon under her feet, and with a crown like garland (tiara) of twelve stars on her head.

2 She was pregnant and she cried out in her birth pangs, in the anguish of her delivery *(lots of world crises)*.

Woman In Heaven gives Birth – Second Addition

3 Then another ominous sign (wonder) was seen in heaven: Behold, a huge, fiery-red dragon, with seven heads and ten horns, and seven kingly crowns (diadems) upon his heads.

Woman In Heaven gives Birth – Second Addition

4 His tail swept [across the sky] and dragged down a third of the stars and flung them to the earth. And the dragon stationed himself in front of the woman who was about to be delivered, so that he might devour her child as soon as she brought it forth.

5 And she brought forth a male Child, One Who is destined to shepherd (rule) all the nations with an iron staff, and her Child was caught up to God and to His throne.

6 And the woman [herself] fled into the desert (wilderness), where she has a retreat prepared [for her] by God, in which she is to be fed (*very important*) and kept safe for 1,260 days (42 months; three and one-half years).

7 Then war broke out in heaven; Michael and his angels went forth to battle with the dragon, and the dragon and his angels fought.

8 But they were defeated, and there was no room found for them in heaven any longer.

9 And the huge dragon was cast down and out—that age-old serpent, who is called the Devil and Satan, he who is the seducer (deceiver) of all humanity the world over; he was forced out and down to the earth, and his angels were flung out along with him.

Woman In Heaven gives Birth – Second Addition

Then I heard a strong (loud) voice in heaven, saying, Now it has come - the salvation and the power and the kingdom (the dominion, the reign) of our God, and the power (the sovereignty, the authority) of His Christ (the Messiah); for the accuser of our brethren, he who keeps bringing before our God charges against them day and night, has been cast out!

\*\*And they have overcome (conquered) him by means of the blood of the Lamb

(this is also incredibly important and proves right here that the baby “man child that is born on the 23-September 2017 is not Jesus, nevertheless this will be proven later in the Cycle Analysis) and by the utterance of their testimony, for they did not love and cling to life even when faced with death [holding their lives cheap till they had to die for their witnessing].

12 Therefore be glad (exult), O heavens and you that dwell in them! But woe to you, O earth and sea, for the devil has come down to you in fierce anger (fury), because he knows that he has [only] a short time [left]!

13 And when the dragon saw that he was cast down to the earth, he went in pursuit of the woman who had given birth to the male Child.

## Woman In Heaven gives Birth – Second Addition

14 But the woman was supplied with the two wings of a giant eagle, so that she might fly from the presence of the serpent into the desert (wilderness), to the retreat where she is to be kept safe and fed for a time, and times, and half a time (three and one-half years, or 1,260 days).

15 Then out of his mouth the serpent spouted forth water like a flood after the woman that she might be carried off with the torrent.

16 But the earth came to the rescue of the woman, and the ground opened its mouth and swallowed up the stream of water which the dragon had spouted from his mouth.

17 So then the dragon was furious (enraged) at the woman, and he went away to wage war on the remainder of her descendants - [on those] who obey God's commandments and who have the testimony of Jesus Christ [and adhere to it and bear witness to Him].

## New Jerusalem Bible

The New Jerusalem Bible says it this way

Rev 12:4

4 Its tail swept a third of the stars from the sky and hurled them to the ground, and the dragon **stopped** in front of the woman as she was at the

Woman In Heaven gives Birth – Second Addition

point of giving birth, so that it could eat the child as soon as it was born.

The Dragon Stopped in front of the Woman or in front of Jupiter “trying to swallow it”. *(Yes on the weekend of 23-24th September 2017 Satan the RED DRAGON physical body will be in OUR SOLAR SYSTEM!)*

5 And she brought forth a man child, *(Prince Harry)* who was to rule all nations with a rod of iron: (you will take the mark of the beast or be killed) and her child was caught up unto God, and to his throne. Judgement i.e. the 12 Stars = 12 Judgements.

*Double event here one on earth and one in Heaven. Man child on Earth is HRH Prince Harry the eighth Head of the Seven headed beast which means He is the second child of HRH Prince Charles, so he is not a Head (that is HRH Prince William – First Born) but HRH Prince Harry is of the same family in this case second born).*

*Second Event due to 1/3 of the stars now being one Earth with Satan in Physical bodies not Heavenly or Spirit only body's there is no need for Jupiter any more – Probably as there is less gravity and energy up there and Jupiter has done its job (see above and further below).*

The book of Enoch says that the luminaries in space the second Heaven that do the wrong thing are subject to 10,000 years' punishment. The planets Stars and Asteroids comets are alive and they have a voice and they can do the right thing and the wrong thing!

This is stated in Chapter 21 v 1-6

1. Then I proceeded to where things were chaotic and void.
2. And I saw there something horrible: I saw neither a heaven above nor a firmly founded earth, but a place chaotic and horrible.
3. And there I saw heaven stars of heaven bound together in it, like great mountains and burning with fire
4. Then I said: "For what sin are they bound, and on why have they been cast in here?"
5. Then said Uriel, one of the holy angels, who was with me, and was chief over them: 'Enoch, why do you ask and why are you eager for the truth?
6. These are some of the stars of heaven, which have transgressed the commandment of the Lord, and are bound here until ten thousand (10,000) years, the time entailed by their sins, are consummated.'

Note this is not where Jupiter goes! Jupiter goes to Heaven. Why? Because Jupiter has obeyed the command of the lord.

There is a lot going on with Jupiter and a lot of things hitting it trying, if you will, to shift it off course so that Satan, the Red Dragon, can consume it, but as the Bible says he will miss. And in Genesis 2v15 the “it” the bible mentions is Jupiter (I Believe) Hitting Satan on the Head...

## Chapter Two - History of Constellations Zodiacs

History of Constellation Charts Summaries taken from Wikipedia - the free Encyclopaedia. The current list of 88 constellations recognised by the International Astronomical Union since 1922 is based on those listed by Ptolemy, more than half of them are predominantly seen in the southern hemisphere and they were not known in antiquity. Chinese astronomers had their own traditional star groupings.

Greek astronomy was built on Mesopotamian foundations. They defined the Zodiac and at least another 18 constellations taken over or adapted by the Greeks: The earliest direct evidence for the constellations comes from inscribed stones and clay writing tablets dug up in Mesopotamia (within modern Iraq)...

It appears that the bulk of the Mesopotamian constellations were created within a relatively short interval from around 1300 to 1000 B.C.

The Mesopotamian groupings turn up in many of the classical Greek constellations. The stars of the Greek Capricorn and Gemini, for example, were known to the Assyrians by similar names - the

## Woman In Heaven gives Birth – Second Addition

A total of 20 constellations are straight copies. Another 10 have the same stars but different names. The Assyrian Hired Man and the Swallow, for instance, were renamed Aries and Pisces. The Sumerian constellations were inherited by Babylonian astronomy.

There are various Babylonian star catalogues or lists of stars, notably the MUL.APIN a text dating to the Late Bronze Age, ca. 14<sup>th</sup> to 12<sup>th</sup> century BC. In more recent times, Ptolemy's list has been added to in order to fill gaps between Ptolemy's patterns. Most of the northern sky was filled in by Petrus Plancius and Johannes Hevelius.

The constellations around the South Pole were not observable by the Greeks. Twelve were observed by Dutch navigators Pieter Dirkszoon Keyser and Frederick de Houtman at the end of sixteenth century and depicted by Johann Bayer in his star atlas Uranometria of 1603.

Several more were created by Nicolas Louis de Lacaille in his star catalogue, published in 1756. Other proposed constellations didn't make the cut, most notably Quadrans (now part of between Bootes and Draco) for which the Quadrated meteors are named.

Also the ancient constellation Argo Navis was so big that it was broken up into several different constellations, for the convenience of stellar cartographers.

## Arabic

The Book of Fixed Stars <sup>24</sup>(in Arabic\_ .....  
\_/\_kitabsuwar al kawakib/\_ ) is an astronomical text written by Abd al-Rahman Al-Sufi (Azophi) around 964. The book was written in Arabic, although the author himself was Persian.

It was an attempt to create a synthesis of the most popular classical work of astronomy - <sup>25</sup>Ptolemy's Almagest—with the indigenous Arabic tradition, or Anwa.

The book was thoroughly illustrated along with observations and descriptions of the stars, their positions, their magnitudes (brightness) and their colour. His results were set out constellation by constellation. For each constellation, he provided two drawings, one from the outside of a celestial globe, and the other from the inside. The work was highly influential and survives in numerous manuscripts and translations: The oldest manuscript, kept in the Bodleian Library, dates to 1009 and is the work of the author's son.

Moon is under her feet (Virgo's feet) in Scorpio in the Natal Chart. Sun is Clothing or bathing the woman (Virgo) in sunshine just above her left shoulder.

(Natal chart) Venus, Mars and Mercury are between 150 degrees and 180 degrees Virgo, and are in Leo, JUPITER is in Virgo, JUPITER is between her (Virgo's) Legs (she is giving birth to Jupiter, as it were). 9 other stars in Leo (making up a total of 12 stars) 9 Stars + Mercury, Venus and Mars equals 12 Stars which matches Revelation 12 verses 1 and 2.

Take note that every major Planet, Asteroid belt and Moon and Star and Earth are in some mathematical alignment, it would seem that every negative astrological “energy” God is squaring that energy out with a positive astrological “energy”.

### **Other**

The star called Spica in the Western Constellation Chart is called the Undefended One in the Arabic Chart and is in the woman's hand.

In Virgo's hand is an ear of grain/wheat she is holding within which is the star Spica resides. Therefore both the Arabic and Western Constellations charts match incredibly well with the first two verses of Revelation Chapter Twelve

"And a great sign (wonder) - [warning of future events of ominous significance] appeared in heaven: a woman clothed with the sun (sun is in her tiara), with the moon under her feet (which it is), and with a crown like garland (tiara) of twelve stars on her head (which are Leo).

2 She was pregnant and she cried out in her birth pangs, in the anguish of her delivery." AMP (giving birth to Jupiter).

The Sign in the Night Sky (Heavens) match up perfectly with Revelation 12 v 1 and 2. However, there is much more in this alignment than first meets the eye. For the faith filled person that maybe that's all one wants to know.

For the person who wants to know more, we will show and demonstrate that there is much more meaning to this great wonder in the night sky/ Heavens and the events to follow thereafter.

There are many Scriptures that could have been added here; instead the author has tried to take a more "scientific approach" and use cycle analysis Astronomy and God's Biblical Astrology along with other sciences to prove beyond reasonable doubt that Revelation 12 will be fulfilled on the weekend of 23-24th September 2017.

We move on with the displacement factor in Chapter Four. Instead of Scripture, upon Scripture, upon Scripture, so many learned

mathematics of cycle analysis. Along with that comes times and dates.

This would seem only logical and it is; however, to Pastors or Ministers this is very dangerous to their protected view over their congregation.

If the author is wrong, as many in the past have been, this could spell trouble and huge parts of congregations leaving the church.

However, they fail to see that the author is using mathematics to prove this correct and numbers do not lie! Most pastors like Scripture, upon Scripture, upon Scripture, which ends in simple down and out confusion. They call this being truth backing up a scripture with more true scriptures, truth, because the scriptures are Truth. However, for the learned confusion reigns in these books.

Confusion does not reign in this book for that very reason; the great sign is backed up with the mathematics of the Solar System, which only God can change.

If the author is wrong it is because the mathematics of the computer programs that have been used are incorrect. These programs are: Stellium which is free from Stellium.org Cycle Trader from cycle-trader.com Market Analyst

## Chapter Four - Displacement Factor.

The points (corners) of the <sup>27</sup>Great Pyramid of Giza does not square up with True North and South of the compass. One would expect them to do so seeing the whole structure is so accurate on all of its other measurements. In fact, the Great Pyramid is off its true alignments of the North South East and West points of the compass by 2° and 28 minutes. (2 degrees and 28 Minutes). The author first read this in Alan Oliver's book Titled "Trading with the Gods." In his book he says that in 1798 Napoleon was predisposed to conquer Europe and his main adversary in this was England. Napoleon and his navy were outclassed by the English navy fleet. Desperate for victory he was open to any suggestion that might further his cause.

Alan goes on to say that Napoleon decided to send his Military, Architects, Surveyors, Engineers, Artists, Mathematicians Astronomers and other learned scholars and individuals to Egypt.

His plan was to attempt to reduce the power of his main adversary by using the secret that he would

find left behind by a highly intelligent lost civilization.

For three years his team had unparalleled and unrestricted access to all the great monuments of Egypt. The work was bound into twenty volumes and published between 1809 and 1828. End quote

Picture 4.0a Book Cover below

Alan states that he found many numbers related

studies. In particular of note for this book is the number 228. This is a very important point. We

## Woman In Heaven gives Birth – Second Addition

also know that the earth, over time, has tilted at 22.8 Degrees. Actually the tilt moves from 22.1 to 24.5 degrees over time.

What is so often the case is one just needs to delete the decimal place out of the figure to see the similarities in the numbers one is looking for, or double or half the number. In this example, The Pyramid is out of square with the compass points of north east south and west by 2 degrees and 28 minutes.<sup>34</sup> by moving the decimal point one space to the right you have 22.8 degrees which within the range of the tilt on the Earth axis. By removing the decimal point completely it becomes 228.

A number the author has come up with trading the Sydney Futures Market (SPI and XJO) as well as a lot among other numbers seen in the Bible. The author is not the only one who has seen this. Alan Oliver also mentions this in his book. An old age question is answered in the next chapter. Also 2.29 is the Height of the ascending passage.

Another confirmation that 2.28 - 2.29 is a measurement of significance. The term for Axis tilt to Astronomers is "Obliquity" which according to the <sup>28</sup>Collins dictionary is in the terms of planetary science a deviation from the perpendicular or horizontal. For example

## Woman In Heaven gives Birth – Second Addition

Earth's current tilt or obliquity is approximately 23.45 degrees. The eleventh Moon of Neptune by the name of <sup>29</sup>Sao has an interesting fact and that is that its semi-major Axis is 22,228,000 Kilometres.

The Semi-Major or Minor Axis is the longest in diameter. A line (line segment) that runs through the centre and both foci, of an ellipse

The ellipse can be useful in the financial markets in Technical Analysis. The author will not address this here; however, a simple but effective website for reference and working model for you to play with or use is

The perimeter of an ellipse is not that easy to work out and nor is the incline. One can calculate it much earlier if they wish.

Although the author does not bother to measure the financial markets by the stars, due to discovering an easier way to measure targets on financial markets which is market triangulation.

As just shown there is another example of the number 228 magnified this time by the three zero's. Number 228 is a composite number. Factors of 228 are  $2 * 2 * 3 * 19$ . Number 228 has 12 divisors: 1, 2, 3, 4, 6, 12, 19, 38, 57, 76, 114, and 228.

Sum of the divisors is 560. Number 228 is not a Fibonacci number. Number 228 is an abundant number and therefore is not a perfect number. Square of the number 228 is 51984. (52 if you insert a decimal point between the 1 and the 9 and round up you have). (52 Weeks). Or 52 years or 520 years

### **Earth and the number 228**

Let's have a look closer to home if we divide 228 by 2 ( $228/2 = 114$ ).

Is 114 special in relation to Earth? In the argument of perihelion we see the number: 114.20783°

## Woman In Heaven gives Birth – Second Addition

The argument of Perihelion is the orientation of an elliptical orbit can be specified by three orbital elements: the inclination, the ascending node and the argument of perihelion and is best referenced here.

<http://astronomy.swin.edu.au/cosmos/A/Argument+Of+Perihelion>

The Pyramid has so many qualities that are very relative to earth one wonders if they have all been found as yet.

### **<sup>30</sup>Saturn and 114**

Longitude of ascending node:  $113.642811^\circ$   
Argument of perihelion:  $336.013862^\circ$

It should be noted also that the number 228 is in the second square of 12. 12 times 12 is 144 2<sup>nd</sup> square of 12 is 288 in which 228 resides.

As you can see now the Lord God, or some prefer to call nature, uses the same numbers, multiplication or division of the number that is in focus over and over again.

This is reasonable because it obviously makes work easier. Also the Displacement factor gives this effect on the Circle and therefore cycles, believed by the author, which is shown on the next page in Drawing

## Woman In Heaven gives Birth – Second Addition

### 4.1 Displacement Factor effect.

Another interesting point is that there are many pyramids around the world. They were apparently used for power generation. However The Great Pyramid may never had been used for this for one simple reason, the capping stone was never placed on it.

“In that day shall there be an altar to the LORD in the midst of the land of Egypt, and a pillar at the border thereof to the LORD. Isaiah 19:9 “AND”

The stone which the builders refused is become the headstone of the corner.

The builders of this power plant rejected the capping stone and then left the building rejected. Why would they leave a massive building that presumably took years to build, and of a massive engineering feat be left alone?

Simple really due to the capping stone not fitting, it showed them that the whole structure was out of balance, and out of balance means no electricity could be generated or the structure would vibrate incorrectly and self-destruct.

Because it was not perfect it had to be rejected, and so it was. Yet it was perfect in that it showed us so many things about the Lord and his Earth and His creation.

## Woman In Heaven gives Birth – Second Addition

It, to the author, also means you need to rely on Jesus and the Godhead for power, spiritual power, to overcome opposition. Therefore, they rejected the capping stone. We rejected Jesus and He has become the Head stone of the corner. The cornerstone without him nothing can be achieved.

## Chapter Five - Time of Birth

To calculate the time of birth one must know what planets to use and on what cycle. By looking at the chart, because the author reads charts a lot, he thought the time of birth would be about 7:00 am.

### Chart 5.0

7:30 am was his best guess; of course he had no

Woman In Heaven gives Birth – Second Addition

system he should use in cycle analysis, apart from the planet Jupiter.

When he was researching for his book “London Harlot 666”<sup>31</sup> and researching the Bank of England, he found out that the Roman Temple of Mithras in London was burnt down in the Great Fire of London of 1666.

They worshipped Mercury in that temple, and then the author found out there was a Jupiter Temple in London and he knew he was on the right track.

A little about the Bank of England, The Harlot of Revelation!

<sup>32</sup>The Bank of England was originally built on top of the Temple of Mithras. The bank commenced on the 27<sup>th</sup> July 1694.

Therefore, cycle Analysis should indicate the time of Birth seeing that God is against Mystery Babylon London the Great and the Harlot - the Bank of England.

Below is the analysis commencing at 0 Greenwich Mean Time, using the Synodic angle of 360 degrees plus 180 degrees plus 21 minutes, which is net 180 degrees and a few minutes.

Using Planets Jupiter and Mercury, on Heliocentric as viewed from the Sun. Because we are taking the measurement from London, we need to remember Jerusalem is 2 hours behind London. Therefore, what is 9:36 am in London it is 7:36 am in Jerusalem.

There you are, Birth of Jupiter aka, the microchip will be 7:36 am Jerusalem time on the 23/09/2017.

## Woman In Heaven gives Birth – Second Addition

Why 7:36 am and why on a weekend?

Well for a few reasons really. Bible Numerics/ Numerology is one of them and there are other practical reasons.

First Bible Numerics.7 is final, as in 7 days a week.

36 is  $18+18$  or  $(6+6+6)+(6+6+6)$

Saturday is also the Sabbath Day, in Jewish terms.

Therefore, if one is against God, then do it on a Sabbath. In Astrology Saturday is Saturn's day, Hence why God has the Sabbath on a Saturday. It's not a good Idea to work on Satan's day.

### **Practical reasons**

1. New York Stock exchanges close at 6:00 am on Saturday mornings. Therefore, transactions will be low.
2. The banks and Central Banks worldwide will be closed.
3. Due to banks being closed it is the best time to do a massive upgrade from countries' currencies as they are now to that of the image of the Beast. Believed to be the Phoenix Polish Zloty currency and the mark of the beast.
4. The 25th of September 2017. Midnight on

## Chapter Six - How Cycles Change

This is now an age-old question; the author certainly would have liked to figure this out. However, he reviewed the books from Bradley Cowan and it is to him credit must be given for simply explaining how cycles change.

The vast majority, over 99% of the Brokers, Lawyers, Accountants, Insurance Agents, Financial Planners, Financial Advisers, Finance Advisers, Economists, Market Analysts, do not know YET they provide <sup>33</sup>"financial advice" in one form or another and the author was certainly one of them in the past.

That is why clients lose money consistently and why so many Christians lose their life savings when trusting their advisor with their money over time.

The planets do not go round the Sun in circles, with the exception of Mercury which is almost a perfect circle and therefore still a cycle; however the cycles will change.

## Woman In Heaven gives Birth – Second Addition

All the other planets of our Solar System cycles are an elliptical pattern. Also they speed up and slow down. At certain points in their cycles they even appear to be going backwards which is called retrograde.

With the outer planets like Uranus and Neptune taking over a human's life span to orbit the Sun, it becomes harder to see the major cycles that are taking effect on the Earth. For example, let's look at the "Impossible Weather Patterns" or are they?

On 11<sup>th</sup> March 1974, the author embarked on a ship to Australia from <sup>34</sup>South Hampton in England. He and his family were due to disembark in Brisbane, Queensland, Australia.

However, they could not disembark in Brisbane due to the massive Floods at that time. We disembarked in Sydney on 11<sup>th</sup> April 1974, and stayed there six months and then, unbelievably, went to the small city of Whyalla in South Australia.

On the 24<sup>th</sup> December 1974 Cyclone Tracy hit and flattened Darwin in the Northern Territory. The author remembers people in January 1975 driving down from Darwin to "escape" the devastation.

## Woman In Heaven gives Birth – Second Addition

They had to pay exorbitant petrol prices at <sup>35</sup>Pimba (near the USA's) base at Woomera, outback South Australia.

Pimba is approximately a little more than half way from Coober Pedy and Port Augusta. A distance of some 540 kilometres of arid land with not much in between and therefore one had to fill up the car or be stranded.

With temperatures reaching 52° Centigrade in the shade it is wise to fill up; sometimes people would not and the author would give them a lift.

Move on to the year 2011 when there were floods in Brisbane (January/ February) - the worst since 1974; then on 26<sup>th</sup> December 2011, there was a cyclone 200 kilometres from Darwin in the Sea.

When the author heard there was a cyclone off the coast of Darwin, he realised that the weather pattern for the whole of 2011 was very close for the whole year to 1974. He then decided to do a few minutes research using the Market Analyst Software.

In the study of W.D. Gann methodologies he points out that everything is squared out and in balance and he also points out certain areas of support and resistance in Time and Space; for example, 90 degrees is a strong point in Time and Space.

## Woman In Heaven gives Birth – Second Addition

Knowing that the Lord squares all things out as per <sup>36</sup>W.D.Gann studies. He makes all things right; the author knew that one, or some of the planets, must be 90 degrees from where it was in 1974.

Here's what the author found in the charts 1974 vs 2011. Table 5.0 Position of Planets on the next page. Now, in 1974 the cyclone struck on Christmas Eve, the evening of 24<sup>th</sup> December. The cyclone in 2011 was on Boxing Day, 26<sup>th</sup> December 2011.

## Woman In Heaven gives Birth – Second Addition

Notice Pluto is almost at 90 Degrees. A corner of a Square and a circle is 90 Degrees. Only 2.1 degrees out. 1974 - 2011 is 37 years yet Pluto takes 248 years to orbit the Sun!

This means Pluto was in a very fast part of its orbit. Another point to notice also is that the displacement factor on the Great Pyramid 2.28 degrees.

Relative to the wobble in the Earth's and Aaoen Axes among others. This would easily account for the Cyclone being off the coast of Darwin in 2011 by a couple of hundred kilometres, instead of being right on top of Darwin like the cyclone that struck on Christmas Eve 1974.

We add 2.28 displacement factor to 87.90 which adds up to 90.18 degrees. 90 degrees the angle of a corner in a square and a circle. Pluto had squared out Australia's weather in 1974 and 2011.

It will now slow down its speed greatly. Hence, the author believes that Pluto squares out Australia's weather on the long term cycle. While Bradley Cowan mentions this in his cycle, analysis books and states that Neptune may square out America's weather.

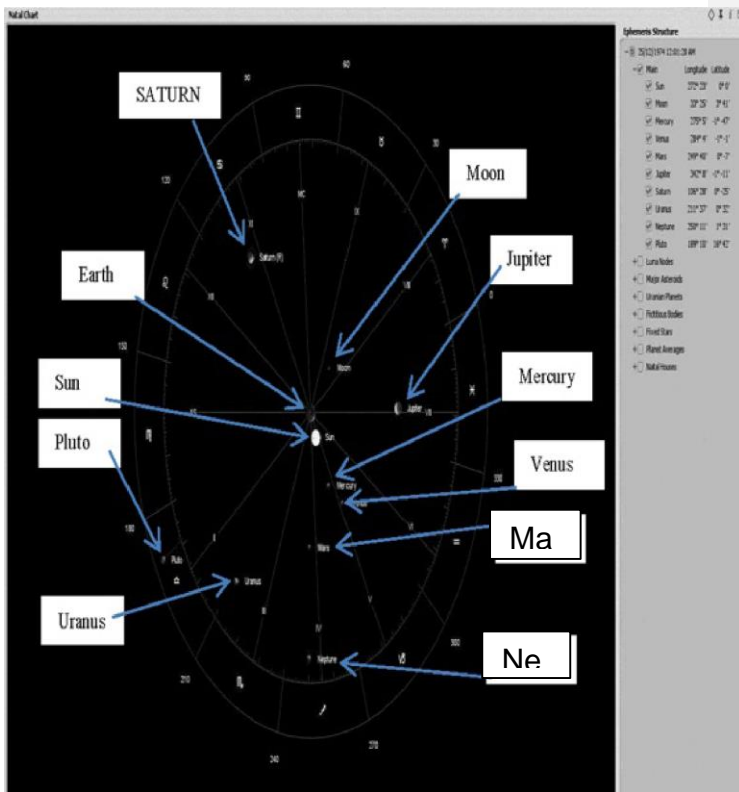

Woman In Heaven gives Birth – Second Addition

If it were not so then one has to ask the question why were the weather patterns in 2011 very similar to the weather pattern in 1974? The author believes this explains why.

Understanding this means farmers can predict more accurately droughts and floods and maybe pestilence.

The above proves that the speed of the planets can change the timing of cycles on Earth; however, this is the obvious.

How else do the cycles change has always been a mystery until one realises and counts the weeks and days it takes for each planet to move through a constellation sign of the <sup>37</sup>Zodiac.

Picture 6.1a Zodiac Constellations & path.

The outer red ring shows the path of the Earth projected out to the constellations.

Thinking about that God had to position the Earth at the right point, and make it travel at the right distance, so that we could see the constellations as the Earth travels around the Sun for both the Northern and Southern hemisphere.

Why do that if there were not to be any signs in the Heavens for Christians?

The largest asteroid in our solar system is called Ceres. It is about one-quarter the size of the Earth's Moon and orbits the Sun between Mars and Jupiter in a region called the Asteroid Belt. Unlike most asteroids, Ceres is spherical in shape.

## Woman In Heaven gives Birth – Second Addition

Ceres was discovered by the <sup>38</sup>Italian astronomer Giuseppe Piazzi in 1801 as he searched for a planet which was predicted to exist between Mars and Jupiter. It was the first asteroid ever discovered.

For a cycle to change we take the total days and weeks to travel 360 degrees and then we add the next 30 degrees in time and space, i.e. 13 constellations. We know that there are 12 signs of the Zodiac and takes 12 months to rotate through them.  $360 \text{ degrees of a circle} / 12 \text{ Zodiac signs} = (360/12) = 30 \text{ degrees}$ .

If we add 1 constellation sign we have 13 and 390 degrees instead of 360 degrees. Now some people do not like the number 13. Hotels and many skyscrapers, and cruise ships deliberately rename the 13<sup>th</sup> floor.

Some people consider the 13 as bad luck. In fact, number 13 is a change number. Sometimes these changes can be bad or good.

This would probably depend on where, or what age/time in the person's main cycle of life. The question is what happens or what do we find when we add 1 extra constellation to the previous 12?

Woman In Heaven gives Birth – Second Addition

1 constellation is 30 degrees  $360 + 30 = 390$  degrees.

### Table 6.2 Total Days & Weeks

As you can see in Table 6.1 by adding 30 degrees or one Constellation sign to each of the planets cycles in table 6.2, this could easily change business and stock market cycles and it does.

### Woman In Heaven gives Birth – Second Addition

It also changes when feasts and other celebrations are observed. Notably you can see in the table 6.1 Jupiter cycle has the warning number of Six Hundred and Sixty Six, (666) weeks plus five weeks makes 671 week change cycle.

The warning cycle of 666 was not apparent until you add in 30 Degrees of Time and Space or 47 weeks to its cycle.  $619.39 \text{ weeks} + 51.616 \text{ weeks} = 671.006 \text{ weeks}$ .

Therefore, the 13 in Jupiter cycle adds on 30 degrees of Time and Space and its cycle becomes 671 weeks - 5 for Devil or Grace over the Devil - and 666 for the cycle being in this case six hundred and sixty six weeks.

This is why cycles change, while you think things will, or may, return to how they were (in business or life or stock markets for example), which they may do, but not quite, they may well be in the 30 degrees different in Time and Space, making it almost the same but not quite.

This is because the 30 Degrees of Time and Space has moved the cycles, which may take many years, to hundreds of years or even thousands of years, to repeat once again.

## Woman In Heaven gives Birth – Second Addition

Sometimes the planets are moving quickly sometimes slowly, which adds to the complexity of the Musical Clock, our Solar System which the author will prove later in the book; it is the Solar System of Musical Clocks.

After all if all the above changes in the table 5.2 did not happen it would be fairly boring life and clock! God has displayed his Majesty with this beautifully orchestrated Clock called our Solar System and with the rest of the universe. In Chapter Seven we look at Planetary Cycle Analysis.

Woman In Heaven gives Birth – Second Addition

## Chapter Seven - Planetary Cycle Analysis

### **Moon**

The Moon travels an average of 13.3 degrees in a day and orbits the Earth 13 times in one year. The radius of the Moon is 1,080 miles compared to the Earth at 3,960 miles, a ratio of 3:11

Divide 11 into 3 provides the result of 0.27272727, which is the Moon's sidereal cycle, that is once it returns to a fixed point or star (Sidi) is 27.3 days.

If you add the sum of

$1+2+3+4+5+6+7+8+9+10+11+12+13$  you will get 91, the number of days in a season and 13 times 4 equals 52, the number of weeks in a year.

Ancient Hebrew and Vedic calendars are Lunar based. In the Vedic system, there are 27-28 Lunar mansions or Nakshatras, each day the Moon enters a new mansion every 13.33333 degrees or (13 degrees and 20 Minutes). To quote a scripture

Jesus said in my "Father's house there are many mansions." John 14 v 2 Notice that 14 times 2 = 28. God had the letters of the Bible written in a format that 1500 odd years later when Chapters and verses were added, they would fit the Bible

## Woman In Heaven gives Birth – Second Addition

After all God resides in Heaven, or the way the world has seemed to word it, it is God's House is Heaven and within it there are many mansions. Did you get what Jesus said? Jesus talked about Astrology! WOW! In one sidereal day we have 800 minutes ((13X 60 (minutes) + 20) divide 1440 Earth minutes by 800. The sidereal day is the time it takes for the Earth to complete one rotation about its axis with respect to the 'fixed' star.

Sidereal minutes for one day, equals 1.8 – the (.) removed = 18. 18 being the number of the Moon or if you will  $6+6+6 = 666$ . With numbers in stars one deletes the decimals to arrive at the number in this case 1.8 becomes 18.

The Moon's number is 18 or an 18 year cycle. Its lunar nodes are 18.6 degrees, which gives you 6666 when you remove the decimal place (18.6 becomes  $6+6+6+0.6 = 6666$ . 13 is also a Fibonacci number and is the number of change, or some say rebellion. This is why this number is not liked much. People do not like change and when the 13 comes along if they are not ready for a change, it can really hurt; however, it sometimes changes for the better.

Lunar nodes are 18.6 degrees or  $(6+6+6).6$  666 warning of change and 6 for mankind to take note.

## Woman In Heaven gives Birth – Second Addition

In the author's book *"Market Triangulation"* "Increase your accuracy to over 95%" he shows the basic Rhythms of the Universe - be it the Circle, Square and Triangle are squared out at the number 12.

This means all things are in balance for example. When one introduces the number 13 there is a high potential for change opportunities or problems! If you think about it the Moon is constantly changing various things in the Earth for example a high and low tide every 24 hours.

People fish only on certain moons and so on. As you will see the Pentagram unfolds into a larger pentagram, the moon is a small 666 number ( $18 = 6+6+6$ ) and unfolds into Jupiter 666 cycle.

## Jupiter

NOW the question is why it is, the Woman in Revelation 12 verse 2 is giving birth to JUPITER as it were.

Well because Jupiter's cycle is a cycle of 666 weeks. It takes Jupiter 11.86 years to revolve around the SUN. CYCLES change and when a cycle changes the "planets", the author would suggest, adds 30 degrees or one constellation sign to its cycle.

## Woman In Heaven gives Birth – Second Addition

This means that for Jupiter it adds to its 11.86 year revolution cycle round the Sun of 619 weeks, 30 degrees or 52 weeks to get to 671 weeks (619+52) rounded up.

Jupiter is the part of the Solar System and Universe Clock, and its part of the clock is the 666 (671 – 5) week clock or wheel within the Great Clock of the Universel.

Let's have a look at the gestation cycle.

Following is a quote from Wikipedia

<http://en.wikipedia.org/wiki/Pregnancy>

<http://en.wikipedia.org/wiki/Pregnancy>

<http://en.wikipedia.org/wiki/Pregnancy>

Pregnancy is the fertilization and development of one or more offspring, known as an embryo or foetus, in a woman's uterus. It is the common name for gestation in humans.

A multiple pregnancy involves more than one embryo or foetus in a single pregnancy, such as with twins. Childbirth usually occurs about 38 weeks after conception; in women who have a menstrual cycle length of four weeks, this is approximately 40 weeks from the start of the last normal menstrual period (LNMP).

If the Woman's Pregnancy cycle is approximately 40 weeks would it be unreasonable for the Lord to do the same for The Woman in Revelation 12 v 2 being Virgo giving birth to Jupiter?

## Woman In Heaven gives Birth – Second Addition

Firstly, allow the author to explain something in Astronomy. We have the Sun and the Earth rotates around the Sun. The other planets rotate around the Sun as well.

When two objects rotate at different speeds around a single object then one object at times will be viewed from the other object as going backward. This is motion is called Retrograde.

Due to the fact that Jupiter is going around the Sun as well as the Earth, and at different speeds; at times Jupiter is in Retrograde motion as viewed from the Earth. It looks as if it is going backward. In reality it is not, but it looks like it from Earth. So what?

For God to be credible by sceptics (if that is possible), in Revelation 12 he should be able show that the woman (Virgo or the undefended one) is pregnant for around 40 weeks approximately and why not take it to the maximum?

After all he is God and nothing should be too hard for him! Except for one thing (which I would think would have been immensely hard for him, and unfathomable to us), and that is having his Son die on the cross to make a new covenant, IN BLOOD, for us who rejected him.

## Woman In Heaven gives Birth – Second Addition

Nevertheless, he did what no one else could do. Let me explain a little about Cycle Analysis here. In the Financial Markets the Long Cycles of the larger planets are used for long term cycle analysis of turning points in the financial markets, (or anything really that relates to mankind; activities, for example, public transport), after these likely strong points in Time and Space a fast moving planet like Venus or Mercury, or the Moon, are used and seen as a trigger and a narrowing down of the starting point of a change in a cycle or cycles.

This is standard method used by the very best of traders. Therefore on the 25th November 2016 Jupiter (#666) cycle and the Moon #13 Cycle and #18 (6+6+6) “come together”, it is suggested, in Virgo’s Womb and Virgo is impregnated with the Moon’s ‘Sperm’.

Virgo is “impregnated” with the Foetus Jupiter. Jupiter then spends almost 43 weeks in Retrograde Motion within Virgo’s Womb. Below in Chart 7.0 Moon and Jupiter are in Virgo’s Womb on the 25<sup>th</sup> November 2016. Virgo, or in Arabic the Undefended Maiden, becomes ‘pregnant’. The author is referring to the Arabic Chart as Virgo because it is much improved art compared to Western’s Virgo art work, in his opinion.

Doctors use various methods to trigger labour or induction. But what is God going to use?

On Earth we can see the troubles building in the news, and the start of collecting Biometric data as shown in the Prelude.

The Woman in the sky, Virgo and Revelation Chapter 12 God has the solution and that is on the 22<sup>nd</sup> September 2017, the day before the birth the Moon is again in the (Virgo's) Womb, triggering the Birth on the weekend of the 23-24<sup>th</sup> September 2017.

The birthing of Jupiter the #666 larger cycle clock within the Solar System Musical Clock of Musical clocks is now complete.

### Chart 7.2 Moon Triggers Jupiter's 666 birth.

Again it is the weekend and some of the Earth will be viewing it on the 23<sup>rd</sup> and others on the 24<sup>th</sup> being a Sunday, or first day of the week.

Jupiter or 666 Antichrist is born.

Summary of the gestation period and birth of Jupiter.

## Woman In Heaven gives Birth – Second Addition

We have the following:

- 1 Moon has a 13 degree 20 minute movement per day
- 2 Moon's number is 18 which is 6+6+6
- 3 Moon's Lunar nodes are 18.6 degrees or (6+6+6).6
- 4 Moon triggers pregnancy of Jupiter in Virgo's/Woman/Undefended Maiden womb on the 25<sup>th</sup> November 2016;
- 5 Jupiter stays in womb for around 43 weeks;
- 6 Jupiter is in Retrograde Motion for around 43 weeks (gestation cycle);
- 7 Moon triggers delivery birth/sign of Jupiter on 22<sup>nd</sup> September 2017;
- 8 Jupiter is born on the weekend of the 23-24<sup>th</sup> September 2017;
- 9 Jupiter is the 671 week Cycle; (travel time of 13 constellations, 5 weeks of Grace over Death, and 666 weeks for the 666 cycle).
- 10 Planet Jupiter's retrograde cycle is the only Planets retrograde cycle in our solar system, i.e. long enough and short enough to fit the 38 - 43 week gestation/pregnancy cycle of a woman.

<sup>39</sup>Ezekiel's wheels within wheels, or Pentagram within Pentagram. However, if you take the modern analysis of 11 planets in the Solar System, plus the sun, it is a Hexagram within a Hexagram. Ezekiel chapter 1. Each point is 20 Degrees apart

Therefore the woman is giving birth (sign) to Jupiter a 666 beast, or Antichrist it is suggested, and by the undefended one (the Undefended Maiden Arabic Chart Constellation name for Virgo). She is giving birth on the 23<sup>rd</sup> September 2017 and at 7:36 am ISRAEL TIME.

The weekend of 23-24<sup>th</sup> September 2017. Why is this a "birth/Sign" happening at this time?

The birth cannot be Jesus as he has been on the Earth and gone. Also the Bible Numeric number for Jesus is 8 or 888 not 666 or 671.

Why is the baby caught up to heaven? (Is it a stillbirth) or is it when the Mark of the Beast is to come in across the world and against all the saints?

The Undefended Maiden (the Virgin), the Bride of Christ (the Believers - the Church) The Woman in Revelation 12 v 1 and 2!

## Woman In Heaven gives Birth – Second Addition

Also the Jews believe Jesus is yet to come maybe they are correct in looking for a "baby" but are mistaken as Jesus has already been and gone, and this scripture was penned many years after Jesus had gone to heaven and many years after the Lord sent his Holy Spirit, the Comforter.

This "baby" is represented by Jupiter which is a 666 or 671 week cycle and therefore is not Jesus. It is an antichrist. The next question maybe is, why is the baby being judged at its birth?

Why is it taken up to God as it states in Revelation 12? Why is the Moon under Virgo's feet and the next Planet or Star – Jupiter also moving towards the Scales or The Balance?<sup>40</sup>

In the Scales, or The Balance, the weight of a thing is measured to see if the item being weighed is the same weight of the balancing weight on the other side of the scale.

A couple of scriptures here to bring in some balance as to why the Moon and Jupiter are heading for the scales, as it were, or in numbers #13, #18 and #666 are heading to the scales to find out the balance.

Shall I acquit the man with wicked scales and with a bag of deceitful weights? Micah 6 v 11 (ESV)

## Woman In Heaven gives Birth – Second Addition

A false balance is an abomination to the Lord,  
but a just weight is his delight. Proverbs 11:1

These two scriptures point to why this birth is going to be weighed, i.e. brought up to God - Rev 12 v 4 Hebrews. The Bible says a male strong hand designed to control all nations v 5 is immediately taken to the son of God and the throne! It is going to be judged. Why?

We find the answer in Ezekiel 21 v 30 -  
I will judge thee in the place where thou wast created, in the land of thy nativity.

When one is born in Astrology, and the author not an Astrologist, the house in which one is born at the minute and second of their birth, points to what type, or certain characteristics, of a person may turn out to be like. This scripture is certainly backing this up.

However God is against the soothsayers. Jesus said "*in my father's house there are many mansions if it were not so I would have told you*"  
*Luke 14 v 2*

Astrologists determine what house you are born in. There is a long list of them; remember there were 27-28 houses that the moon passes through every month. These scriptures provide clues to heaven and on earth to one's character or "where they are housed".

## Woman In Heaven gives Birth – Second Addition

Therefore this baby/sign that the woman is giving birth to will be judged at the time of birth, like everyone else, because we were ALL born into sin.

The baby/sign, this “a male strong hand” is judged and has been found to be Antichrist! God judges it and puts in motion for its end and death 42 months (1260 days) later.

It has been said that these chapters Revelation 12 v 1-4 is a summary of past events, but why is it a summary of past events? And why are the Angels overcoming the rebellious angels and Satan with the Blood of the Lamb? In the heavenly time frame these are past events and scriptural proof that Jesus said, “And he said unto them, I beheld Satan as lightning fall from heaven.” Luke 10 v 18

No, these are certainly future events on our timeline I will expound on this later in the book.

If v 1 and 2 are a sign of future events, as it says, why then shall we go back before the scriptures were shown to the Apostle John and penned before Jesus was crucified?

These are future events in our timeframe and that is why the ominous sign and wonder in the heavens was foretold.

Woman In Heaven gives Birth – Second Addition

We now know that the date will be 23-24/09/2017 or 09/23-24/2017, depending on the calendar you use. The mathematical proof of this sign is immense.

## CYCLES OF MARS VENUS AND MERCURY

These are the minor planets orbiting the SUN, excluding beyond Uranus. The Major ones are Jupiter, Saturn, and Uranus, of which only Jupiter is in focus in Rev 12 v 2. Because only Jupiter is in the Woman's constellation sign 'Virgo'.

It should also be noted that the periods of the planets are defined by two common systems of measurement.

The Sidi, or Sidereal period, measures the Time and Space movement of a planet with respect to the "fixed stars".

The Synodic period measures the time period between two successive conjunctions of two planets with respect to the "fixed stars".

Woman In Heaven gives Birth – Second Addition

## Mercury Cycle

Mercury takes almost 88 days<sup>68</sup> to move 360 degrees Sidi (or round the Sun once); on average it takes 7.3 days to go through each of the 12 Zodiac constellations. Adding 30 degrees to the Time and Space (cycle change) equals  $88 + 7.3 = 95.3$  or 953. Interestingly Solomon completed the temple in 953 BC. God using the same numbers again!

## Venus Cycle

Venus takes 225 days<sup>70</sup> to move 360 degrees Sidi and on average it takes 18.75 days to go through each constellation. Adding 30 degrees to Time and Space equals  $225 + 18.75 = 243.75$  days.

## Mars Cycle

Mars takes 22.5 months or 687<sup>71</sup> days to move 360 degrees Sidi and on average it takes 56.25 days to go through each constellation. Adding 30 degrees to Time and Space equals  $687 + 56.25 = 743.25$  days. Sun cycle

### Metonic Cycle

Astronomy and calendar studies the Metonic cycle or Enneadecaeteris (from Ancient Greek: "nineteen years",) is a period of very close to 19 years; that is remarkable for being nearly a common multiple of the solar year and the synodic (lunar) month.

## Woman In Heaven gives Birth – Second Addition

The Greek astronomer Meton of Athens (fifth century BC) observed that a period of 19 years is almost exactly equal to 235 synodic months and, rounded to full days, counts 6,940 days.

The difference between the two periods (of 19 years and 235 synodic months) is only a few hours, depending on the definition of the year. Considering a year to be  $1/19$  of this 6,940-day cycle gives a year length of  $365 + 1/4 + 1/76$  days (the unrounded cycle is much more accurate), which is slightly more than 12 synodic months.

To keep a 12-month lunar year in pace with the solar year, an intercalary 13th month would have to be added on seven occasions during the nineteen-year period ( $235 = 19 \times 12 + 7$ ). When Meton introduced the cycle around 432 BC, it was already known by Babylonian astronomers.

The Sun's cycle is 19 years.

Notice the common multiple of 19 years or 235 months is similar to one complete rotation of the Earth in an Earth day which actually takes 23 hours, 56 minutes and 4.1 seconds. '235' months or hours in a day. 235.6.4.1 23 Hours 56 Minutes 4.1 Seconds<sup>73</sup>. Another confirmation that the Lord uses the same numbers again and again by just moving the decimal point.

## Woman In Heaven gives Birth – Second Addition

Incredible really when you pause to think about it, yet simple. This ends Chapter Six but before we go to Chapter Seven think about the mathematics of thousands of years; thousands of cycles on both the Sidi and the Sidereal, for the planets, Mercury, Venus, Mars, Jupiter, the Sun and the Moon and the Earth.

The retrograde motions to be viewed at precisely the right time 2000 years in advance and the right view, i.e. being from Earth. Then to give John the vision, or transportation, to see this sign and write it down two thousand years before it was going to happen in our time frame.

The Constellations to be drawn and mapped and named exactly, or very near precisely to the positions of the planets stars and moon were going to be, just to fulfil only two verses of the Bible!

Then on top of that somebody creating the program Stellarium so anyone with access to the internet can match up the scripture to the sign in the night sky in the Heavens in just a few minutes.

Now come on, that is impressive to say the least!

this in Chapter Eight alone.

Woman In Heaven gives Birth – Second Addition

## Chapter Eight – The Male Child(s)

For the male child to reign and rule for 1260 days it is reasonable to suspect it is not an actual human or an angel being born on the 23/09/2017.

After all they have to grow up. Therefore we are looking for a thing that will rule and a person who is old enough to take the reins (be in charge) for 1260 days.

If we believe it is the microchip, and we cannot buy or sell without it, then this may represent ruling by force or with a rod of Iron if you will.

Let's see what the Oxford dictionaries.com say the definition of rule with a rod of iron.

“Control or govern very strictly or harshly; for example, she ruled their lives with a rod of iron”

Let's look at a rod of iron compared to Iron Sceptre that Jesus will have in Revelation 2 v 2 (ISV). He will rule them with an iron sceptre;

Woman In Heaven gives Birth – Second Addition

Picture 8.0 Iron rods

Or Picture 8.1 Iron Rod re-enactment

Now compare those to an Iron Sceptre

## Woman In Heaven gives Birth – Second Addition

The author most assuredly prefers the sceptre rather than the Iron Rod. Therefore, the two are different. The one from Revelation 12 is too harsh and with no care or mercy given, where as the one from Revelation 2 is strength but with the Royal Authority from the Prince of Peace.

Therefore, this is another reason it is not Jesus being born on the 23/09/2017. Now we know whatever it is it will not come with mercy. It will come with harshness!

This again is the Microchip, no mercy - you cannot buy or sell without it.

Who then is the Male, if the rule is a microchip? Well it is the first beast; the front-man for the second beast. The author expounds on this in his London Harlot 666 book. In that book he proves that the first beast is the <sup>41</sup>Prince of Wales.

We know the first beast has seven heads and the eighth is of the seven. We also know that the first beast current head is Prince Charles of Wales and his name and title add up to 666, in both Hebrew and English.

We know that William is the wounded head being the seventh and that leaves Harry as the 8<sup>th</sup>. Interestingly his four names and titles add up to 666 in the Greek and Hebrew. The odds of that are around 1Trillion to one!

Woman In Heaven gives Birth – Second Addition

We know, therefore, assuming Prince Charles dies somehow and that William or Harry will be the man in charge when the Microchip is launched, and hopefully not the quantum microchip, for 1260 days. His reign may be longer as William is already born as a Prince of Wales, when he was born by the late Princess of Wales, Diana, and her then husband the HRH Prince Charles of Wales.

There has been 20 or so Princes of Wales in the last 900 years; however not all have reached the throne of England. Six of them have not, including Prince Charles.

Whether he gets to be King of England the writer does not know, however for Revelation to come True Prince William or Harry needs to be the Head of the Prince of Wales by 7:36am Jerusalem time on the 23/09/2017 for the scripture to be fulfilled.  
Scripture Revelation 17 v 9 – 13 KJV

This following scripture was not easy to work out and most have it wrong.

9 And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.

10 And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

Woman In Heaven gives Birth – Second Addition

11 And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

12 And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

13 These have one mind, and shall give their power and strength unto the beast.

Verse 9, Needed someone to think outside the square here.

Verse 10, Seven Kings, five have fallen by the time the bibles were translated, and before 1958 when Charles became Prince of Wales, but no ceremony was held until a few months before his 21<sup>st</sup> birthday.

Therefore this scripture is talking about a time after 1958. Charles is still the official Head of the Prince of Wales.

Prince William and Harry, born Prince of Wales, have not had the formal investiture made upon either or one of them as yet. That will come either just before or on the 23/09/2017.

Verse 11, God is not happy with the Beast, the Prince of Wales.

## Chapter Nine - Zodiac Signs

### **Woman or Maiden (Virgo)**

The Woman is standing, as it were, on the Moon being part of the Antichrist Cycle or foundation numbers of 13, 18 & 666.

She is standing on moving ground and is undefended and needs a saviour.

On her Head is the Crown you can see 12 stars - 3 of them lined up just for this event! Venus, Mars and Mercury (planets I know but stars as they shine light or rather reflect the Sun's light on the Earth), nine others in the Constellation of Leo the Lion, or if you will, the Lion of Judah.

The SUN "Clothing" the woman in natural "Sunshine" instead of the pure light of God. It is a deception. It is an appearance of good to the woman; however, the energy is not pure energy of God and will fail.

Woman / Virgo / The Undefended one

Hebrew: Bethulah, "a virgin"

Greek: Ceres and Parthenos, "the maid of virgin pureness"

Arabic: Adarah, "the pure virgin"

Egyptian: Isis and Aspolia. "ears of corn, the seed"

### Stars

1. Al Zimach -means "the Branch
2. Al Mureddin -- means "who shall come down, have dominion", 7 Decans (associated constellations)
3. Coma -- the infant called "the Desired" Centaurus -- double-natured One
4. Bootes -- the Coming One Israel Tribe Association - Zebulon, meaning dwelling. Stone: jasper, coming to be bruised and be bruised

### Leo or the Lion of Judah

Leo has its 9 Large stars; however Mars, Venus and Mercury are aligning with Leo making 12 easily notable stars at this time for this event, this birth, this sign.

The Constellation of Leo has many stars of note that are:

1. Leo Hebrew: ArieH, "the lion"  
Syriac: Aryo, "the rendering lion"  
Arabic: Al Asad, "a lioning coming vehemently" Egyptian: Pi Mentekeon, "the poured out" Stars
2. Regulus -- the Little King, treading under foot
3. Denebola -- the Judge, the Lord who comes
4. Al-Giebbe -- the exaltation

5. Minchhir al Asad -- the punishing, tearing of the lion
6. Deneb Aleced -- the judge comes who seizes
7. All Dafera -- the enemy put down Decans (associated constellations)
8. Hydra -- the old serpent
9. Crater -- the cup
10. Corvus -- the raven Israel Tribe Association - Judah, the praise, glory, and majesty of God. Stone: amethyst, he that destroys

Notice Hydra – Hydra from the Avengers TV Series were, or are, fighting against Hydra or so they think.

The Balance / Scales / Western Charts Libra

## 9.0 The Balance Star Chart

## Woman In Heaven gives Birth – Second Addition

As we have seen this male strong hand designed to control all nations. It will be judged by God immediately.

The Scales known as Libra in western constellation chart lies in the southern sky. It is one of the twelve zodiac constellations.

Its name means “the weighing scales” in Latin, and it is usually depicted as the scales held by the Greek goddess of justice Dike (or Astraea), represented by the neighbouring Virgo constellation.

Libra is the only zodiac constellation that represents an object, not an animal or a character from mythology. The four brightest stars in the constellation form a quadrangle.

Alpha and Beta Librae mark the scales' balances

the weighing pans. Libra constellation is also home to HD 140283, popularly known as Methuselah, currently the oldest known star in the universe.

Some very interesting facts are mentioned here, starting with the quadrangle. Just last week the author realised what the Financial Markets are consistently drawing in four dimensions on a two dimensional chart.

The author was thinking he should write a book about it to explain the last two secrets of the Financial Markets the date today is Saturday, 19<sup>th</sup> April 2014. You have it first in this book.

To split a quadrangle, the four edges are split into two sections each, thus producing four non-similar quadrangles with different quality

As you can see from the above chart you have a quadrangle (square) in a circle and 4 triangles in the quadrangle.

Back to the scales - the four stars forming four points of the quadrangle are saying that God has it all balanced out, even in the markets. Now the reason they are warped is because of the fourth dimension being time. Also the Markets expand and contract by odd integers same as physics-

Bradley Cowan books are the only books the author recommends to read, apart from his own of course. Bradley Cowan is gifted in the knowledge of the cycles in the Solar System.

In The Balance (Libra) the brightest and oldest known star at this time is Methuselah. Why that name? To show that they are one important Scripture which is:  
Methuselah was the Grandfather of Noah,  
Methuselah was the oldest living person living 969 years.

To have the oldest living person ever lived on earth have a star named Methuselah, which at this present time is believed to be the oldest, is simply amazing. Coincidence? Maybe...

### **Scorpio constellation**

The Moon is in Scorpio under Virgo's feet in the Natal chart page 93. As stated the Moon's numbers are 13 cycles to a year, 18 which is  $6+6+6$ .

13 can be the number of rebellion. It is also a Fibonacci sequence number.  
Sometimes great changes happen in our lives after 13, years, 13 weeks (quarters or seasons) 13 months.

8. Hercules - the mighty man, the Head of him who bruises, the Branch kneeling Israel Tribe Association - Dan, meaning judge. Stone: chalcedony, which means affliction, torture

I will put enmity between you and the woman, and between your offspring and her offspring; he shall bruise your head, and you shall bruise his heel.

The God of peace will soon crush Satan under your feet. The grace of our Lord Jesus Christ be with you.

Scorpio represents a scorpion that stings its enemy. The decan Serpents means serpent or snake. The decan Ophiuchus means the serpent-holder, or one who commands the snake.

## Woman In Heaven gives Birth – Second Addition

Satan is one formidable enemy to mankind, and only Jesus could pay the price and the cost with his own personal blood, and make a new covenant with man. We cannot fulfil the Law because our enemy was too powerful for us, but Jesus did - he paid the price and it is written in the names and meaning of the names that the stars are called.

These symbols tie in with, in which Satan takes the form or takes control of a serpent, and fights against God and deceives the woman. God, or precisely Jesus, will take some hits and is killed in his natural body, but in the end He is victorious over Satan. Fulfilling the first verse of Revelation Chapter 12.

We have 4 constellations in play.

## Chapter Ten - 1260 Days

The Bible studies the author has read over the years have been a little out on the timing estimations of the prophecies of Daniel regarding the time, times and half a time. This is because, the author believes, they may not have known how to calculate the dates correctly.

It is not a process of having a date and use the calendar to add on more days to provide an estimation of the date that the prophecies will come true on.

This is due to cycle changes and the displacement factor of 2 degrees and 28 minutes. This, as previously mentioned, is the factor also found in the Pyramids.

The Prophecy of 1440 and 1335 years is outside the focus of this book. If you want to more about these prophecies just Google search the dates above.

The author will now show you our solar system unfolds in a pentagram when measuring dates and events. Time and Space, as mentioned by God in Genesis Chapter 1 verse 1, "In the Beginning" and verse 2, "The Spirit of God moved upon the face of the waters".

Woman In Heaven gives Birth – Second Addition

is “made” and how we can use the pentagrams to predict future time points that are strong points in Space and Time. Good, and not so good, things happen at these strong points in time and space.

The five points of the pentagram are separated  $72^\circ$  (Degrees) around the centre.

Equally important is 144, or the Square of Twelve, define points on the same isosceles triangle composing of the triple triangles which are located at,  $0^\circ -144^\circ -216^\circ$   $72^\circ -216^\circ -288^\circ$   $0^\circ -144^\circ -288^\circ$  Degrees.

The Drawings 8, 8.1, 8.2 and 8.3 have been reconstructed and referenced from Bradley Cowan's Pentagonal Time Cycle Theory page 15.

Be prepared though, it is a steep learning curve! Figure 8a is from [bookbuilder.cast.org](http://bookbuilder.cast.org) and shows how the Golden Ratio is illustrated within special dimensions of Spirals triangles and rectangles and is the initial start of building a pentagram.

**Teacher's Curriculum Guide:**

**Introductory Information about the Golden Ratio**

About the Golden Ratio: The Golden Ratio can be illustrated within special dimensions of Spirals, Triangles and Rectangles, where the ratio of the length of the short side to the long side is .618, was noted by ancient Greek architects as the most visually pleasing rectangle and its dimensions were used to construct buildings such as the Parthenon.

The Golden Ratio has also been used extensively in classical paintings where it was believed to produce the most visually pleasing figures. The ratio also appears all over nature, such as the number of petals on some flowers, biological forms like the nautilus shell, mollusks, animal antlers, leaves, human proportions, galaxy spirals, and the relations between harmonious tones in music.

**Golden Triangle**

for Fibonacci numbers  $F$

$$F_1 = \frac{\varphi^1 - \varphi^0}{\sqrt{5}}$$

, where  $\varphi = \frac{1 + \sqrt{5}}{2}$

$$\varphi^n = F_n \varphi + F_{n-1}$$

$$\varphi = \lim_{n \rightarrow \infty} \frac{F_n}{F_{n-1}}$$

$$\varphi^n = \varphi^{n-1} + \varphi^{n-2}$$

$$\varphi = \sqrt{1 + \sqrt{1 + \sqrt{1 + \sqrt{1 + \dots}}}}$$

$$\sin\left(\frac{x}{2} - \ln \varphi\right) = \frac{\sqrt{5}}{2}$$

$$\sin(\ln \varphi) = \frac{1}{2}$$

$$\varphi^2 = 1 + \varphi$$

$$\varphi = \frac{1 + \sqrt{5}}{2}$$

$$\varphi = 1 + \frac{1}{\varphi}, \quad \varphi = 1 + \frac{1}{1 + \frac{1}{\varphi}}$$

$$\varphi = 1 + \frac{1}{1 + \frac{1}{1 + \frac{1}{\varphi}}} \Rightarrow \varphi = 1 + \frac{1}{1 + \frac{1}{\varphi}}$$

$\varphi \approx 1.618$

## Drawing 10.2 Allocation of Date 24/09/2017

Assuming 24<sup>th</sup> September 2017 is 288 Degrees on the Minor Pentagram and that going forward 42 months or 1260 days is the next stop and that it is 72 degrees in time and space, leaving us back at zero.

Then it is just a case on the great pentagram and on this minor pentagram to mark the dates using cycle software. One can go back in time using the pentagram to plot the dates of Time and Space.

Note: the author has used 24/09/2017 instead of the 23/09/2017.

It is the weekend of 23-24, hence using either 23<sup>rd</sup> or 24<sup>th</sup> is okay. The minor planets are a representation of the larger planets on a larger pentagram. This is a wheel within a wheel, the minor pentagram inside the great pentagram and then an even greater pentagram can be used.  
Drawing 10.3

The Great Pentagram can be used for the outer planets and the minor pentagram for the fast moving planets of Venus, Mars, and Mercury.

## Woman In Heaven gives Birth – Second Addition

Below in Figure 8.3 shows the pentagram within a pentagram. With this knowledge one can go back in time and reconstruct dates of events that align with the motion of the Pentagram.

Using the great pentagram for major events and the minor pentagram for the halfway points for minor events.

The planets move around the solar system; they form alignments with each other. These are strong points in time and space.

Due to alignments aligning at points of time and space on regular and not so regular intervals the triangles overlaid are moving constantly. This is known as Whirling Triangles or as Ezekiel said 'Wheel within a Wheel'.

The Black Ellipse (oval) In Figure 8.1 highlights 1260 days from the 24/09/2017. This brings the Time and Space date of 7/03/2021 the end of the 1260 days.

## Woman In Heaven gives Birth – Second Addition

Mercury and Earth have are at a Synodic Angle of (almost 71 degrees 53 minutes and 57 seconds).

Of course Earth has orbited more than 3 times round the Sun, and Mercury has orbited the Sun 14 times.

This provides a date of 03/07/2021 USA Style, i.e. When the 42 months or 1260 days are over. 7<sup>th</sup> March 2021.

Mark in your calendar (6-7 March 2021) if you wish. Together the angle is  $390^{\circ}$  and 3 minutes from the starting date of 24/09/2017 or 09/24/2017 for the USA date format. When a planet moves round the circle more than  $360^{\circ}$  the revolution is removed.

For example, let's say Mercury goes round the Sun two and half times. This would equal  $360+360+180$  degrees = 900 degrees.

Therefore, the two Orbits of  $360^{\circ}$  totalling ( $720^{\circ}$ ) are removed leaving the planets movements to 180 degrees.

The other thing to also note is that change from start is 390 degrees.  $360/12$  Zodiac constellations is 30 degrees per Zodiac sign. 390 degrees is 13 constellations ( $13*30$ ) = 390.

## Woman In Heaven gives Birth – Second Addition

This is important because the beast was allowed to speak great blasphemies against God. And he was given authority to do whatever he wanted for forty-two months.

42 months is 1260 days times up 6-9 March 2021; he will not be allowed to rule any longer! Together both planets have moved  $71^{\circ}$  and 53 minutes against the backdrop of "fixed stars" which has taken a total of 1260 calendar days.

Almost 72 degrees midpoint on the great pentagram and right in the middle where the minor pentagram is pointing).

### Drawing 10.7

## Woman In Heaven gives Birth – Second Addition

In the above image the author has put the starting date 24/09/2017 at the same point, in truth, 42 months on the great pentagram is a small degree movement. On smaller planets the 42 months is 72 degrees on a pentagram and this may take us back to 0° on the great pentagram above.

One needs to work from the beginning of the 1440 and 1335 years to determine the exact locations these dates should be on a modern day's pentagram. This is outside the scope of this book. The author said "fixed stars" because the star positions are going to change on or very soon around or after the date 23-24/09/2017.

In verse 3 we read that the dragon will reposition itself to destroy or capture the child the woman gives birth to. Seeing that is the case the stars are not fixed in place they are being held where they are because God allows it.

Scientists over the years have said the Universe is expanding, and the scientists inform us that this should not be happening. Now they think it is not expanding.

They say the universe should be getting smaller or even imploding due to gravity. Maybe this will be the start of that process! We do not know but in under 2.5 years' time we are probably going to find out.

## Woman In Heaven gives Birth – Second Addition

On that point the author doubts if they will implode in one go, he does not believe the Law of Vibration and Harmony; 'The Gumm Rhythm' works like that. If it has been expanding in a Fibonacci sequence then it will probably contract on one also.

Also the Bible says Jesus will rule for 1000 years<sup>97</sup> on Earth then the Devil will be loosed for a season before the second Judgement.

Therefore, the author suggests, this casting of stars down to earth in Revelation 12 is probably only the first part of the implosion. We will see! In Table 8.1 below we have a table of names of angles in Time and Space.

As God set up the heavens, Time and Space, he also knew when times would be good and other times not so good according to the mathematical angles, which we can determine using the positions of the planets.

In the table above you can see for example 180 degrees which is opposition. When someone or something is opposing you, for example, it is hard to get past or through. Feeling like working for a year or more sometimes and getting nowhere is a common part of business, planetary opposition easily accounts for these types of struggles. At other times when 120 degrees or Trine is in play, it is either easy to get through or even helpful. God squares everything out - Everything is in balance.

This table above helps identify when Time and Space are conducive or contrary to one's path. In the Markets these points in Time and Space help identify points in the price of a stock or index when it may reverse and change course/cycle and thereby alerts an exceptional trader and broker to danger or opportunity or both long before an average trader knows!

It is no different to any business the mathematical influences happen to all who are on earth.

The author has this chart showing oppositions in Time and Space between the planets. We can see on this chart that Uranus is in opposition to Jupiter and Neptune is in opposition to Mars. Opposition is 180 Degrees.

Before one might try and jump to conclusions the author can assure you that he has allowed the computer to scan forward and backwards for any indications that these patterns vary in intensity and nothing can be drawn from this date, or any date.

The stars do not indicate the return of Jesus. The number seven is very important; for example we have 7 days to a week.

### Woman In Heaven gives Birth – Second Addition

In Revelation there are 7 Churches, 7 bowls, 7 vials 7 Trumpets and so on. The Number Seven is for finality. 7 days is one week and that is final then the next 7 day period begins.

We know that Jupiter is a 666 cycle plus five weeks for grace and grace over the devil or death. Jupiter is the fifth planet from the Sun, and was named by the Romans after the Roman god of Jupiter. Jupiter was worshipped in London.

Uranus is the only planet in the Solar System named after a Greek god of the Quranos. Uranus takes 84.3 years to orbit the Sun.

Jupiter takes 11.69 years to orbit the Sun  
 $(84.3/11.69) = 7.21$  Seven Finality plus part of the displacement factor! Opposite is  $(11.69/84.3) = 13.87$  Almost two times 7.

Two in bible numeric is for separation and sanctification and seven is finality. Saints will need to make up their mind be separate from the 666 mark of the beast, or not assuming it is a natural mark or implantation of a microchip under your skin. Final decision to be made as it were.

The author believes that God is indicating, via Uranus in opposition to Jupiter, that he is in control and time is up! That is, the Seventh day or 2 times 7. God is in control not the Roman god of Jupiter/war.

## Woman In Heaven gives Birth – Second Addition

We also note that Neptune is in Opposition to Mars. Mars was named after a Roman god of war. Neptune has 14 moons (2 times 7) Neptune takes 164.79 years to orbit the Sun. Mars takes 1.88 years to Orbit the Sun.  $(1.88/164.79) = 0.01$ .

Could this be the .01 that God is looking for being 100% perfect he wanted more and we are scarcely saved being the 1%? God then being 101% including us in Him.

Opposite is  $(164.79/1.88) = 87.65$ . Let's do something different with this number (87.65).  $8 + 7 = 15$  minus  $6 = 9 + 5 = 14$  (2 times 7) Why deduct number 6?

Because it is the number of the man in his sinful state God has saved us from that state. You could have  $8+7+6+5 = 26$  (2 times 13) 2 is the number for separation and 13 for rebellion or change or expansion or contraction.

God is saying he is separating the just from the rebellious. If we take this number and reduce it down to single digits we have 87.65 or  $8+7=15$  or  $1+5= 6$  and  $.65$  is  $6+5= 11$ ,  $1+1 = 2 = 6+2 = 8$ .

8 for Jesus is the resurrection. From a scripture point of view it is Harvest Time - Separate the chaff from the grain!

## Woman In Heaven gives Birth – Second Addition

His winnowing fork is in his hand, and he will clear his threshing floor and gather his wheat into the barn, but the chaff he will burn with unquenchable fire.

As we have seen that the 1260 days' time is over on or around the 03/07/2021, 7<sup>th</sup> March 2021, Non USA 07/03/2021, then the above analogy is good.

Although Mars has been used at this time to be one of the stars in Leo and therefore in the crown of the woman that is giving birth.

Just another point of interest in the Western Constellation charts, the planet Mars is near the left back foot of Leo, if you will, bruising his foot. Mars is also on the left side of Leo in the Arabic Constellation Chart! Coincidence? The author doubts it! We note in the scriptures it says God is a jealous<sup>99</sup> God and is a God of War. God is saying whatever negative that Satan can use He has overcome Satan and He will win.

## Chapter Eleven - Ten Horns, 7 Crowns and 7 Diadems

Scripture Ref: Revelation 12 v 3:3 And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.

The author was stumped on this scripture for quite a while. When the Bible, in the book of Daniel, referred to a kingdom the kingdom always was one whole beast with the exception of the Bear with 3 bones in its mouth representing the Generals that took over the armies of Alexander the Great when he died.

For that reason when he read in multiple places, books and internet that the ten horns were 10 kingdoms he could not see that.

In Revelation 18 we read about the Harlot and the Harlots cup in the author's book, 'London Harlot 666', he goes into Revelation 18 in a lot of depth. Suffice to say here though, that the Harlot is the Bank of England as the scripture says she sits as a queen.

Woman In Heaven gives Birth – Second Addition

## 11.0 – BOE Logo

Well she certainly looks like she sits as a queen.  
Rev 18 v 7

The BOE is sitting on the Royal Land of England, we also know her cup is called the Royal cup and it's stored in the London Museum. The first beast is Royalty.

She is sat on Royalty, and presumably in contact with the 10 horns of the beast. So what are the 10 horns of the beast? Let's see a picture to make sure we are identifying the right country. This time, just for a change, the author is going to show a picture of the River Dance held in Hyde Park London.

Woman In Heaven gives Birth – Second Addition

## 11.1 – 10 horns of the beast – river dance

The author counts 10 horns how many do you count? So who are the 10 horns? The ten horns are Bond interest rate settlers. That's right, Bond interest rate settlers! Right now you may think that the author has gone nutty.

Let's recap:

- 1 Mystery Babylon the Great - London City
  - 2 The land - Royal Land
  - 3 The First Beast - Prince of Wales
  - 4 Current head is Prince Charles of Wales
- 666

Woman In Heaven gives Birth – Second Addition

- 5 Seventh head – Wounded Head is Prince William
- 6 Eighth Head – is Harry.
- 7 The Harlot is sat on the Beast's land
- 8 The Harlot has a Cup which is in the London Museum
- 9 The Harlot is the Bank of England
- 10 The beast's horns are interest rate setters.

The author could add in more but suffice to say that the central banks worldwide set the interest rates. However, we are looking for 10 that will reduce to 7. All of the above is proven in my book London Harlot 666.

If we go looking in the news we find the answer.

## 11.2 - Hungary/Poland

Yes Hungary has 10 rate setters and Poland has 10, but Hungary is reducing to 7. The reason this is relevant is because the currency the whole world is going to is the currency of the Phoenix which is, the author believes, Poland.

However, the Second Beast does not like to be the person in the limelight; as with the First Beast, Prince William or Harry will be the Head Man for the Second Beast.

Meetings with no changes in policy rates (period 2005 to 2010)	38	51	33	45	16	45

The author is sure that there are some legal implications that would tie it all together; suffice to say that the Rothschild's are the ones in charge they are the Second Beast.

They control currencies for all but two countries now which are Iran and North Korea. Cuba was also excluded until a couple of weeks ago.

However, the recent agreement in December 2014 between the USA and Cuba, which Prince William went to Washington the week before the announcement, presumably to finalise the agreements that they would now have control of Cuba's Central Bank and therefore currency as well.

Therefore, the author believes that the 10 horns are of hungry Bond interest rate setters of the Second Beast, of which only seven will receive crowns around the time Prince William receives his crown. 06/02/2015

## Woman In Heaven gives Birth – Second Addition

The Ten Horns and 7 Crowns are rate setters for the world's currency and interest rates. The currency is going to be a currency of the Phoenix, the author believes, but transactions for everyday things, property and shares, will be via a microchip.

However, he believes they will let you trade your gold and silver in at the Mints around the world probably for credits against your microchip. The Bible says if you do not have the 'Mark of the Beast' you cannot buy or sell.

Maybe even Gold and Silver coins, or bullion, will be of no use if you do not have the chip!

Why Hungary? It's a good question but suffice to say that the Second Beast, The Rothschild, descend from the land that is called Georgia and the area of that land (Magog) and the tribe of the Huns. Hence why God brought that into focus 10 horns down to seven, so that you and the author would know exactly that this beast comes from the land where as the first beast comes from the Sea. England, the British Navy. The British Navy received its funding from the Bank of England when it was set up. Twelve people contributed 1.2 Million pounds back in 1694, and that was immediately lent to the government to build the British Navy. The British Navy went and conquered most of the known world at that time.

## Chapter Twelve – Other Observations

If we add up all the days the planets take to orbit the Sun, including the Earth and Moon, orbiting the Earth and add on I Tick (1 constellation of travel time) to allow for cycle changes (i.e. 30 degrees) we come to a figure of 216,505.53.

Addition

$2+1+6+5+0+5+5+3 = 27$  27 sometimes 28 Lunar Mansions.

Multiplication

$2 \times 1 \times 6 \times 5 \times 0 \times 5 \times 5 \times 3 = 4,500$

It's not known exactly when Noah's flood was but let's assume the story 4,500 years ago from the end. Ending date of the Authority of the Beast is 8<sup>th</sup> March 2021.

Less 4500 years would take us to 4500 minus 2021 = 2479 BC.

$2+4+7+9 = 22$ . Some believe it was 2348 BC<sup>43</sup>.

### Woman In Heaven gives Birth – Second Addition

According to the book of Jasher<sup>44</sup> Noah took 120 years to build it so add 120 to 2,348 and you have 2,468. 11 years out. 11 stands for disorder and confusion in Bible Numerology. Note that God said to Noah and Methuselah to warn about the coming flood. They were the only two left that followed the Lord out of the whole Earth. Just two!

The author wonders if that is why the Lord said shall I find faith on the Earth when I return.

Therefore, by adding in the change cycle to all the planets it gives us dates in a very simple way to estimate certain thing. He believes this was very rough and quick if one was to do it using the pentagram and/or hexagram one would come to a very precise date.

If we square root 216,505.53 we get the answer of 465.30. Notice it is 100 out from the days of 1 year on Earth 365.24 days.

Is that 1 for God amplified by two zeros?

465.30 is 465 exchange for us and .30 for 0 or ZERO for God, 1 for Jesus, 2 for the Holy Spirit and 3 for us the saved. Amplified by a zero making it 30.

Zero is for God and Amplifying the importance of the number. Summary then is God exchanges the Solar System after the Second Judgement for us, the saved, and we become part of the Godhead.

Amazing stuff. The author is sure there are others' numerics in the 465 number. However, he would say this one above is the main and most important one.

The ratio of 153/265 was consequently known throughout the Hellenistic world as the measure

The denomination 153 for a year has been used since the early medieval period, when the Anno Domini Calendar era became the prevalent method in Europe for naming years. Prevalent method in Europe for naming years.

## Chapter Thirteen – Seven Virtues & Seven Sins

In the table 13.0 7 Virtues and 7 Deadly sins relating to 7 bodies in the Heavens listed below for convenience we see that the positioning of the bodies tell an additional "sense" of what is going on in Heaven and on Earth.

The 7 Virtues and 7 Deadly Sins can be found in a poem entitled *Psychomachia*, or *Battle/Contest of the Soul*, written by Aurelius' Clemens Prudenus, a Christian governor, who died around 410AD

In 2012 author Jess C Scott covered the seven deadly sins and the seven heavenly virtues in two separate anthologies.

The *Self-anthology* is a short story collection which links personal spiritual growth to each of the seven heavenly virtues.

## Table 13.2 Seven Virtues and Sins Meaning

Therefore, the woman is full of pride (Sun) and looking beautiful, her foundation is greed (Moon), and she is full of envy (Jupiter). The woman also represents mankind on Earth, who is separate from God and are undefended.

In building the case for the birth being the Birth of the 666 and possible numbering of mankind either by Spiritual, Microchip or Stamp, we can see that the pride of Lucifer, whose foundation was greed, being full of envy against God. Wanting God's position.

We have yet to tie in the organisations that are being represented by the 12 stars in Revelation's 12. The inverse to the above is: Be full of Faith, Hope and exercise Justice! Let's look at Lucifer for a little in Chapter 14.

## Chapter Fourteen - Lucifer

In the Holy Bible we also see that Lucifer was the most beautiful Angel. He was, however, greedy and wanted God's position; he wanted to be the almighty. (Beauty - Pride: Wanted to be God - Greed and Envy).

He was envious and because he was the most beautiful of creation at the time he became full of pride, and still seeks to usurp God's authority and position; and now Lucifer wants God's Inheritance, his people - you and me. Ezekiel 28 v 13-19.

13 *You were in Eden, the garden of God; every precious stone was your covering, the carnelian, topaz, jasper, chrysolite, beryl, onyx, sapphire, carbuncle, and emerald; and your settings and your sockets and engravings were wrought in gold. On the day that you were created they were prepared.*

14 *You were the anointed cherub that covers with overshadowing [wings], and I set you so. You were upon the holy mountain of God; you walked up and down in the midst of the stones of fire [like the paved work of gleaming sapphire stone upon which the God of Israel walked on Mount Sinai].*

- 15 *You were blameless in your ways from the day you were created until iniquity and guilt were found in you.*
- 16 *Through the abundance of your commerce you were filled with lawlessness and violence, and you sinned; therefore I cast you out as a profane thing from the mountain of God and the guardian cherub drove you out from the midst of the stones of fire.*
- 17 *Your heart was proud and lifted up because of your beauty; you corrupted your wisdom for the sake of your splendour. I cast you to the ground; I lay you before kings that they might gaze at you. Possible reference to Revelation 12.*
- 18 *You have profaned your sanctuaries by the multitude of your iniquities and the enormity of your guilt, by the unrighteousness of your trade. Therefore, I have brought forth a fire from your midst; it has consumed you, and I have reduced you to ashes upon the earth in the sight of all who looked at you.*

## Woman In Heaven gives Birth – Second Addition

He was one fine looking Angel. He was in charge of the Angels, probably billions to trillions of them along with the two other Archangels, Gabriel and Michael. He was in a very high and mighty position being the anointed cherub that covers with overshadowing wings!

As the fiery Red Dragon (Crocodile in the Hebrew Bible) will take 1/3 of the Stars it is reasonable to believe he was in charge of 1/3 of the Angels, 16 indicates he was trying to "buy" "commerce" more angels into his "way" of thinking - to worship him. That makes him the first "stock broker" trading in the stock of Angels!

BUT he wanted more, he wanted equality with God or to take God's place really (v 17). He is still trying to do that in verse 1 Rev 12, in trying to take the 12 stars out of Leo the Lion Constellation (The Lion of Judah) and have them on the woman's crown and then destroy the woman [being the Church on Earth - US] and take the crown and become "Almighty".

He wants back the authority he had and more, and what has been taken from him due to his unrighteousness. He was clothed with all manner of Jewels

Ezekiel 28 v 14 above, but having been stripped of them he wants them back and why not try and take the King's - the Lion of Judah's? He is still trying to get the Top Natch position but he will be

## Woman In Heaven gives Birth – Second Addition

overcome in our time frame; he has already been overcome in the Eternal time frame.

Job 38 says v 7 When the morning stars sang together and all the sons of God shouted for joy. Lucifer or Satan was a Morning Star. Once sang the praises of God until sin was found in him. Stars - Angels.

Could it be that the stars are representations of angels or groups of angels as in the Milky Way? The more I think about this, the more I consider it possible and reasonable. If they are not, where is the 1/3 of stars going to go when they are cast down to Earth?

Is God going to make them physically go into a black hole or just remove them from the Evening Sky? It is obvious that the "physical" stars do not come to earth or the impact would destroy the earth; of just one planet hitting the earth let alone the trillions that are out there, and destroy God's most precious creation, human beings.

That cannot happen because that would mean that God has broken his covenant with the Bride of Christ, his church. Therefore they (the stars) will either disappear or they are actually angels.

We will see, as we say in Christian circles, and in the Stock Markets. We will see! Now let's have a look at the numbers that God has used in the Protestant Bible wherein He talks about Lucifer. The Christian Translations of the Bible are

## Woman In Heaven gives Birth – Second Addition

Ezekiel is 26<sup>th</sup> Book in the Bible which is 2 times 13 In Bible Numerics - 2 means Separation and Sanctification.

If you sin you are separate from God. Lucifer separated himself from the Heavenly realm by sin. Being against God and would not sanctify himself by repenting and asking for God's forgiveness. V 13 is the cycle for the Moon, which some worship as the Moon god. Being a Cycle it is going to last for only so long then the cycle will end or change.

V 14 (2 times Seven) Separated and Finality.

V 15 (3 times 5) Godhead and Saved by Grace, until "*iniquity and guilt were found in you*". However the number 5 is used often for the Illuminati and the Pentagram as Devil Worship. This is a real dilemma.

How can the number 5 be for Grace and Devil worship? Well it quite simple really, because if we repent and turn from our old life and become saved (for me that's Born Again of Water and Spirit if they have the opportunity) then God's Grace covers our sin and it is covered by the blood of Jesus who died for our sin - And whosoever liveth and believeth in me shall never die. Believest thou this?

## Woman In Heaven gives Birth – Second Addition

John 11 v 26 KJV V16 (2 times eight), God separated himself (2) by the number (8) Holiness or Jesus the blood of the lamb. V 17 In symbolism the number 17 means “symbol of the man participating to both worlds, celestial and terrestrial, according to Prevost V 18 is 6+6+6 and number for Lucifer and Antichrist. V 19 is the number for the Sun not Son, and as you will see later in a tarot card is the Woman sat on a horse clothed in the Sun. Now if you wish go back and compare the verses with the Numerics of the numbers and the symbolism of number 17.

Another reason Satan rebelled, would be because of us humans. You see us humans, when we are grafted into the Godhead, will be above all the angelic beings except for 3 which are God, Jesus, and the Holy Spirit. In other words we will be more powerful than Satan ever would have been.

The author believes this was not agreeable to him, and thus he rebelled; and decided to keep as many of us as possible under him and therefore in his control. He however, the author believes, did not see what was coming and that was Hell.

He sure found out really quickly when he rebelled in Heaven, war broke out in the Spiritual Realm. Jesus said “He had seen Satan fall from Heaven as lightning. However, in our time frame that has

You can see a picture of Satan, which is between Virgo's legs, on my website link below. He has a green nose and gold teeth, and he is fiery red. Now think about this, he could walk in the fire. In Revelation an angel stands in the Sun which is 6,000 degrees and there are hotter Suns than our sun. Yet Satan could walk in the fire and not be burnt! He is certainly one being the author does not want to meet. The author will love the Lord and meet Him instead.

After Axis 232 or the 232 time of 153 degrees the angles still being 153 degrees and zero minutes (Time and Space) "SPACETIME" comes to 20th September 2017.

## Woman In Heaven gives Birth – Second Addition

Clearly this time is very important to God and the Church, and all the people on Earth.

To be out only 3 days at 153 degrees over 100 years is not bad at all. 3 days - let's look at the accuracy rate.  $100 \text{ years} * 365.24 \text{ days per year} = 36524 \text{ days}$ .  $3 \text{ days out} / 36524 \text{ days} = 0.00008191349$  error rate or accuracy rate of 99.9999191%.

Accurate to the fifth decimal place! That accuracy was using the days now we use the calculated days in time and space. Note also that the days it has taken is 36443 calendar days on the cycle analysis table 15.3.

The length of the sides of the pyramid is 36524 inches put the decimal point in and you have 365.24 days.

Put the decimal point in 36443 and you have 364.43 days. Only .59 of a day out which may be the result of the displacement factor. Although it has taken 100 years from 11<sup>th</sup> December 1917 to 20<sup>th</sup> September 2017 on the Time and Space, "SPACETIME", calendar as measured by the Musical Clock our Solar System and Universe "Fixed Stars" the timing is out by 3 days.

Woman In Heaven gives Birth – Second Addition

HOWEVER, if we had just added 100 years to 11<sup>th</sup> December 1917 we would have aligned the 100 years to 11<sup>th</sup> December 2017 and we would have been out by 79 days to the 23<sup>rd</sup> September 2017.

This illustrates when calculations of dates and times in Bible prophecies and aligning cycle's one must use the Clock of the Solar System SPACETIME rather than the calendar on the wall.

Below in Table 15.4 Jupiter is angle of 144 degrees measured from the viewpoint of the Earth against the backdrop of the "fixed Stars" lands on the day of 29<sup>th</sup> September 2017.

Venus hits on the same day, which also confirms what was stated before the minor pentagonal cycles unfold into the greater pentagonal cycles and so on.

Woman In Heaven gives Birth – Second Addition

We have Major and Minor planet cycles (fast and slow planets) landing between the 20<sup>t</sup> and the 29<sup>th</sup> September 2017 on both the Synodic and Sidereal measurement scales.

Important is an understatement!

On top of that we are using numbers out of Revelation 144 and out of the Gospels 153! Not the standard angles/strong points in SPACETIME!

If we go back to the Great Pentagram we would see something like this in figure 15.5, the author would say “something like this” it is because we would need to go back to the very beginning to align the points on the pentagram with the historical dates in history which is outside of the focus of this book.

The next alignment back in history would be placed at 72° then 216.

For points at the half way marks you would have a smaller pentagram or for example divide the angles up at 36 degrees for minor dates see figure 15.5. Each placement is still 144 degrees apart.

Interestingly it is also 50 years from the 1967 Six Day War. Now we have 1917 Jerusalem delivered, 1967 Six Day War and 2017.

The year of Jubilee is a 50 year cycle. Meaning we have a 50 and 100 Year cycle being completed. Clearly it is a very important time in history.

## Chapter Sixteen - The Sun - The Trump Card

### **Now the SUN not Son.**

The author admits he had read from W.D. Gann, a Christian Stockbroker who was an incredible 91% accuracy in his trading and audited back in 1908, had a table for the 18 year cycle (Moon) and the 19 year cycle the SUN, so he was already very aware of the Sun cycle and number 19.

He executed a Google search for the SUN number 19, and read this in Wikipedia (remember he is just using Wikki due to access ability and ease for all); he just laughed.

"The Sun (XIX) is a trump card in the tarot deck"  
The woman is clothed in the Sun v1!

Biblical Astrology and Astronomy match up with Revelation 12 and so does Secular Astrology Originally the author called this book, '09/24/2017 Satan's Trump Card Day vs The Blood of the Lamb', but changed it when he thought the title might not be the best. He thought to change the title to 'Virgo gives Birth',

### Woman In Heaven gives Birth – Second Addition

that the woman in Heaven is Virgo and therefore changed it to “Woman in Heaven gives Birth” as or similar to the scripture of Revelation 12.

When the author saw the tarot card being number 19 and it is a trump card, he just laughed. Satan is pulling out his ‘Trump Card’ as it were, on the weekend of 23-24th of September 2017.

However, he is 2000 years late. Jesus already trumped him with his pure and precious blood and all who want to be saved can be, by the Blood of the Lamb!

Now this Trump card or possible meaning thereof is deliberated in Chapter 17. Really it’s no laughing matter, he is going to use everything he has to destroy as many souls as he can.

This is a trump card over the saints and it happens on the weekend at 7:36 am on 23<sup>rd</sup> of September 2017, and the 24<sup>th</sup>, which is when the banks’ computers will be updated to start at 12:00:01 on Monday the 25<sup>th</sup> September 2017.

The 3.5 years of tribulation after this date is going to be very tough indeed for the saints and hard for the rest of mankind.

## Chapter Seventeen - Revelation deliberations

The Great Wondrous sign will happen at 7:36 am on 23<sup>rd</sup> September 2017, being 144 degrees on the sidereal and 153 degrees on the Synodic Measurements of SPACETIME.

144 is apparently the number for the HOLY Face of GOD and 153 for the Church in Gemetria.

God's Face is looking at the Church. By using the correspondence A=1, B=2, - Z=26, we find that the French words "coeurs unis" ("united hearts"), referring to the united hearts of Jesus and Mary, give  $144=81+63$  as numerical value.

It is the same for the sentence "La Sainte-Face de Dieu" ("The Holy Face of God"). The woman dressed in sunlight standing on the moon and crowned with 12 stars is the EU. The author believes. EU Flag below -12 stars in it!

As we have seen the EU is on shaky ground; financially it is "bailing out" its nations and the USA is helping in this by giving money to the EU and International Monetary Stability Fund.

## Logo 17.1 Soca.uk.gov

Remember in the preview the book cover logo a green Globe with a white grid. Coincidence? Maybe.

The author did not put this in his first e-books on this subject, until he noticed they had changed the logo and the web address.

Personally the author thinks they did that because it identified them with the scripture in Revelation 9 v 3 to 11 KJV penned by John from 2000 years ago.

Woman In Heaven gives Birth – Second Addition

*3 And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power. (The author's interpretation underlined) either smoke from the Wormwood star or from when Satan flicks the 1/3 of Stars / Angels to the Earth or when CERN open the bottomless pit?*

*And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.*

Those who do not have the mark of the beast #666 on them (the microchip) stamp or a spiritual sign are in trouble, deep trouble!

*5 And to them it was given that they should not kill them, but that they should be tormented five months: (perfect 5 month cycle is 153 days/153 fish) and their torment was as the torment of a scorpion, when he striketh a man. Whatever they do to the people without the mark of the beast it is going to hurt.*

*6 And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.*

## Woman In Heaven gives Birth – Second Addition

Locusts have been here before and at the end of September 2015 they will be released out of the energy pit to sting mankind who do not have God's spiritual seal in their foreheads, notice it say's "in" not on! Could it be talking about the Holy Spirit within an Anointed Christian?

The author thinks it could well be.

And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon. These two names mean the destroyer

Is there a picture of a statue of this Angel? As it turns out there is. And there is a mock up one as in a building in the Avengers Movies!

Woman In Heaven gives Birth – Second Addition

This sting what could it look like? Well a scorpion sting gone bad looks like this below

Picture 17.5 Scorpion sting

There is #5 again (5 months of stinging those who are not following God). #5 for Grace – God's people will not be hurt or tormented. #5 also for the opposition Satan and those that are not of God but rather follow by default, or not default, Satan will be tormented.

Looking into this, leads you down all sorts of dark paths. EU and Government departments like the National Crime Authority will introduce the "baby" the mark of the beast if it is not a spiritual mark which will be in or on one's right hand or forehead.

The logo is like nothing before for the UK here is a news report on it dated 5 April 2006.

E-mail this to a friend Deconstructing SOCA By  
Denise Winterman BBC News Magazine.

Picture 17.6 SOCA LOGO

A new FBI-style crime-fighting agency has been launched in the UK, but what is its big cat logo all about?

If you're launching yourself as Britain's FBI and say you will make the lives of organised criminals "hell" then you need a dynamic logo to match the job.

The Serious Organised Crime Agency (Soca) has chosen a fierce big cat bearing its fangs and leaping over a stylised silver globe, with a crown capping it all.

Woman In Heaven gives Birth – Second Addition

Thundercats. So was the comparison to the show - which featured humanoid cats battling evil mutants in the Earth's distant future - intentional? Soca declined to comment.

### 17.7 Thundercats Logo

One thing's for sure, it's a far cry from traditional police badges and those of Soca's predecessors.

The National Crime Squad used a standard police helmet badge with a red and yellow flower at its centre and the National Criminal Intelligence Service used its initials with a sword symbol.

So what is the logo all about and what does it say about Soca? The organisation itself is not willing to shed any light on the subject.

## Woman In Heaven gives Birth – Second Addition

"It's not our policy to comment on the logo or the agency itself, we want to keep a low profile," says a spokesman. Very cloak and dagger!

So the Magazine asked Patrick Cox, the executive creative director of Wolff Olins, one of the country's biggest branding companies, for his opinion.

He says the logo is not very sophisticated but gets a certain message across.

"It is a butch translation of a butch organisation," he says. "It uses a sharp-clawed cat to get across the message that the organisation has sharp claws and will use them to get their targets."

### **He looked at the four key elements:**

THE CROWN Thundercats logo Thundercats - and Soca - are go! The Soca logo is capped with a stylised version of the Royal crown familiar from other police insignia known as "helmet plates".

The royal insignia is known as the Edward Crown, or Queen's Crown.

"It represents something traditional but with a modern, stylised twist," says Mr Cox. "It's saying the organisation is legitimate but works in a new, more modern way."

"It has overtones of Mexico or cartoons and

Woman In Heaven gives Birth – Second Addition

from the logo and use to kill someone reinforcing the go-getting attitude of the organisation."

### THE BIG CAT

The logo is dominated by a fierce big cat baring its fangs, which looks like a panther or a sabre-toothed tiger.

"The big cat is trying to get across the strength and aggression of Soca," he says. "It is telling criminals that they will come and get them.

[Barry here, the criminals as of the weekend of 23/24 September 2017 is every person who refuses to have the Mark of the Beast on or in them]!

"It is a representation of what they want their methods to be seen as - fierce and relentless."]

### GLOBE LINES

Tony Blair

## Woman In Heaven gives Birth – Second Addition

Blair officially launched Soca.

The big cat is leaping over the stylised silver globe, which has lines running along it on the left-hand side.

"The lines running along the globe have dots on each and represent a flow of information globally," he says. "It says Soca will work with organisations across the world and swap information to get the criminals it wants."

Woman In Heaven gives Birth – Second Addition

"It says this organisation is not about PCs on bikes, not Dixon of Dock Green stuff; this is a modern crime-fighting force.

## **GLOBE GRID**

On its right-hand side of the globe is a grid.

"The globe is about the international nature of the organisation and says it will target criminals across the world," he says.

"The grid on the right reinforce this message, that Soca will travel anywhere in the world to get its man and the criminals have nowhere to hide."

Summing up, Mr Cox says the logo is very Western and international, something new for a police organisation in this country but nothing new when it comes to design.

## **End of News article.**

Nowhere to hide – this is why the author thinks and believes the Mark of the Beast is the microchip or the mark on the skin that the procedure of inserting the microchip into one's body leaves.

If you do not have the microchip then when you are viewed/seen by a police officer, for example,

Woman In Heaven gives Birth – Second Addition

your Identity will not show up on the officers glasses or/helmet.

You will not be able to Buy or Sell and you will not be able to go about things the way you do now.

If the Mark of the Beast is inside one's skin it will be the Radio Frequency Identification Chip (RFID).

If it is printed on one's skin it may be possibly because they live in the poorer nations and do not have the electronic infrastructure to support the RFID technology. Today is 25th of February 2015 and in this video

<http://youtu.be/CNyjucxNvbM>

<http://youtu.be/CNyjucxNvbM>

However, they have deleted as usual to hide the truth now is 24<sup>th</sup> May 2015 a 500 person company and in that company most of the employees have the microchip and the insertion of the chip leaves a mark.

So 2.5 years before it becomes compulsory and we have a 500 person company have it and it is reported to be a great thing to have.

The only trouble with that is the Bible says in the book of Revelation 14 v9 -10 KJV

Woman In Heaven gives Birth – Second Addition

9 And the third angel followed them, saying with a loud voice, “If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, “Incision scar””.

## Woman In Heaven gives Birth – Second Addition

10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

Have the chip and go to Hell, do not have the chip and you may go to heaven.

Do not have the chip and believe, trust and obey Jesus, i.e. be born again and you will go to Heaven and live forever.

If you like to know how to get saved go here

<http://revampyourmind.com/salvation-massage/>

To the author, the most reasonable time to announce it would be in November 2016 because Christmas is very close and people's minds are distracted.

Maybe it will be the 25<sup>th</sup> – 26<sup>th</sup> November 2016 when Virgo, the Woman in Heaven, becomes pregnant with Jupiter and with the Moon that triggers the gestation cycle.

Some believe (the Mark of the Beast) will not be the RFID but rather a six pointed hexagram. The author doubts this very much, he does not see why they would go to that trouble for no financial gain, after all the aim is control!

Woman In Heaven gives Birth – Second Addition

Why do it if you do not gain control? As stated in the book “the limits to growth” in the prelude they must “in their minds” reduce the population or the earth will run out of resources by 2100 AD.

Therefore, if you are going to reduce population you must have control and the best way for control is financial and in law and by a device.

UK Schools fingerprinted over 1 million children in 2013 In Sydney Australia fingerprinting biometric data has begun.<sup>45</sup>

Of course parents think it is great. They will know if their children are at school when they should be. The real aim is control along with easy and quick identification.

The author believes it will be brought in on the basis of identity theft and money laundering and Counter Terrorism Acts or similar. We need to "Identify you" Which is called in Australia the Anti-Terrorist and Money Laundering Act.

Woman In Heaven gives Birth – Second Addition

Anti-Money Laundering and Counter-Terrorism Financing Acts or such like are world-wide. Lucifer is going to pull out his TRUMP CARD and make all the people of Earth have this either in them or on them by the weekend of 23-24<sup>th</sup> September 2017.

Actually the author believes it will be as said, they (these Locusts) are able to identify us by the Christians having a Seal of God in their forehead so the Locusts did not attack them.

Therefore, have the chip in hand or forehead and we will know that you are a financial resident of the system and we will know that you are not a terrorist and you can move and go about your business “freely”!

If it is not a spiritual mark and the author believes that the evidence thus far shows it is not a spiritual mark. Those that refuse will not be able to participate in the "RFID Economy", whatever that will be.

Which poses some significant problems for the Saints? The child birth “pangs” is the pains they are going through to make every nation on Earth comply and keep together the Fiat Financial System while they prepare for the birth.

However, reports are worldwide that the earth is making strange noises, these would also qualify as birth pangs, and Virgo is not in the gestation period yet. Some are even hearing Trumpet

Woman In Heaven gives Birth – Second Addition

*Revelation 12 Verse 3-4 3 And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.*

*And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.*

It is impossible to calculate the number of "stars" falling to earth. This could be a pole shift on earth or in heaven. This seems unlikely because the stars would still be in the heavens.

The author is of the belief now that the stars are representations of Angels and when the fiery red Dragon/Crocodile being Satan/Lucifer commands them to Earth because Michael and his righteous angels fought against Satan and his Angels who lost.

One third of the stars will disappear from the night sky. Fortunately they are mapping the Universe now.....to give you an idea, it is believed, that there is about 100 thousand million stars in the Milky Way alone.

1/3 of the stars coming to earth will be about 33,333,333,333 and that is just the Milky Way! 33 Billion **only** from the Milky Way, and they are

## Woman In Heaven gives Birth – Second Addition

coming to wreak havoc on the Earth's 7 maybe 8 Billion people by then; and in particular the saints that refuse the mark of the beast the 666.

This will fulfil the scientists' belief that the Universe should be getting smaller. Everything is squared out. Everything is kept in balance.

Another reason this is important is that Jesus chose 12 apostles. *“And when it was day, he called unto him his disciples: and of them he chose twelve, whom also he named apostles.*

If you look closely at Jesus' life on earth it was all squared out, all made right and all of it numbered everything was in balance.

Except for the greatest injustice ever and forever, which was Jesus was innocent and he was killed naturally.

Let's look at God's Pillar in Egypt the Pyramid again.

Woman In Heaven gives Birth – Second Addition

## Drawing 17.8 Pyramid Lines

We see that there are 4 Triangles, one Square and one Circle. This is very important. By using the numbers 1 through 12 we can see that it takes 12 numbers to square out the three shapes that is God's pillar. Just because you do not see the circle does not mean it is not there. Therefore:

Woman In Heaven gives Birth – Second Addition

1-4 Squares out the Triangles

5-8 Squares out the Square

9 -12 Squares out the 4 90° corners of the Circle.

Ralph Elliot was an Accountant in the 1930's. He discovered that Humanistic behaviour leaves a pattern. The best place to see this pattern is in the Stock Markets. He called it the Elliott Wave Principle. In his book, Nature's Law (1946), Ralph. N. Elliott goes into a little depth about the pyramid and says that from the Apex at the top (eight points) you can see eight lines.

However, he has unfortunately forgotten something and that is that the ninth line is a circle touching the four corners of the Pyramid.

In the author's Book - No: 1 Market Top Secret Series "Increase your market targeting to over 95%" he mathematically proves he was incorrect in his labelling and that it is actually 12 rhythms not 8 waves as he called them. Why Rhythms?

"Are you tired? Worn out? Burned out on religion? Come to me. Get away with me and you'll recover your life. I'll show you how to take a real rest. Walk with me and work with me — watch how I do it.

Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with me and you'll learn to live freely and lightly."

## Woman In Heaven gives Birth – Second Addition

The Rhythm model of humanistic behaviour actually looks like this below. Remember also we were created in the image of God and His Son.

### **And God said;**

*Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.*

Everything under our control and everything we do is numbered. As said before the best place to see this is the financial markets.

## Drawing 17.9 12 Rhythms

This is why Jesus chose 12 Disciples that were close to him, it fits the mathematics and because everything is numbered. God works with numbers so everything is in balance. Now notice that when you get to the top number 9 you are at the top of the circle.

It is then down to 9 o'clock up and across to number 3 o'clock and then down to 6:00 pm. It is in that order because the Earth rotates anticlockwise. What happens next is you to go number 12 and start the process over again.

## Woman In Heaven gives Birth – Second Addition

That is why people do not like the number 13, it is a change number.  $12+1$  starts again. It is also an expansion number in the Fibonacci expansion and contraction sequence and cycles.

This is why Jesus after his resurrection replaced Judas, who betrayed the Lord, with the thirteenth disciple Matthias. Therefore, we that are saved by the Lord are not going to number 12 to be judged, but rather we are going to be saved from eternal death and destruction.

We are saved by Jesus, No: 8. Jesus being The Pearly gate -The door.

You see we are being squared out as it were, to be like Jesus and allowed, through him, the door to the circle. The circle being everything in God.

Whereas in the second resurrection we/they will have to get through the number 12. If you do not get through to 13 expansion, you are stuck at 12 and No 12 goes down to somewhere that is not very nice indeed.

Therefore this simple chart would be drawn like this including past Empires listed here.

### Drawing 17.10 Rhythms and the choice

Woman In Heaven gives Birth – Second Addition

Now that is one incredible summary from Adam and Eve to the 2<sup>nd</sup> Judgement. This clearly shows why #13 which a lot of people do not like is incredibly important.

Thirteen will be unlucky for the majority. However, those who have faith, and believe in the Lord Jesus, even if it is a size of a mustard seed of faith, will escape #12 (judgement) and love #13 because God's Kingdom will expand and we will be part of it as we are grafted into God and the Heavenly Realm.

If you wish to explore this deeper please refer to the author's book No: 1 Market Top Secret; now updated Christian Version to Market Triangulation.

To keep it brief here where you see number 9 is also a rhythm. Now back to the expanding universe. The author believes when the scripture in Revelation says that with one flick of his tail the Crocodile is going to flick one third of the "Stars" fall to earth the Universe is going to shrink from number 9 down to the number 10 on the Rhythm Model.

Then 3.5 years or 42 months after the 23<sup>rd</sup> - 24<sup>th</sup> September 2017 the Lord will return - the time and day is unknown of course. The Lord will reign for 1,000 years on earth.

This will be an expansion time and therefore under the rhythm model The Lord's kingdom will expand. Immediately on his return those that are with him will be have their salvation and eternal life granted.

Then towards the end of the eleventh rhythm the

Woman In Heaven gives Birth – Second Addition

period of time loose on the Earth again. Then we read that he will gather the nations and this old Earth and Heaven will pass away and the Book of Life is open and those that are saved will go into eternal life and those that are not will join with the devil, his angels and his seed in Hell.

This will be at the bottom of rhythm #12 for them and for us and those that are saved we escape rhythm #12 eternal death and destruction to begin rhythm #13 with God.

*Revelation 21 “Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more.*

- 2 *And I saw the holy city, New Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband.*
- 3 *And I heard a loud voice from the throne saying, “Behold, the dwelling place of God is with man.*
- 4 *He will dwell with them, and they will be his people, and God himself will be with them as their God*
- 5 *He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away.”*
- 6 *And he who was seated on the throne said, “Behold, I am making all things new.” Also he*

*said, "Write this down, for these words are trustworthy and true."*

- 7 *And he said to me, "It is done! I am the Alpha and the Omega, the beginning and the end. To the thirsty I will give from the spring of the water of life without payment.*
- 8 *The one who conquers will have this heritage, and I will be his God and he will be my son.....*

*Rev 21 v 22 And I saw no temple in the city, for its temple is the Lord God the Almighty and the Lamb.*

*23 And the city has no need of sun or moon to shine on it, for the glory of God gives it light, and its lamp is the Lamb.*

***The author will have to wait, but crikey, he will be part of all that above.***

Now back to the Circle, Square and Triangles. Once you get to number 9 in financial markets, it is then time for trajectory corrections and this happens on all time frames from thousands of years down to the tick or seconds. On a two dimensional Chart the corrections look like this below.

## Woman In Heaven gives Birth – Second Addition

### Drawing 17.11 - 12 Rhythms O'clock

The author has used three circles due to the two dimensional drawing limitation. Therefore rhythms up 1 - 4 squares out the Triangles, 4 – 8 square out the Square.

Now get this! To get to #9 you must go through #8, and who is number 8 in bible numerics? Jesus; and he said *"I am the way, and the truth, and the life. No one comes to the Father except through me!"*

## Woman In Heaven gives Birth – Second Addition

Jesus also said I am the door. If anyone enters by me, he will be saved and will go in and out and find pasture.

In other words, you do not get to the circle you do not get to the single dimension that encompass everything, is everything, through everything, in everything which is God unless you go through Jesus!

In the Model above you do not get to number 9 unless Jesus lets you in the door. In this next model

The author has labelled the model differently because he wanted #6 to be with Mankind (us) and #12 to be with God at the Top of the drawing.

At the end of the day it does not matter, how the drawing is labelled. Our belief is what matters, believing in Jesus, God and the Holy Spirit.

Another mathematical thought is why God may have gone to all this bother

Many draw the Godhead with the saved like this below.

The Godhead is made up of three people who are one, God, Jesus and the Holy Spirit. Although complete in themselves have the room and capacity, if it can put it that way, to add another triangle to complete the square, by doing this the Godhead will look like this.

### Drawing 17.14 Godhead with us

The believers are saved by the Blood of the Lamb – Jesus. We are grafted into the Vine – into Jesus, God and the Holy Spirit. Jesus will be the only one scarred in Heaven. The author believes anyway. We are not only Friends with God we are part of His Body as it were!

Sacred for all eternity, in order that we can be saved, and purchased from the Devil. The only other spirits in Heaven, the author also believes, will be the Angels and Cherubims. In charge of

Woman In Heaven gives Birth – Second Addition

them would be Archangels Michael and Gabriel, as it seems to be at the moment.

Maybe the angels are to serve God and those who are part of the Godhead, being God, Jesus, The Holy Spirit and Us - the Saved, by the Blood the Lamb - Jesus. The author would think as far as numbers go, it would look or count as demonstrated below in relation to our salvation.

### Picture 17.16 Spiral Effect of dropping no:12

By dropping or cutting out number 12 instead of a circle then another unattached circle you have instead a spiral effect.

This is due to number 12 no longer being there and being replaced by number 13 which means the one circle or circle of God can surround

Woman In Heaven gives Birth – Second Addition

By Jesus dying the Godhead was ruptured, if you will, and we could be grafted in. Into an expanding spiral of God, instead of outside the circle of God.

That is mind blowing – SELAH - think about it!

In the Hebrew Bible Revelation 12 v 5 *Woman girl boy with strong hand male designed to control all nations.*

This passage of the Hebrew Bible differs from all others versions in Revelation Chapter 12, which, the author believes, is the most accurate.

See the all Seeing Eye there?

Is it the EU and NCA giving birth to 5 levels male strong hand (rule) (laws) designed to control all nations? The author believes so.

However, we will have to wait and see if it is not the above. What also is interesting is that the book "limits" to growth states that people, resources, lifespans need management. We see that The Centurion Team will be doing the lifetime management!

Killers before killers shall they be!

## Woman In Heaven gives Birth – Second Addition

As we have seen the woman fled for 1260 days which is measureable by the SPACETIME alignments in the heavens.

The 'Woman' in the book of Revelation has multiple applications.

### **Heaven rejoices**

Revelation 12:10-12 Heaven rejoices because the two thirds of the Angels left won the battle against Satan and his angels by the Blood of the Lamb (Jesus).

Then as one considers that those angels that are on Satan's side are now going to be down on Earth to wage war against all humans, and particularly the humans that refuse to have the RFID in their bodies or printed on them; those angels are going to give Christians the toughest time one could have. No one can know exactly what is going to happen and exactly when, we can only look at the scriptures and understand that it is going to be traumatic.

The Earth will be going through some major events due to the SIN (separation from God) in the World. This is the true reason for climate change!

## Woman In Heaven gives Birth – Second Addition

The author believes he (the Devil) is going to give the EU a hard time as well, because the EU has its Super Computer, probably a lot of it cloud based, already established where all the identities of all the inhabitants' financial and identity data is being stored.

The Super Computer - the 6 numbers by 6 numbers by 6 numbers that number all earthlings which is already operational. Why not knock it out and bring all the inhabitants under unbelievable stress? Because while the super computer is down (if it is that) no one will be able to buy or sell, assuming it is a microchip implanted in one's skin or a stamp.

Heaven is rejoicing because Satan is now on Earth and cannot get back to the Heavens and nor can any of the angels on Lucifer's side. We read in Rev 12 that he positioned himself to "catch the baby". He is trying to destroy everyone and give them as much stress as he can in the meantime.

Could it be catching the baby is symbolic of trapping as many people as he can? In verse 14 the author knows it says a time, and times, and half a time, and many bible scholars have used this as 360 years + 720 years + 180 years.

## Woman In Heaven gives Birth – Second Addition

However, as we have seen in this book, cycles can be days as well. Or thousands of years and here the time periods is meaning days. 1260 days and can be used for 1260 years or even 12,600 years.

It is the same for the Square of 12, 12 times 12 is 144. Or 12,000 times 12,000 is 144,000 OR the Square of 52 i.e. 52 weeks times 52 weeks.

God keeps his covenant. In verse 16 the earth opened her mouth and the flood was swallowed up. We see God keeping his covenant he made with Noah and his descendants by not allowing the whole earth to be destroyed by Flood.

God is Faithful.

But why do this anyway? Well in many countries they are pumping out the underground water from the aquifers. This is happening world-wide, which will disrupt the Earth's water filtering system and leave us without fresh water.

It makes sense then that the Earth will be very thirsty underground and will need a massive drink to kick start the environmental systems again.

Of course that's just the author's thinking and it may not be because of anything like that. It may be the Lord thinks the sea level is too high due to humans pumping the aquifers and needs to refill

## Woman In Heaven gives Birth – Second Addition

Verse 14 in the Hebrew Translation we see that the woman has all her needs will be provided for a period of three years and a half year (42 months). The author believes God is saying do not have the RFID if it is that in you or the printed version on you, don't have them in your babies either, or remove them if that is possible.

Do not be afraid; he has told us this is coming. Be obedient and trust and he will provide our needs, even though the dragon will make his angels to war with the saints while he stands on the sea shore

Revelation 12 says that Satan is pulling his trump card out and trying to destroy God's inheritance. He is trying to do this via trying to take God's place in Heaven and when he is defeated he is trying to take God's inheritance, the remnant which keep the commandments of God and have the testimony of our Lord Jesus Christ.

The Second Beast, the Rothschild's financial dynasty - the two horned beast, will instruct the First Beast, Prince William or Prince Harry, along with the 300 Club, to bring the Microchip Mark of the Beast into power.

Woman In Heaven gives Birth – Second Addition

This will be 23/24 September 2017. God is not happy with this and casts Satan to Earth and all his angels. Luke 10 v 18 Jesus said:

And he said unto them, I beheld Satan as lightning fall from heaven. Jesus had not been crucified yet. So how can that be? Either Jesus was sacrificed in Heaven like God asked Abraham to do to his son (but provided a sacrifice just in time).

Like we read in book of Revelation 5 verse 6 or God folded time to make the event of being crucified one and not two. Revelation 5 v 6

*6 And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God, sent forth into all the earth.*

If it is the case that God did not fold time, then Jesus was sacrificed in Heaven and Satan cast out. Then Jesus was able to say I saw Satan fall from Heaven as lightning, some 3,000 years later. Interestingly Jesus said that almost 2000 years ago. On the weekend of 23-24 September 2017, we on earth are going to see it.

## Woman In Heaven gives Birth – Second Addition

Emerald nose and gold teeth just as Ezekiel said. Satan is still trying to usurp his authority over God. God will have had enough of him by the 23-24/09/2017, in our time frame, and will not tolerate Satan near him anymore.

Satan will no longer have access to God as he did with Job in the Old Testament: Satan will be cast down to Earth along with his angels.

Satan will be very angry about this, and create

Woman In Heaven gives Birth – Second Addition

the dwarf star called Wormwood, mentioned in Revelation, pass the Earth and maybe not.

We do not know fully until it is time. Satan's trump card of marking the inhabitants of earth with a 6 by 6 by 6 numbers, will be the final "identifier". If indeed it is that, the writer believes it is.

## Woman In Heaven gives Birth – Second Addition

There will be 2 types of people if you will. Those that choose God and those who will be seduced by the Trump Card of Satan (the world's lifestyles and riches) accessed by the RFID.

The Microchip and the image of the beast the Phoenix. 7:36 am on the 23rd /24th September 2017 IS Satan's TRUMP CARD DAY and it will last for 1260 days or 42 months.

However, it may be from 12:00:01 on the 25<sup>th</sup> of September 2017 that the 1260 days commence from. The saints just have to have faith that God is looking after them no matter what and stay steadfast in his love. Even through the great tribulation.

### **70 Year Cycle**

Interesting facts and cover ups from 1947. It was the year when Israel was to be recognised as a country again, when the UN (United Nations) resolution 181 approved on the 29<sup>th</sup> November 1947 which recreated the nation of Israel. 1947 to 2017 = 70 years.

In the terms of Cycles and Harmonics (see appendix and chapter Musical Clock, and Squaring out the Bible has many cycles in it).

This can all be matched with planetary cycles

Woman In Heaven gives Birth – Second Addition

Psalm 90 v 10 KJV says, *'The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength labour and sorrow; for it is soon cut off, and we fly away.'*

Looking for a harmonic that is 70 years we see that in "Appendix Musical Interval Frequency Ratio 2" Jupiter/Saturn has a 10 year fourth harmonic of the key of 'c' which is a ratio 4:3. 180 degrees.

In SPACETIME the 70 year anniversary will be on the 3<sup>rd</sup> of January 2017. Therefore musically/ SPACETIME the anniversary is 3<sup>rd</sup> of January 2017 instead of 29<sup>th</sup> of November 2017.

**1517 to 2017 – 500 Years.**

As we already know that in biblical numerics, the number 5 is for Grace. We are saved by Grace. We also know from previous discussion that a ZERO after a number amplifies the importance or power of that number. 50 is for the year of Jubilee.

Jubilee is when debts were forgiven, the captives are set free and other important events are to take place on the year of Jubilee i.e. every 50 years. 500 years magnifies the importance of the number.

### **Rabbi Judah Ben Samuel**

It was in the year of 1217 CE that one of Judah's most legendary and prolific German Hassidic rabbis made an astounding prediction about the future of Jerusalem and the coming of the Messiah.

## Woman In Heaven gives Birth – Second Addition

Known as Judah Ben Samuel (Judah He-Hasid or Judah the Pious), he lived in the 12th and 13th Century in Regensburg, Germany. Born in Speyer in 1140, Rabbi ben Samuel died in February 22, 1217 in Regensburg.

He was one of the fathers of Chassidei (Hassidic Judaism), a movement of Jewish mysticism in Germany different to Rabbi Lurias Kabbalistic mysticism, where the Chassids emphasized strong moral ethics and prayer Rabbi Judah Ben Samuel prophesied the following:

When the Ottomans (Turks) – who were already a power to be reckoned with on the Bosporus in the time of Judah Ben Samuel – conquer Jerusalem “*They will rule over Jerusalem for eight jubilees.*

*Afterwards Jerusalem will become no-man’s land for one jubilee, and then in the ninth jubilee it will once again come back into the possession of the Jewish nation”*

This happened in 1947. Rabbi Judah Ben Samuel studied Astrology and, presumably, Astronomy. 10 Jubilee each year of Jubilee is 50 years. 10 times 50 years is 500 years.

1517 to 2017 = 500 years. The more one looks into various cycles the more one finds that 2017 is a very important year indeed.

## Chapter Eighteen -The 7 Vials

In Revelation Chapter 14 there are seven vials. The author was not going to include this chapter; however, it makes sense to do so. Now that we know that the Compulsory Worldwide Mark of the Beast (spiritual or not) will be on or around the weekend of 23/24 September 2017.

### **First Vial**

And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshipped his image. This vial, therefore, is after 7:36 am on the 23<sup>rd</sup> of September 2017.

However, as you have seen people are already having the microchip inserted into their hand, so this may be fulfilled more quickly. The author doubts that, but it may.

Whoever has the mark of the beast the RFID or stamp on them, are going to be seriously ill! (From his Insurance days) "they may want Income Protection" to have some money while they are sick!

(The author would certainly be recommending income protection insurance because it is the

Good Health BUYS; insurance money just pays for it. So if you are going to accept the RFID - Get some Income Protection Insurance, assuming it is/will be available!

### **Second vial**

And the second angel poured out his vial upon the sea; and it became as the blood of a dead man: and every living soul died in the sea.

The author believes that with all the mining under the sea, or at least some of it, the rock structures will collapse somehow and oil will seep out in much bigger quantities than recently experienced in the Gulf of Mexico, and kill everything in the sea!

Rock structures are stated as it is believed that it will be multiple points around the World for this to happen quickly. Like as in a pole shift.

As far as holidaying goes you will not want to be on a cruise ship then (the smell will be terrible)! If one likes going for cruises they should go on a lot of cruise ships before 2018!

If one can afford it, it's time to go on holiday for the next 2.5 years straight! Interestingly in 2014

5,000 black birds just fell out of the sky in Beebe, Arkansas. Since then all over the world fish, birds, and animals have been dying in ever increasing numbers and incidents. Researchers blame methane gas. Below is a link to a report by the New York Times.

### **Third Vial**

And the third angel poured out his vial upon the rivers and fountains of waters; and they became blood.

Presumably with all the Coal Gas Mining, worldwide, and the chemicals they let go down the creeks and rivers all of them will turn red, and/or because the sea is now dead with oil/nuclear radiation; some of the oil evaporates with water and gets into the rivers and creeks and streams and they become red and undrinkable.

Also, if the under the sea rock structures collapse or change in a way that lets the oil escape. The water filtering that the Earth provides may not naturally work like it used to.

The salt may still be removed but some of the oil may not be removed! People will not be able to rely on living next to a river for fresh water to grow their vegetable patch; they will need to rely on a rather large water tank or multiples of water tanks.

Woman In Heaven gives Birth – Second Addition

### **Fourth Vial**

*And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire.*

Will the Sun get more powerful OR will the ozone layer be gone; will the OIL on the sea stop some mechanism in the sea and the whole planet warm up?

Will this be caused through spraying chemical trails over our heads? It is not known but it is going to be hot. NO ice is left to reflect the Sunlight. We are going to need a hat and possible protective clothing!

Therefore, have a lid on the top of your water tanks so that the water in it does not become polluted. Have protective clothing like a hat etc., or one will be burned just putting out the washing on the line.

This has actually happened to the author as well as the people who live in Andamooka, South Australia. One could be putting out the washing to dry at 8:30 am and by the time it is all hung, it is time to start taking it in again because it is already dry.

The heat is incredible and the author believes it is going to be hotter than that. Or as the Aladdin song goes "Arabian nights like Arabian days

This is why the elite have built DUMBS – Deep Underground Military Bases. That was Dumb! Why not just repent and give glory to Jesus, and then he would change what is going to happen? But they won't, they just hide underground for a few days.

### **Fifth Vial**

And the fifth angel poured out his vial upon the seat of the beast; and his kingdom was full of darkness; and they gnawed their tongues for pain.

Now this one is going to be funny from the Saints' point of view (or at least the author's).

The author is of the opinion that this is or might be where the Super Computer, nicknamed the Beast, in Brussels the one that is 5 stories high apparently, is going to go off line or the cloud computing will go off line!

If not the computer, the cloud computing. And no one will be able to BUY OR SELL ANYTHING including FOOD! The Saints will still have food and water because the author believes that God

It may be go to work in exchange for food. As to how will they be able to do what they normally would! If power cuts are going to be experienced a generator may become a necessity!

### **Sixth vial**

*And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared.*

The author constructed a FaceBook survey on this question which is only here

### Woman In Heaven gives Birth – Second Addition

up, and 2 weeks after the blood moon in April 2014 Turkey turned off the water to the river.

The angel has poured, but the second part of the scripture has not yet been fulfilled. In fact, on Google one can find stories how the Iraqis are being bitten by snakes that come out of the marshes of the river banks as it is now too dry for them; for some reason or the food they used to eat is not there anymore.

Whatever the reason, it is because the Euphrates is drying up! Of course if the seawater is polluted with Oil and the DAM water not so polluted, Turkey will obviously not release the "clean" water! "Clean" water will become an incredibly VALUABLE asset.

Why would a Government release the water when all other water around the world is polluted and the filtration systems of the Earth are damaged?

If Turkey, Syria and Iraq, and other nationals are on the brink of war right now, 6 years to go to the end of the authority of the beast 9<sup>th</sup> March 2021, do you really think they will release the water after the first 5 vials?

NO, they will not because the water will make them a very rich nation in the 666 RFID economies! Very rich INDEED!

## Woman In Heaven gives Birth – Second Addition

They will keep it for their people! They will sell it at exorbitant prices. Too bad for Syria and Iraq! It's going to be very dry for them.

Interesting the Euphrates will dry up and the Sand that has been wet for thousands of years will be hard very hard, almost like concrete, if trucks and tanks travel in one direction, i.e. do not cut and cross just go straight the sand will be very hard and will be like a highway in a sandy desert!

In April 2014 a week or two after the first blood moon of the four blood moons with earth and five when counting the one with Mars, Turkey turned off the water to the Euphrates River. To the author's knowledge it has not been turned back on. We are indeed in the final days.

Therefore the first part of this scripture has been fulfilled.

### **Seventh vial**

*And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, It is done. 18 And there were voices, and thunders, and lightning; and there was a great*

Woman In Heaven gives Birth – Second Addition

*earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great.*

- 6 *And the great city (London)<sup>144</sup> was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath. 20 And every island fled away, and the mountains were not found. 21 And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.*

Nuclear war? The fact that the islands and mountains are not found could be that the earth is rocking to and fro like a drunk man as the Bible says.

The author thinks that this may be caused by the weight of the water (sea water) and oil, and anything else mixed with it like containers, as the earth wobbles on its axis.

Or God just sinks England, Scotland and Ireland and all the little islands around them under the sea. Including the tax haven Isle of Man.

With either the water level rising or huge amounts of water on the move will it wash over Australia? If one considers the height of the

## Woman In Heaven gives Birth – Second Addition

waves, scientists and authors of the Planet X books suggest waves could be as high as 2000 feet.

The probability of a 2000 foot wave washing the whole of Australia is low; 2000 feet is only 609 metres plus the water behind the wave. We will find out, not many days hence. The height of the highest mountain in Australia is 2,228 metres.

Of course, this is the highest point. The rest of Australia may well be in trouble. Still, the author is certainly not worrying about it, it may never happen.

### Timing

1260 days or 42 months divided by 7 Vials is 6. Every six months starting possibly 6 months after the 23<sup>rd</sup> September 2017, based on a simple average. If it is an exponential average or weighted then you may have one (Vial) in the first year then 1-2 in the second year, 2-3 in the last year then 4 to 1-2 in the last six months.

Assuming the exponential average is weighted towards the end days, which would be the same as birth pangs with giving birth and therefore seems likely. More frequent the events and larger in intensity will be closer to the end of the processes and Jesus returning.

## Woman In Heaven gives Birth – Second Addition

Exponential Average or Exponential Smoothing is a technique that can be applied to time series data, either to produce smoothed data for presentation, or to make forecasts.

The time series data themselves are a sequence of observations. The observed phenomenon may be an essentially random process, or it may be an orderly, but noisy, process. In financial markets nothing is random.

It MUST comply with the mathematics of the Universe and due to human behaviour; the markets comply with the pattern of humanistic behaviour, the Gumm Rhythm, as previously explained. Whereas in the simple moving average the past observations are weighted equally, exponential smoothing assigns exponentially decreasing weights over time.

Exponential smoothing is commonly applied to financial market and economic data, but it can be used with any discrete set of repeated measurements.

### Woman In Heaven gives Birth – Second Addition

The raw data sequence is often represented by  $x_t$ , and the output of the exponential smoothing algorithm is commonly written as  $s_t$ , which may be regarded as a best estimate of what the next value of  $x$  will be. When the sequence of observations begins at time  $t = 0$ , the simplest form of exponential smoothing is given by the formulae:

If you are interested in working out the simple, weighted or exponential average of the 1260 days then Google search to learn how to do it and apply it yourself. The author has decided that he doesn't really want to know and therefore has not including what will only be useless speculation.

After the first year one will know anyway but some may want to try and guess it. Sometime after or before the 1260 days.

The Lord will return, to Rule and Reign 1000 years of peace and hopefully restore the earth somewhat to its former beauty. However, he may come sooner. This is because he said in the last days he would shorten.

### **Matthew 24v22 NIV**

If those days had not been cut short, no one would survive, but for the sake of the elect those days will be shortened.

## Chapter Nineteen - Aliens

Aliens are mentioned in the Bible, and first mentioned by God. Genesis 3 v 15

*15 And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.*

There is so much evidence it is simply incredible. Here are some YouTube Video's

Five stars plus 1 is the sign for area 51. Dragon and Snake inside the world is Latin and mean all your underground basis belong to us. (Bottomless pit). The bases have a bottom, bottomless means without end – Linked together by a train that does mark 1. Also they have about 153 DUMPS – Deep Underground Military Bases.

However this may be wrong. It may have something to do with CERN. CERN is trying to open dimensions. When the Wormwood Star returns they will have the power collected from a gadget they have on the International Space Station to collect Dark Matter (energy), Matter and Antimatter.

Picture 19:20 CERN 666

Notice the numbers in the logo? 666 European Organization for French Nuclear Research Organisation européenne pour la recherche nucléaire. CERN's main function is to provide the particle accelerators and other infrastructure needed for high-energy physics research; as a result, numerous experiments have been constructed at CERN following international collaborations.

What CERN is doing is trying to open up new dimensions. In addition there is a more powerful advance plasma machine called Awake. What once took 27 mile to do what they wanted they can now do it in 30 feet. It is said to be 100,000 times more powerful than the original and the original machine had 100,000 times more power than earths magnetic shields.... Truly in the last year to 2017 things have changed greatly.<sup>46</sup>

Albert Einstein apparently said: “the nearer one gets to light speed the larger they become.”

If they get it wrong, apparently it will/can explode. It is 300-500 feet underground. They plan to have it ready to open the bottomless pit in September 2015 and having a Music Festival to the Opening of the Pit on the 25<sup>th</sup> of September 2015 and the Last blood moon of 5 not 4 is on the 28<sup>th</sup> of September 2015. Also Wormwood star has been recorded by news media in USA as being in front of Venus. So it is close as this is written on the 24<sup>th</sup> May 2015. Having said that the Bible may have said something about it.

## Revelation 9

So we see because every prophecy that has been due to be fulfilled, has been fulfilled and this one will be as well and when it is, it may well be an explosion of massive proportions!

As power is beamed to Earth and Collected and then due to CERN building Capacity to 14 TEV Trillion Electron Volts, but they say they will only take it to 13 to make us feel comfortable. However, they know the Fibonacci sequence and they know that the next increment is 21.

TEV from this thing and the Wormwood star make it:

Fibonacci expansion spirals outward results in more aliens and a very dark angel, and the opposite for humans' contraction and affliction!

## Chapter Twenty – The Rapture

The Rapture 7 years or 3.5 years or ZERO years.

Personally, the author thinks the Rapture is a lie no matter how long or short it is unless it's at the same time as Armageddon.

His thinking is quite simple in this, but before he imparts some of his thinking let's look at Edward de Bono and his Six Thinking Hats.

Edward says there are six ways of thinking, but the Bible says there are seven pillars of wisdom.<sup>151</sup>

Edwards lists them explains them I will list them below:

- 1 Black Hat Thinking - Critical Thinking
- 2 White Hat Thinking - Facts Thinking
- 3 Red Hat Thinking - Emotional Thinking
- 4 Yellow Hat Thinking - Fresh New Sunrise Thinking
- 5 Green Hat Thinking - new life green grass Thinking
- 6 Blue Hat Thinking - overview or blue Sky Thinking:

And number 7 is what Edward and no one on

Woman In Heaven gives Birth – Second Addition

the moment.

The Holy Spirit is on Earth and He is in every Born Again Christian, who has received the Holy Spirit with the Bible evidence of speaking in tongues/ languages. Languages of Men and Angels.

The author cannot find one scripture that logically talks about the Rapture separately from the return of our Lord Jesus the Christ.

However he can find plenty against Rapture.

Here are a few:

1 Thessalonians 4:15-17 Amplified Bible (AMP)

*15 For this we declare to you by the Lord's [own] word, that we who are alive and remain until the coming of the Lord shall in no way precede [into His presence] or have any advantage at all over those who have previously fallen asleep [in Him in death].*

The author likes that - no way precede or have any advantage. Equals no Rapture

*16 For the Lord Himself will descend from heaven with a loud cry of summons, with the shout of an archangel, and with the blast of the trumpet of God. And those who have departed this life in Christ will rise first*

Woman In Heaven gives Birth – Second Addition

*17 Then we, the living ones who remain [on the earth], shall simultaneously be caught up along with [the resurrected dead] in the clouds to meet the Lord in the air; and so always (through the eternity of the eternities) we shall be with the Lord!*

No secret fly by and take some and not others.

The above Thessalonians scripture is talking about His return from Him coming to get some and then again at a later date be it 7 years or 3.5 years.

What advantage would it give the Lord to come back early?

Is He so scared of the Devil He has to do a secret flyby?

Why would He respect some and not make them go through tribulation and not others?

This type of statement is saying God is a respecter of Persons, and therefore He is going to Sin!

Heaven forbid, God is not a man that he should sin! Numbers 23:19 (KJV)

19 God is not a man that he should lie; neither the son of man that he should repent: hath he said, and shall he not do it? Or hath he spoken, and

AMEN! God does not show favour to some and not others and HE does not lie.

2. Matthew 20 English Standard Version (ESV)

Labourers in the Vineyard

20 “For the kingdom of heaven is like a master of a house who went out early in the morning to hire labourers for his vineyard. (*Fresh Yellow Hat Thinking time for Harvest*)

2 After agreeing with the labourers for a denarius[a] a day, he sent them into his vineyard.

3 And going out about the third hour he saw others standing idle in the marketplace,

4 and to them he said, ‘You go into the vineyard too, and whatever is right I will give you.’ (*Green New life Thinking*)

5 So they went. Going out again about the sixth hour and the ninth hour, he did the same. (*Still looking for Labourers*)

Woman In Heaven gives Birth – Second Addition

6 And about the eleventh hour he went out and found others standing. And he said to them, 'Why do you stand here idle all day?'

*Black Hat and White Hat Thinking - Critical and Factual)*

7 They said to him, 'Because no one has hired us.' *(Fact Thinking)* He said to them, 'You go into the vineyard too.' *(New Life Yellow Fresh Thinking, even with one hour to go).*

8 And when evening came, the owner of the vineyard said to his foreman (Angels), 'Call the labourers and pay them their wages, beginning with the last, up to the first.' *(The last get paid first, because then have had less time with the Lord, possibly)*

9 And when those hired about the eleventh hour came, each of them received a denarius.

10 Now when those hired first came, they thought they would receive more, but each of them also received a denarius. *(Same gift of Eternal life all at the same time). No one has extra time, and all laboured to the end. No one got 7 years or 3.5 years off, all are giving the same.*

Woman In Heaven gives Birth – Second Addition

11 And on receiving it they grumbled at the master of the house, 12 saying, 'These last worked only one hour, and you have made them equal to us who have borne the burden of the day and the scorching heat.'

*Scorching Heat of the day of persecution or the last 7 years or 3.5 years scorching heat of persecution still get the same pay! No favouritism, no respect of persons.*

13 But he replied to one of them, 'Friend, I am doing you no wrong. Did you not agree with me for a denarius?

All get the same Eternal Life and that is fact White Hat Thinking.

14 Take what belongs to you and go. I choose to give to this last worker as I give to you.

15 Am I not allowed to do what I choose with what belongs to me?

See, He does not have to give us 3.5 years off in a rapture, why hope for the coffee break when the above so clearly says there is not one?

Woman In Heaven gives Birth – Second Addition

Or do you begrudge my generosity?’ (Red Hat Emotion Thinking). Thinking they should get more; should get raptured for example.) Why do people think they should get the rapture and miss the persecution? When, in fact (White Hat), they come to the Lord - days, weeks, years, decades ago and have had all the blessings of working in the Lord’s Vineyard anyway. (Black Hat Critical Thinking).

They have had blessings along the way (Green Hat Thinking).

They have had healings along the way (new Life and or extended freshness of Life) - Yellow Hat Thinking.

Blue Sky Thinking the Lord is fair I will have my 1 denarius my 1 Eternal life, and the other five ways of thinking are irrelevant, because the LORD GOD is fair.

16 So the last will be first, and the first last.”

Truth Thinking Jesus Thinking. No: 7 Pillar of Wisdom.

Question.

1 If the master goes out to the marketplace to find more believers more labourers in the last hour why is he doing that when the saved have been raptured?

Woman In Heaven gives Birth – Second Addition

2 If we have been raptured then the Holy Spirit has left the earth as well, so who then is going to give advice, baptise and feed the new converts if we have been raptured?

3 God heals heartache, He is not going to take babies away from mothers, or He is not going to take 1 person in marriage 7 years or 3.5 years early; God does not cause heartache.

4 It's now mathematically impossible for the 7 year Rapture to be true because the 7 years started when MH370 took off, which gives us an end date of the Authority of the Beast of 8-9<sup>th</sup> March 2021.

5 On the 8-9<sup>th</sup> March 2015 leaves less than 6 years to the end of the Authority of the beast.

No 2: proves rapture is a lie.

No: 3 The 10 virgins

Matthew 25 Amplified Bible (AMP)

*1 Then the kingdom of heaven shall be likened to ten virgins who took their lamps and went to meet the bridegroom.*

*2 Five of them were foolish (thoughtless, without forethought) and five were wise (sensible, intelligent, and prudent).*

Woman In Heaven gives Birth – Second Addition

*3 For when the foolish took their lamps, they did not take any [extra] oil with them;*

*4 But the wise took flasks of oil along with them [also] with their lamps.*

*5 While the bridegroom lingered and was slow in coming, they all began nodding their heads, and they fell asleep.*

*6 But at midnight there was a shout, Behold, the bridegroom! Go out to meet him!*

*7 Then all those virgins got up and put their own lamps in order.*

*8 And the foolish said to the wise, give us some of your oil, for our lamps are going out.*

*9 But the wise replied, There will not be enough for us and for you; go instead to the dealers and buy for yourselves.*

*10 But while they were going away to buy, the bridegroom came, and those who were prepared went in with him to the marriage feast; and the door was shut.*

*11 Later the other virgins also came and said, Lord, Lord, open [the door] to us!*

Woman In Heaven gives Birth – Second Addition

*12 But He replied, I solemnly declare to you, I do not know you [I am not acquainted with you].*

Notice that the Lord comes once then the door is shut! White Hat Factual Thinking.

If we are raptured, then the master goes and finds more at the last hour, while we are raptured. Why is the door opened to shut a second time – coming? Black Hat Critical Thinking.

No: 3 proves the Rapture is a lie.

No: 4 Romans 2 v 11

For there is no respecter of persons with God.

Acts 10 v34 -34

Then Peter opened his mouth, and said, of a truth I perceive that God is no respecter of persons:

White Hat Factual Thinking.

Question:

Why should God respect anyone and rapture them instead of others who have already been persecuted and beheaded?

If God respects some because they say “my loving God will not let me go through persecution”

Red Hat Emotional Thinking. How can God’s Kingdom stand divided against itself? Black Hat

Critical Thinking.

No: 4 Proves Rapture is a Lie.

Woman In Heaven gives Birth – Second Addition

## **RAPTURE IS A LIE**

No: 5 to finish and for the last Scripture Revelation  
15 v 1 – 3 KJV

15 And I saw another sign in heaven, great and marvellous, seven angels having the seven last plagues; for in them is filled up the wrath of God.

2 And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God.

3 And they sing the song of Moses the servant of God, and the song of the Lamb, saying, great and marvellous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints.

Question: If we are raptured how can we overcome the mark of the beast?

Or the image which is a phoenix, of Prince of Wales number?

**The answer is if we are raptured we cannot!**

**Therefore Rapture is a lie and we MUST go through the tribulation.**

## What should one do Spiritually and Naturally?

### **Spiritually**

Pray!

One should be born again. Go to [www.revampyourmind.com](http://www.revampyourmind.com) and listen to the Salvation message on how to get saved, and go to a Pentecostal Church.

If you are already born again then press on to the Mark of the High Calling of our Lord Jesus the Christ - Anointed. He will sustain you in all ways during your time of need.

### **Naturally**

The following is assuming life is as we know it today in 2013/2014/2015.

However, we do now know that the bottomless pit is about to be opened and therefore is going to change a lot.

There are a few things which the author believes a Christian can do to prepare for the time of the

## Woman In Heaven gives Birth – Second Addition

specific order. Of course, some of the following assume there is a conversion factor from the then current asset value of your financial assets to the new financial system and no one knows if that will be the case!

Assuming you own your home/house.  
Prepay your rates just before the Mark of the Beast becomes law for 5 years.

Prepay your Water, Gas and Electricity for 5 years. That is, be in credit on your accounts by at least 5 times your yearly average spend.

Stock up on your prescriptions and medical supplies if possible, although this is pretty hard to do.

Many countries are bringing in laws to stop food hoarders, so if you can store somewhere that would be good but be aware of food fatigue.

Food fatigue is getting tired of eating the same thing too often. Plant a veggie-patch - you may need it.

Be prepared to take in saints that are in need and have provisions for them if possible.

The Lord can provide naturally as well so ask him what is best for you.

Woman In Heaven gives Birth – Second Addition

### **Assuming you rent.**

Try and have some of your rent prepaid, along the above mentioned as if you own your house.

### **Churches**

Have your buildings if possible paid off and rates prepaid for 5 years if possible.

You may be able to do this via having miracle offerings.

Also a massive crash is coming in 2015 and then markets will go up again into 2016 then crash again into 2017. Into 2017 will probably a lot slower than 2015.

Purchase the author's book, 'Joseph's and Pharaoh's Dream' and the market crash of 2015. Make use of this massive opportunity.

If not paid off, be in advance of loan payments by 5 years! Have your Water, Gas and Electricity if possible paid for in advance for 5 years if possible. For the next few years just double your payments; if you get billed \$1,500 a month for power, pay \$3,000 if possible.

Woman In Heaven gives Birth – Second Addition

Some of the above applied to all of you.

Trust God will provide somehow, but remember you must have the activity completed, in prayer first.

If you own land that is large enough to accommodate others, especially the persecuted saints. Set up sites for people to pitch tents and caravans on your land.

Have a large petrol tank installed on your land, along with water tanks and the like provisions.

Have solar panels ready to supply power.

Have toilets and shower blocks set up.

Have a store of food and petrol and generators etc. if possible.

Only a few will have this option but those who can, pray and ask God if you should do this. It's your walk with the Lord.

There is a famine coming and it is due when the Lamb breaks the fourth seal.

## Woman In Heaven gives Birth – Second Addition

The fourth Seal is death and the rider is allowed to kill with sword, famine and plagues - Ebola, Aids and other nasties that the Elite have been modifying.

For example, Ebola is not a new disease, but the difference now is the incubation period has been extended from 4-5 days to 42 days. What this means is the disease has time to spread, and in this world of travel it is not long for it to be overseas.

Due to the rider being able to kill the author suspects that this will be sometime after 28<sup>th</sup> September 2015.

2016-2017 is a 100 year cycle of Famine from the First World War.

In that war farmers left their land to fight in the battles, road and bridges and other infrastructure was blown up and ships sunk.

At some time CERN will open the pit; the smoke of the furnace will block out the light so crops will fail and the Pacific Ocean is polluted due to Japan. The USA banned all fishing along their entire west coast in April 2015.

Famine has begun and did as of the Japan Tsunami in 2011 when the power plant started to leak radiation in to the Pacific Ocean and no one wants to fix it!

Woman In Heaven gives Birth – Second Addition

When the Wormwood Star and CERN blow up, 1/3 of ships will be sunk; the Bible says and roads and bridges will be broken. Food transport is going to be very difficult indeed. Causing massive famine.

Woman In Heaven gives Birth – Second Addition

## What will happen to my Investments, Retirement Funds & Properties?

If you don't accept the Mark of the Beast (assuming it is a microchip or stamp) then you will lose them eventually. However, where your treasure is there your heart is. So let them go and press on for the Eternal Prize.

The author believes that there will be people to help the saints who will accept the mark of the beast. However, you are going to be trying to convert them to the Lord's way so do not be dependent on them - be dependent on the Lord.

If you are going to accept the RFID or Mark of the Beast so that you can Work, Buy, Sell, Eat have as normal life you can in the new normal, then as stated before the author is of the opinion that there may be some conversion factor to the new money system.

If you have some wealth then maybe you will be okay. In all likelihood though, the author believes that if you have some wealth now, you are likely to lose a lot of it. Either by market crash or having it confiscated by the banks. However the Bible does say that even the rich have to have the RFID, which implies there would be a conversion factor of sorts. If this is the case then great for you.

As far as property is concerned the author is not a

## Woman In Heaven gives Birth – Second Addition

sea, is going to be a very smelly place for quite a while I would think.

Not only from dead fish, but also the oil on and in the beach sand. The author is of the opinion that property values for waterside properties may possibly drop for a period of time a long time and maybe a Bible time 360 years who knows? (Assuming it is oil or a derivative of oil).

The author does not know what the Lord has planned to fix the damaged world he will come back to. Seeing that there are only really 3 areas of investment: cash, property and shares, there is not much more to say in this area.

The author's trust is in the Lord, not in the financial positions of the world, or how the people of the world view financials of an individual person.

Even if one is rich it does nothing for them in the spiritual world which does not go up or down! He does suppose, though, that if there is a conversion factor of sorts then physical Silver and Gold would be the best to be held until after the conversion!

## Glossary of Terms

You may need to refer to this many times. With this in mind, we have placed it at the beginning of the book for your convenience.

	Adherence	Hellenistic astrological term for conjunction of planets .
A	Alien	Someone or a hypothetical or fictional being from another world or part of Satan's Seed
	Alignment	The act of aligning or the condition of being aligned .
	Angels on God's Side	Righteous .
	Angels on Devil's Side	Sinful
	Anti-Christ	Anyone who is not for Christ, God's Son the Lord and Saviour, but is against him. Specifically the Antichrist is the last head of the First Beast. Prince Charles of Wales is the sixth head

		and Prince William, the <b>Wounded</b> head, will be the <b>Antichrist</b> for 3.5 years as of, on or before, the 23/09/2017.
	Aphelion	The point in the orbit of a planet or other <b>celestial</b> body where it is <b>farthest</b> from the Sun.
	Apogee	The point in the orbit of the Moon or other satellite where it is <b>farthest</b> from the Earth.
	Aries	The first sign of the <b>zodiac</b> . <b>Aries</b> , the <b>Ram</b>
	Ascending	A planet is said to be <b>ascending</b> (rising), when moving via the <b>ascendant</b> between the fourth and tenth <b>cusps</b> , i.e. in the eastern hemisphere of the chart.
	Ascending Node	The point in the <b>zodiac</b> where a planet, particularly the Moon, <b>passes</b> from southern into northern <b>latitudes</b> is called the North Node and when moving in the opposite direction (crossing from north to south) is called the South Node.
	Aspect	Particular angular distances between <b>planets</b> , or <b>planets</b> and other sensitive points, measured in degrees (°), minutes (') and sometimes seconds (") of arc. In ancient times, <b>planets</b> were held to "see" other <b>planets</b> at particular geometric positions determined by their rays, hence they took on an aspect of vision. In this way, signs were really in <b>asp</b>
		rather than <b>planets</b> , and many traditional <b>astrologers</b> (especially those who follow the Indian or the <b>Hellenistic</b> systems of Whole Sign Houses) still hold that <b>aspects</b> must be in-sign and not out-of-sign. Modern <b>astrologers</b> generally do not take this view, but simply consider geometric <b>relationships</b> as <b>aspects</b> . Conjunction is also nowadays considered an aspect, even though the <b>ancients</b> did

Whenever more than one of these conditions apply, the aspect is more powerful. See <a href="#">Mundane Aspects</a> .
Biblical Astrologer	One who <a href="#">practices Astrology</a> that is <a href="#">permitted</a> in the Holy Bible, i.e. <a href="#">Signs of the Times</a>
Astrologist	Astrologer (rare) <a href="#">Believer</a> in, or <a href="#">follower</a> of, <a href="#">astrology</a> – though not necessarily an actual <a href="#">astrologer Astrology</a>
Astrology (Biblical)	The science of the stars. <a href="#">Astrology seeks</a> the meaning and application of the <a href="#">planets</a> , stars and other <a href="#">celestial</a> phenomena in our lives. A very ancient, yet still vital discipline. See <a href="#">Genesis 1 v 14 Signs</a>
Astrometeorology	<a href="#">Meteorological Astrology</a> . Weather <a href="#">prediction</a> , including <a href="#">prediction</a> of <a href="#">storms</a> , <a href="#">floods</a> , cold <a href="#">spells</a> , etc., using ancient <a href="#">astrological methods</a> . <a href="#">Kepler</a> , himself, was an expert in this field, having kept <a href="#">meticulous meteorological</a> records for <a href="#">decades</a> , <a href="#">matching</a> them with planetary <a href="#">aspects</a> , and publishing weather <a href="#">predictions</a> in some of his <a href="#">almanacs</a> .
Astronomer	One who <a href="#">practices</a> Astronomy.
Astronomy	The science of the observation and material <a href="#">origins</a> <a href="http://en.wiktionary.org/wiki/origins">http://en.wiktionary.org/wiki/origins</a> of stars and other <a href="#">celestial</a> phenomena. Of <a href="#">relatively</a> recent origin, this discipline

		it was once <b>intimately</b> in partnership.
	Asteroid	A small planetary body in orbit around the Sun, <b>larger</b> than a <b>meteoroid</b> but smaller than a planet. Most <b>asteroids</b> can be found in a belt between the <b>orbits</b> of Mars and <b>Jupiter</b> . The <b>orbits</b> of some <b>asteroids</b> take them close to the Sun, which also takes them across the <b>paths</b> of the <b>planets</b> .
	Astronomical Unit (AU)	A unit of measure equal to the average distance between the Earth and the Sun, <b>approximately</b> 93 million miles.
	Atmosphere	A layer of <b>gases</b> surrounding a planet, moon, or star. The Earth's atmosphere is 120 miles thick and is <b>composed</b> mainly of nitrogen, oxygen, carbon <b>dioxide</b> , and a few other trace <b>gases</b> .
	Average Daily Motion	The average motion of a planet over a 24 hour period. <b>Travelling</b> slower than average is held to be a <b>debility</b> .
	Aurora	A glow in a planet's <b>ionosphere</b> <b>caused</b> by the interaction between the planet's magnetic field and <b>charged particles</b> from the Sun. This phenomenon is known as the <b>Aurora Borealis</b> in the Earth's northern hemisphere and the <b>Aurora Australis</b> in the Earth's Southern Hemisphere.
	Axis	Also known as the <b>poles</b> , this is an imaginary line through the centre of rotation of an object.
	Benefic Aspects	Major <b>Benefic aspects</b> are: <b>sextile</b> (60°), <b>trine</b> (120°), <b>Conjunction</b> (0°) can be <b>benefic</b> if <b>planets</b> are themselves <b>benefic</b> or if otherwise well <b>aspected</b> . Minor <b>aspects</b> usually considered <b>benefic</b> are <b>semi-sextile</b> (30°), <b>quintile</b> (72°), <b>bi - quintile</b> (144°)

		the <a href="#">Harlot</a> and Mother of <a href="#">Harlots</a> in the book of Revelation in the Holy <a href="#">Bible</a>
B	Big Bang	The theory that <a href="#">suggests</a> that the universe was formed from a single point in space during a <a href="#">cataclysmic</a> explosion about 13.7 billion years ago. This is the current accepted theory for the origin of the universe and is supported by <a href="#">measurements</a> of background radiation and the observed expansion of space.
	Birth Chart	A Natal Chart ( <a href="#">nativity</a> ) or <a href="#">horoscope</a> . It is a map of how the <a href="#">planets</a> were <a href="#">aligned</a> when a person (the native) was born. The Birth Chart presents an <a href="#">astrological blueprint</a> for a person's life. More about the Birth Chart. The Bible says I will judge thee at the place of thy <a href="#">Nativity</a> - <a href="#">Ezekiel</a>
	Birth Place	Place where the native's first breath was drawn. Longitude and latitude of the <a href="#">birthplace</a> are required to construct an accurate <a href="#">nativity</a> .
	Birth Time	Moment of first breath; important in <a href="#">erecting</a> an accurate <a href="#">nativity</a> .
	Biblical Black Hole	The <a href="#">collapsed</a> core of a massive star. Stars that are very massive will collapse under their own <a href="#">gravity</a> when their fuel is <a href="#">exhausted</a> . The collapse <a href="#">continues</a> until all matter is <a href="#">crushed</a> out of existence into what is known as a <a href="#">singularity</a> . The <a href="#">gravitational</a> pull is so strong that not even light can escape.

Cancer	<p>A system of <b>organizing</b> time for social, religious, agricultural, commercial or administrative purposes.          Names are given to <b>lengths</b> of time: <b>typically</b> days, weeks, months and years. We currently use the <b>Gregorian</b> Calendar in the West, but there are several others in widespread use, such as the Indian Calendar, the Islamic Calendar, the <b>Hebrew</b> Calendar, the <b>Baha'i</b> Calendar, and more.</p> <p><b>Calendars</b> are usually based either on the <b>perceived</b> movement of the Moon (<b>Lunar</b> Calendar) or the Sun (Solar Calendar), or on a combination of the two (<b>Luni-Solar</b> Calendar).</p> <p>A key value is to keep the calendar in tune with the <b>seasons</b>. Other modern <b>calendars</b> adopt <b>purely</b> mathematical bases, independent of Sun and Moon.</p> <p><b>Calendars</b> tend to adopt significant, usually religious <b>dates</b> as their starting point, such as the supposed birth of Jesus Christ, which <b>determines</b> the <b>commencement</b> of the current <b>Gregorian</b> Calendar.</p> <p>Unfortunately this is a <b>disputed</b> date, but the habit has stuck</p>

		the <b>Crab</b> , is a cardinal, water sign. Ruled by the Moon, it is the <b>exaltation</b> of <b>Jupiter</b> . More about <b>Cancer</b> .
	Cardinal Cross	The tenth sign of the <b>zodiac</b> . <b>Capricorn</b> , the Sea-goat, is a cardinal, earth sign. Ruled by <b>Saturn</b> , it is the <b>exaltation</b> of Mars. More about <b>Capricorn</b> .
	Cardinal	Occurs when <b>planets</b> form a Grand Cross in Cardinal Signs. Especially important when <b>located</b> in the early degrees of the signs. When the <b>nodes</b> , <b>Jupiter</b> , <b>Saturn</b> , and the outer <b>planets</b> are involved, major social changes are indicated.
	Chiron	Aries, Cancer, <b>Libra</b> and <b>Capricorn</b> . Also known as <b>Moveable</b> Signs; they influence events.
	Chart of Financial Markets	The <b>Wounded Healer</b> . <b>Discovered</b> by <b>Charles T. Kowal</b> in 1977, this <b>planetoid</b> <b>located</b> between <b>Saturn</b> and <b>Uranus</b> has <b>developed</b> a considerable following among modern <b>astrologers</b> .
	Chronos (Kronos)	A history of the <b>Buying</b> and <b>Selling</b> of <b>Stocks</b> ; Currency or a <b>derivative</b> thereof.
	Cloud	Greek for <b>Saturn</b> , father of <b>Jupiter</b> .
	Club of Rome	Is storage of data on more than one computer; in fact around 100 <b>computers</b> around the world; <b>ensuring</b> data is never lost and can be <b>accessed</b> anywhere in the world whenever it is needed.
	Comet	<b>World's resources</b> split up into 10 energy <b>sectors</b> for ease of management by the <b>Elite</b>
	Conjunct	A <b>gigantic</b> ball of ice and rock that orbit the Sun in a highly eccentric orbit. Some <b>comets</b> have an orbit

		they are heated by the Sun's rays.
	Conjunction	Two or more planets are conjunct when they are closely associated (within 8° of arc) in the same sign. If they are closely associated but in adjoining signs, the strength of the conjunction is diminished (see "out-of- sign").
	Constellation	An event that occurs when two or more celestial objects appear close together in the sky.
	Coordinates	A grouping of stars that make an imaginary picture in the sky.
	Cosmology	Two or more numerical factors that define the position of a point on a chart, symbolising a point in space. Longitude and Latitude are examples of coordinates .
	Crocodile	A branch of science that deals with studying the origin, structure, and nature of the universe.
	Cycle Analysis	Satan the Devil
	Dark Matter	Study of Cycles is dedicated to the interdisciplinary study of finding and analysing recurring patterns
D	Dark Moon	A term used to describe matter in the universe that cannot be seen, but can be detected by its gravitational effects on other bodies.
	Declination	Also known as Black Moon, or Liliith, a sensitive point that can be calculated from the Moon's orbit around the Earth. See Black Moon.
	Degree	The angular distance of an object in the sky from the celestial equator. The angular distance of an object in the sky from the celestial equator .
	Descending Node	The zodiac is divided into 360 equal degrees, marked out into twelve signs of thirty degrees each. counted from 1 (there

	"0" in our calendar). One degree contains 60 minutes and each minute contains 60 seconds of longitudinal arc
Diurnal Chart	South Node.
Disk	Nativity of person born in the daytime, i.e. when the Sun is above the horizon. Chart calculated for the day at the native's birth <a href="http://en.wiktionary.org/wiki/birthtime">http://en.wiktionary.org/wiki/birthtime</a> , but for the current location. A daily return chart.
Displacement Factor	The surface of the Sun or other celestial body projected against the sky.
Divine	The pyramid is not true to the four points of the compass. It is out by 2 degrees and 28 minutes, this is called the displacement factor. It is also the reason the capping stone was never put on the Great Pyramid of Giza - it was not square!
Divinity	To do with the divinity (or God). To find a solution.
Doomsday clock	God.
Double Asteroid	An estimate in minutes to the destruction of mankind by nuclear war.
Double Star	Two asteroids that revolve around each other and are held together by the gravity between them. Also called a binary asteroid .
Dragon	A grouping of two stars. This grouping can be apparent, where the stars seem close together, or physical, such as a binary system.
Draco	Satan the Devil
Dwarf Planet	The constellation of the Dragon

East	<p>Sometimes called <b>Terra</b>, the Earth is the mother planet upon which we <b>dwell</b>, the basis of our world. Our planet <b>revolves</b> on its own axis every 24 hours and completes its orbit around the Sun in around 365.25 days.</p> <p>The course of the Earth's orbit <b>lies</b> between that of Venus and Mars. The Moon is the Earth's only natural satellite and <b>orbits</b> the Earth in <b>approximately</b> 29 days.</p> <p>The <b>geocentric</b> ("earth-centred") view places the Earth at the centre of the solar system (and indeed the universe), which is the way it <b>appears</b> to be to those who <b>dwell</b> on its surface.</p> <p>This view is <b>favoured</b> by most <b>astrological</b> systems for this reason (although there is a <b>heliocentric astrology</b> with some <b>followers</b>).</p> <p>The <b>heliocentric</b> ("sun-centred") view places the Earth in orbit around the Sun, the view <b>favoured</b> by modern, material science.</p>
Eccentricity	<p>One of the four cardinal directions or points, opposite of West and at right angles to North and South. East is the general direction from which the Sun <b>appears</b> to rise, because the Earth <b>rotates</b> on its axis towards the East. The Eastern (oriental) sector of</p>

E	Eclipse	The measure of how an object's orbit <b>differs</b> from a perfect circle. <b>Eccentricity defines</b> the shape of an object's orbit.
		The total or partial <b>blocking</b> of one <b>celestial</b> body by another. <ul style="list-style-type: none"> <li>• <b>Total Eclipse</b> When the whole of the <b>eclipsed</b> body (either Sun or Moon) is <b>blocked</b> out and <b>darkened</b> .</li> <li>• <b>Annular Eclipse</b> When the body of the Moon does not completely block the light of the Sun, leaving a thin ring of fire (<b>Annulus</b>) visible.</li> <li>• <b>Hybrid Eclipse</b> When part of the <b>eclipse</b> path is <b>annular</b> and part of it is total, usually <b>annular</b> at the start, <b>changing</b> to total for the middle portion, then</li> </ul>
	Ecliptic	switching back to <b>annular</b> towards the end. However, some <b>hybrid eclipses</b> are <b>annular</b> only at the beginning or at the end of the path. <ul style="list-style-type: none"> <li>• <b>Partial Eclipse</b> When only part of the Moon or Sun is <b>blocked</b> out.</li> </ul>
	Ellipse	An imaginary line in the sky <b>traced</b> by the Sun as it moves in its yearly path through the sky.
	Ecliptic	An ellipse is an oval shape. <b>Johannes Kepler discovered</b> that the <b>orbits</b> of the <b>planets</b> were <b>elliptical</b> in shape rather than circular.
	Elements	The Sun's apparent path through the <b>zodiac</b> , the central line of a belt

		The name <b>refers</b> to <b>eclipses</b> , which can only occur here.
	Elongation	The basic structural <b>components</b> of the world are known as <b>elements</b> .
	Ephemeris	The angular distance of a planetary body from the Sun as seen from Earth. A planet at greatest eastern <b>elongation</b> is seen in the evening sky and a planet at greatest western <b>elongation</b> will be seen in the morning sky.
	Equinox	A table of data <b>arranged</b> by date. <b>Ephemeris</b> tables are <b>typically</b> to list the positions of the Sun, Moon, <b>planets</b> and other solar system <b>objects</b> .
	Escape Velocity	The two points at which the Sun <b>crosses</b> the <b>celestial equator</b> in its yearly path in the sky. The <b>equinoxes</b> occur on or near March 21 and September 22. The <b>equinoxes</b> signal the start of the Spring and Autumn <b>seasons</b> .
	EU	The speed required for an object to escape the <b>gravitational</b> pull of a planet or other body.
	Event Horizon	European <b>Union</b>
	Extraterrestrial	The <b>invisible</b> boundary around a black hole past which nothing can escape the <b>gravitational</b> pull - not even light.
	Eyepiece	A term used to describe anything that does not <b>originate</b> on Earth.
	Freemasons	The lens at the viewing end of a <b>telescope</b> . The <b>eyepiece</b> is responsible for <b>enlarging</b> the image <b>captured</b> by the instrument. <b>Eyepieces</b> are available in different powers, <b>yielding differing</b> amounts of <b>magnification</b> .
F	Fibonacci	Freemasonry is a

	Gravity	Two sets of oppositions at right angles to each other.
	Great Conjunction	A mutual physical force of nature that causes two bodies to attract each other.
	Gregorian Calendar	Conjunction of Jupiter and Saturn in the heavens. A.k.a. Grand Conjunction.
	Hard Aspects	The modern Western Calendar, instituted by Pope Gregory as a more accurate modification of the Julian Calendar. The Julian Calendar, introduced in 45 BC, had gradually fallen out of synch with the seasons, due to the precession of the equinoxes . The Gregorian Calendar was first implemented on 15th October 1582 in Spain and Portugal and parts of Italy . It was eventually accepted by other countries and by now has been widely though not exclusively accepted.
H	Harmonic	A modern term for malefic aspects, including square, opposition, semi-square, sesqui-square. Hard as opposed to Soft.
		Resonant relationship, or overtone of planetary aspects. If an aspect is expressed as a fraction of 360°, the denominator of that fraction is the harmonic number of the aspect. 	Luna	The amount of light emitted by a star.
	Lunar Eclipse	The Moon.
	Lunar Month	A phenomenon that occurs when the Moon passes into the shadow of the Earth. A partial lunar eclipse occurs when the Moon passes into the penumbra, or partial shadow. In a total lunar eclipse, the Moon passes into the Earth's umbra, or total shadow.
	Lunar Mansions	The average time between successive new or full moons. A lunar month is equal to 29 days 12 hours 44 minutes. Also called a synodic month.
	Lunation	27 traditional sectors (nakshatras) of the zodiac, where the Moon spends her time on a day by day basis. Each mansion, of 13° 20' duration, has a specific influence, especially if Moon, Sun, Ascendant, or Ruling Planet are placed there. This system is mainly used today in Indian (Vedic) astrology. There are also ancient Chinese, Arabic and Renaissance systems, using 28 lunar mansions of 12° 51' 26" of arc.
	Lucifer	The interval of a complete lunar cycle, between one new Moon and the next. A lunation is equal to 29 days, 12 hours, and 44 minutes.

back slowly along the **ecliptic**. It takes the Moon less time to return to an **ecliptic** longitude of zero than to the same point **amidst** the fixed stars: 27.321582 days (27 d 7 h 43 min 4.7 s). This slightly shorter period is known as the tropical month.

### Anomalistic Month:

The Moon's orbit is an **ellipse** rather than a circle, but its orientation and shape are not fixed. In particular, the position of the extreme points (the line of the **apsides** : **perigee** and **apogee** ), makes a full circle (**lunar precession**) in about nine years. It takes the Moon longer to return to the same **apsis** because it moved ahead during one revolution. This longer period is called the **anomalistic** month, and has an average length of 27.554551 days (27 d 13 h 18 min 33.2 s), or about 27½ days.

### Draconic Month:

The plane of the Moon's orbit is **tilted** by **approx 5°** with respect to the plane of the **ecliptic** . The line of intersection of these planes **defines** the **ascending** and **descending Nodes**<http://en.wiktionary.org/wiki/nodes>.

The plane of the Moon's orbit **precesses** over a full circle in about 18.6 years, so the **nodes** move **backwards** over the **ecliptic** with the same period. Hence the time it takes the Moon to return to the same node is again shorter than a **sidereal**

the **draconic, nodical** , or **draconitic** month. It lasts 27.212220 days (27 d 5 h 5 min 35.8 s), or about 27  $\frac{1}{5}$  days. It is important for **predicting eclipses** : these take place when the Sun, Earth and Moon are on a line (i.e., in **syzygy** ). The three bodies are only on a line when the Moon is on the **ecliptic**, i.e. when it is at one of the **nodes**. The "**draconic**" month **refers** to the mythological **dragon** that lives in the **nodes** and **regularly eats** the Sun or Moon during an **eclipse** .

### Synodic Month:

Moon phases occur because we see the part of the Moon that is **illuminated** by the Sun from different angles as the Moon **traverses** its orbit. Because the Earth **orbits** the Sun, it takes the Moon extra time (after **completing** a **sidereal** month, i.e. a full circle) to catch up and return to the same position with respect to the Sun. This longer period is called the **synodic** month. Because of the **perturbations** of the **orbits** of the Earth and Moon, the actual time between **lunations** may range from about 29.27 to about 29.83 days. The long-term average duration is 29.530588 days (29 d 12 h 44 min 2.8 s), or about **29½** days.

	Outer Planets	The path of a <b>celestial</b> body as it moves through space.
	Parallel Aspect (Zodiacal)	<b>Uranus</b> , <b>Neptune</b> and <b>Pluto</b> . These <b>planets</b> , the <b>furthest</b> out in our Solar System, are <b>invisible</b> to the naked eye and so were only <b>discovered</b> in modern times, thanks to the invention of the <b>telescope</b> .
P	Paranormal	<b>Planets</b> having equal distance in <b>declination</b> on the same side (either north or south) of the <b>celestial equator</b> . A similar effect to the conjunction. <b>Contra-parallel</b> is the equal distance in <b>declination</b> on opposite sides of the <b>celestial equator</b> (i.e. one planet north of the <b>celestial equator</b> and the other south) and is similar in effect to the opposition aspect.
	Perigee	Beyond the scope of normal experience as understood by contemporary science.
	Perihelion	The point in the orbit of the Moon or other satellite at which it is <b>closest</b> to the Earth.
	Phase	The point in the orbit of a planet or other body where it is <b>closest</b> to the Sun.
	Phoenix	The apparent change in shape of the Moon and <b>inferior planets</b> as seen from Earth as they move in their orbits .
	Pisces	A bird or more specifically an Eagle which is not real but <b>represents</b> something else like for instance <b>Satan</b> . It is a <b>derivative</b> .
	Planet	The twelfth sign of the <b>zodiac</b> .

It <b>lies</b> at the basis of <b>astrology</b> , <b>underpinning</b> our understanding of the <b>relationships</b> between the <b>planets</b> , the signs and the <b>aspects</b> .
Q	Quadrante	The four <b>quarters</b> in a chart, or the four <b>seasons</b> in the year, or the <b>zodiac</b> .
	Quadraxestile	Major <b>malefic</b> square aspect of 90 degrees, <b>dividing</b> the circle of the <b>zodiac</b> into <b>quarters</b> , four equal <b>segments</b> .
	Quadrature	Quincunx aspect, see below.
	Quarter	A point in the orbit of a superior planet where it <b>appears</b> at right angles to the Sun as seen from Earth.
	Quincunx	There are four <b>quarters</b> , or <b>quadrants</b> , of the <b>zodiac</b> and indeed of the year. A quarter of the <b>zodiac extends</b> between the first degree of the first Cardinal Sign, <b>Aries</b> , and the first degree of the Cardinal Sign, Cancer and so to <b>Libra</b> and <b>Capricorn</b> . There are <b>360°</b> in the <b>zodiac</b> sign <b>occupies 30°</b> , so a quarter of the <b>zodiac</b> in signs is 3 signs and in degrees is <b>90°</b> . In this way the <b>seasonal peaks</b> are marked by the <b>Equinoxes</b> and <b>Solstices</b> .
	Quintile	An aspect of 150 degrees The aspect has a <b>6th</b> or <b>8th</b> house effect, <b>depending</b> on whether the <b>swifter</b> planet is <b>applying</b> or <b>separating</b> from the opposition to the slower. <b>Technically</b> this is not a proper aspect in the traditional

	Sidi	Major aspect of 60 degrees, considered <a href="#">benefic</a> ( <a href="#">favourable</a> ).
	Sidereal	The <a href="#">Sidi</a> or <a href="#">Sidereal</a> period measures the Time and Space movement of a planet with respect to the “ <a href="#">fixed stars</a> ” .
	Sidereal Day	Of, <a href="#">relating</a> to, or concerned with the stars. <a href="#">Sidereal</a> rotation is that measured with respect to the stars rather than with respect to the Sun or the primary of a satellite.
	Sidereal Month	When the Earth has made one complete revolution on its axis; i.e. when the <a href="#">meridien</a> has returned to its exact position after a twenty four hour period of rotation of the Earth. This is not the same as a tropical day, which is the <a href="#">sidereal</a> day plus the distance <a href="#">travelled</a> by the Sun in that same period, i.e. when the <a href="#">MC catches</a> up with the Sun: about one degree further, or four minutes longer.

Spheres	In physics, <b>spacetime</b> (also <b>space–time</b> , spacetime or <b>space–time continuum</b> ) is any mathematical model that <b>combines</b> space and time into a single <b>interwoven continuum</b> .
Square	Ancient <b>astronomers</b> , notably <b>Aristotle</b> , held that the Earth was the centre of the universe and that the <b>planets</b> and stars <b>occupied</b> positions in a series of <b>concentric</b> , crystal <b>spheres</b> surrounding the Earth, or in the case of the <b>Pythagoreans</b> , a Central Fire.
Star - Biblical	Major aspect of 90 degrees, considered <b>malefic</b> ( <b>unfavourable</b> ). The square ( <b>quadrate</b> , or one quarter of the <b>zodiacal</b> circumference) <b>signals</b> stress and <b>tension</b> .
Star of King David	An Angel.
Synodic Period	<b>Satanist Hexagram</b> which <b>adds</b> up to 666 <b>geometrically</b> .
Sun	The interval between points of opposition of a superior planet.
Symbol	The Sun, central power source of our solar system, is our very own star, said by science to be a vast <b>thermonuclear</b> furnace. Known as " <b>Sol</b> " in Latin and " <b>Helios</b> in Greek, the <b>masculine</b> Sun also has a spiritual essence and in <b>astrology</b> stands for the <b>individuality</b> in the <b>nativity</b> . 	<p>Topocentric</p>	<p>Each country has its own <b>standardized</b> time zone measured in hours east or west of Greenwich, spread in bands across the globe. Some countries have more than one time zone, e.g. the <b>USA</b>, <b>Australia</b>, Russia etc. The reason is that local mean time needs to be <b>smoothed</b> out over a fairly large geographical area to enable the <b>coordination</b> of everyone's clocks in that range. But real time is based on the rising and setting of the Sun, so it's not reasonable to expect that people in <b>California</b> should get up with New York people, when the Sun <b>rises</b> three hours earlier in the <b>EST</b> (Eastern Standard Time) zone than it does in <b>California</b>. In other words, when it is 7 am in New York, it is 4 am in San <b>Francisco</b>. <b>Similarly</b>, when it is midnight in Greenwich, it is 10 am in <b>Sydney</b>, 8 am in <b>Perth</b> and so on.</p>

John 3:1-7

There was a man of the Pharisees, named Nicodemus, a ruler of the Jews:

The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him.

Jesus answered and said unto him, Verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of God. Nicodemus saith unto him, how can a man be born when he is old? Can he enter the second time into his mother's womb, and be born?

Jesus answered, Verily, verily, I say unto thee, except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.

That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

Marvel not that I said unto thee, Ye must be born again.

### **Acts 2 v 1-4**

And when the day of Pentecost was fully come, they were all with one accord in one place. And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting.

And there appeared unto them cloven tongues like as of fire, and it sat upon each of them. And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance.

### **Romans 8v26**

Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings (speaking in tongues) which cannot be uttered.

### Musical Clock & Squaring out

Let's tackle Squaring out first. Squaring out, is keeping everything in balance. How does the Lord do that?

I presume with time and space or Spacetime as it is becoming known. Well how did Jesus do that when he was on Earth? Two scriptures needed to show you this.

Peter denies Jesus, Matthew 26 v 66 Meanwhile, Peter was in the courtyard below. One of the servant girls who worked for the high priest came by 67 and noticed Peter warming himself at the fire.

She looked at him closely and said, "You were one of those with Jesus of Nazareth." 68 But Peter denied it. "I don't know what you're talking about," he said, and he went out into the entryway. Just then, a rooster crowed.

### Musical Clock & Squaring out

69 When the servant girl saw him standing there, she began telling the others, “This man is definitely one of them!”

70 But Peter denied it again. A little later some of the other bystanders confronted Peter and said, “You must be one of them, because you are a Galilean.”

71 Peter swore, “A curse on me if I’m lying—I don’t know this man you’re talking about!”

72 And immediately the rooster crowed the second time. Suddenly, Jesus’ words flashed through Peter’s mind: “Before the rooster crows twice, you will deny three times that you even know me.” And he broke down and wept.

So how did Jesus square this negative out in Peters’ life?

### 153

15 After breakfast Jesus asked Simon Peter, “Simon son of John, do you love me more than these?”

“Yes, Lord,” Peter replied, “you know I love you.” “Then feed my lambs,” Jesus told him.

- 16 Jesus repeated the question: “Simon son of John, do you love me?” “Yes, Lord,” Peter said, “you know I love you.” “Then take care of my sheep,” Jesus said.
- 17 A third time he asked him, “Simon son of John, do you love me?” Peter was hurt that Jesus asked the question a third time. He said, “Lord, you know everything. You know that I love you.” Jesus said, “Then feed my sheep.

This is a simple example but a profound one. Jesus squared out the negative in Peter’s life, by healing the wound Peter did to himself by denying the Lord 3 times.

When the talking about squaring out Time and Space we are talking about the mathematics of a matter.

## Musical Clock & Squaring out

For example the square of 12. You have a grid on the Y axis you have it labelled 1 to 12 and on the X axis you have 1 to 12. 12 times 12 is 144 as pre the table below. Draw a line from #1 to #144 you will note that the rising line has risen at approximately an angle of 45 degrees.

12	24	36	48	60	72	84	96	108	120	132	144
11	22	33	44	55	66	77	88	99	110	121	132
10	20	30	40	50	60	70	80	90	100	110	120
9	18	27	36	45	54	63	72	81	90	99	108
8	16	24	32	40	48	56	64	72	80	88	96
7	14	21	28	35	42	49	56	63	70	77	84
6	12	18	24	30	36	42	48	54	60	66	72
5	10	15	20	25	30	35	40	45	50	55	60
4	8	12	16	20	24	28	32	36	40	44	48
3	6	9	12	15	18	21	24	27	30	33	36
2	4	6	8	10	12	14	16	18	20	22	24
1	2	3	4	5	6	7	8	9	10	11	12

This is squaring out time and space axis of Y and X become equal at #144. This square is the square of 12 ( $12 \times 12$ ) is 144 Now if you have the square of 7 for example you will come to 49 which is the square of 7 ( $7 \times 7 = 49$ ).

The square of 144 is  $144 \times 144 = 20,736$ . Therefore the square if we say in the second square of 144 we know that the SPACETIME is a number between 144 and 200 because  $144 \times 144$  is 200

# Now we move on to the Musical Clock of Musical Clocks

This was not my discovery but as far as I know  
Bradley Cowans.

The planets travels at different speeds the planets  
rotate around the Sun they speed up and slow  
down and the overall travel time ratios are the  
same or very similar to Musical Tones.

The following has been used with permission from  
Bradley. F. Cowan and is out of his Four  
Dimensional Stock Market Structures and Cycle  
book pages 105 to 107.

Which clearly show his workings and how the  
Musical Interval Corresponding Frequency Ratio  
to the Fundamental Ratios.
